## Agreements

NOW, THEREFORE, in order to secure the payment of the principal and interest on the Note and each and every term, covenant, agreement and condition contained herein, in the Note, in the Mortgage, and in consideration of the agreement by Assignee to forebear the amount owed under the Contract to or for the benefit of the Assignor under the terms of the Note, Assignor does hereby sell, assign, transfer and set over unto Assignee, its successors and assigns, all of the right, title and interest of Assignor in, to and under any and all leases (or extensions or renewals thereof) between Assignor as lessor, and the lessee named in any of said leases (hereinafter called "Lessee"), now existing or hereafter arising, demising and leasing all or portions of the Property, including without limitation, any existing leases (the "Leases"), together with all rents payable under the Leases and all benefits and advantages to be derived therefrom to hold and receive them unto Assignee, and together with all rights against guarantors, if any, of Lessee's obligations under the Leases.

1. Assignor does hereby empower Assignee, its agents or attorneys, to collect, sue for, settle, compromise and give acquittances for all of the rents that may become due under the Leases and avail itself of and pursue all remedies for the enforcement of the Leases and Assignor's rights in and under the Leases as Assignor might have pursued but for this Assignment.

2. Assignor represents and warrants to Assignee that there are no Leases affecting the Property as of the date hereof except those listed on the Rent Roll attached hereto and made a part hereof as Exhibit B and that the Existing Leases are in full force and effect.

3. Assignor agrees not to enter into any Leases after the Loan Opening Date without the Assignee's consent, which consent shall not be unreasonably withheld, delayed or conditioned. Assignee further agrees:

(a) not to terminate, modify or amend the Leases or any of the terms thereof, or grant any waivers or concessions in connection therewith, either orally or in writing, or to accept a surrender thereof without the written consent of Assignee which consent shall not be unreasonably withheld, delayed or conditioned and that any attempted termination, modification or amendment of the Leases without such written consent shall be null and void;

(b) not to collect any of the rent, income and profits arising or accruing under the Leases more than one month in advance of the time when the same become due under the terms thereof;

(c) not to discount any future accruing rents;

(d) not to execute any other assignments of the Leases or any interest therein or any of the rents thereunder;

(e) to perform all of Assignor's covenants and agreements as lessor under the Leases and not to suffer or permit to occur any release of liability of the Lessee, or any right to

the Lessee to withhold payment of rent; and to give prompt notices to Assignee of any notice of default on the part of Assignor with respect to the Leases received from the Lessee thereunder, and to furnish Assignee with complete copies of said notices;

(f) if so requested by Assignee, to enforce the Leases and all remedies available to Assignor against the Lessee, in case of default under the Leases by the Lessee;

(g) that none of the rights or remedies of Assignee under the Mortgage shall be delayed or in any way prejudiced by this Assignment;

(h) that notwithstanding any variation of the terms of the Mortgage or any extension of time for payment thereunder or any release of part or parts of the land conveyed thereunder, the Leases and benefits hereby assigned shall continue as additional security in accordance with the terms hereof;

(i) not to alter, modify or change the terms of any guarantees of the Leases or cancel or terminate such guarantees without the prior written consent of Assignee;

(j) not to consent to any assignments of the Leases which are not permitted by the terms of the Lease without landlord consent, or any subletting thereunder, whether or not in accordance with their terms, without the prior written consent of Assignee; and

(k) not to request, consent to, agree to or accept a subordination of the Leases to any mortgage or other encumbrance now or hereafter affecting the Land.

Any action taken by Assignor in violation of the foregoing agreements shall be void ab initio.

4. This Assignment is given as additional security for the payment of the Note held by Assignee, and all other sums secured by the Mortgage. The security of this Assignment is and shall be primary and on a parity with the land (which is part of the Property) conveyed by the Mortgage and not secondary. All amounts collected hereunder, after deducting the expenses of operation of the Property and after deducting the expenses of collection, shall be applied on account of the indebtedness secured by the Mortgage or other Loan Documents, or in such other manner as may be provided for in the Mortgage, or in any general assignment of rents given as additional security for said indebtedness. Nothing herein contained shall be construed as constituting Assignee a trustee or mortgagee in possession.

5. Upon issuance of a deed or deeds pursuant to foreclosure of the Mortgage, all right, title and interest of Assignor in and to the Leases shall, by virtue of this instrument, thereupon vest in and become the absolute property of the grantee or grantees in such deed or deeds without any further act or assignment by Assignor. Assignor hereby irrevocably appoints Assignee and its successors and assigns, as its agent and attorney in fact, to execute all instruments of assignment or further assurance in favor of such grantee or grantees in such deed or deeds, as may be necessary or desirable for such purpose.

6. In the exercise of the powers herein granted Assignee, no liability shall be asserted or enforced against Assignee, all such liability being hereby expressly waived and released by Assignor except to the extent resulting from or arising out of the gross negligence or willful misconduct of Assignee or its agents, employees, contractors or invitees. Assignee shall not be obligated to perform or discharge any obligation, duty or liability under the Leases, or under or by reason of this Assignment, and Assignor shall and does hereby agree to indemnify, defend, protect and hold forever free and harmless the Assignee of, from and against any and all liability, loss, cost, expense or damage which it may or might incur under the Leases or under or by reason of this Assignment and of, from and against any and all claims, suits, judgments and demands whatsoever which may be asserted against it by reason of any alleged obligations or undertakings on its part to perform or discharge any of the terms, covenants or agreements contained in the Leases, except such liability, loss, cost, expense, damage, claim, suit, judgment and demand arising out of the gross negligence or willful misconduct of Assignee or its agents, employees, contractors or invitees. Should Assignee incur any such liability, loss, cost, expense or damage under the Leases or under or by reason of this Assignment, or in the defense of any such claims, suits, judgments or demands, the amount thereof, including costs, expenses and reasonable attorneys' fees and expenses, shall be secured hereby, and Assignor shall reimburse Assignee therefor immediately upon demand.

7. Although it is the intention of the parties that this instrument shall be a present assignment, it is expressly understood and agreed, anything herein contained to the contrary notwithstanding, that Assignee shall not exercise any of the rights or powers herein conferred upon it until an Event of Default shall occur under the terms and provisions of this Assignment or of the Note, or the Mortgage. Upon the occurrence of an Event of Default, Assignee shall be entitled, upon notice to the Lessee, to all rents and other amounts then due under the Leases and thereafter accruing, and this Assignment shall constitute a direction and full authority to the Lessee to pay all such amounts to Assignee without proof of the default relied upon. The Lessee is hereby irrevocably authorized to rely upon and comply with (and shall be fully protected in so doing) any notice or demand by Assignee for the payment to Assignee of any rental or other sums which may be or thereafter become due under the Leases, or for the performance of any of Lessee's undertakings under the Leases and shall have no right or duty to inquire as to whether any default under the Mortgage has actually occurred or is then existing.

8. Each of the following shall constitute an Event of Default under this Assignment:

(a) If an Event of Default as defined in the Note or the Mortgage shall occur thereunder, or if an Event of Default shall be declared or occur under and as defined in any of the terms and provisions of any of the Note, Mortgage, or any document or instrument (other than this Assignment), evidencing or securing the indebtedness secured hereby.

(b) If default shall be made in the due and punctual performance of any other term, covenant, provision, agreement, condition or obligation herein contained which is not included in the Note, Mortgage, or any document or instrument (other than this Assignment), evidencing or securing the indebtedness secured hereby, and, (1) if such default is a monetary

default, such default shall continue for five (5) days after service of written notice thereof, and (2) if such default is a non-monetary default, such default shall continue for thirty (30) days after service of written notice thereof or, where Assignee's security is not in Assignee's reasonable judgment impaired by such non-monetary default and if such non-monetary default cannot reasonably be cured within said 30-day period, the failure to commence curing said default within said 30-day period, to proceed with such cure thereafter in a reasonably diligent manner, or to complete such cure within ninety (90) days after expiration of such 30-day period.

9. This Assignment is intended to be supplementary to and not in substitution for or in derogation of any assignment of rents to secure said indebtedness contained in the Mortgage or in any other document.

10. This Assignment shall include any extensions and renewals of the Leases, and any reference herein to the Leases shall be construed as including any such extensions and renewals.

11. This Assignment shall be binding upon and inure to the benefit of the respective successors and assigns of the parties hereto. The words "Assignor," "Assignee," and "Lessee," wherever used herein, shall include the persons named herein and designated as such and their respective successors and assigns, and all words and phrases shall be taken to include the singular or plural and masculine, feminine or neuter gender, as may fit the case.

12. All of the rights, powers, privileges and immunities herein granted and assigned to Assignee shall also inure to its successors and assigns, including all holders, from time to time, of said note or notes.

13. All notices, waivers, demands, requests or other communications required or permitted hereunder shall, unless otherwise expressly provided, be in writing and be deemed to have been properly given, served and received (a) if delivered by messenger, when delivered, (b) if mailed, on the third (3rd) business day after deposit in the United States Mail, certified or registered, postage prepaid, return receipt requested, (c) if telexed, telegraphed or telecopied, six (6) hours after being dispatched by telex, telegram or telecopy, if such sixth (6th) hour falls on a business day within the hours of 9:00 a.m. through 5:00 p.m. of the time in effect at the place of receipt, or at 9:00 a.m. on the next business day thereafter if such sixth (6th) hour is later than 5:00 p.m., or (d) if delivered by reputable overnight express courier, freight prepaid, the next business day after delivery to such courier; in every case addressed to the party to be notified as follows:
