to Assignee and further covenants and agrees that upon the request of Assignee, it will duly endorse to the order of Assignee any such check, the proceeds of which will be applied in accordance with the provisions of paragraph 6 below.

3. Rights Prior to Default. So long as Assignor is not in default hereunder, Assignee shall not demand from tenants under the Leases or any other person liable thereunder, any of the rents, issues, income and profits assigned hereunder, and Assignor shall have the right to collect at the time, but not more than thirty (30) days in advance of the date, provided for the payment thereof, all rents, issues, income and profits assigned hereunder, and to retain, use and enjoy the same. Assignee shall have the right to notify the tenants under the Leases of the existence of this Assignment at any time.

4. Events of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" for purposes of this Assignment:

(a) Failure by Assignor to promptly perform or cause to be performed any other obligation or observe any other condition, covenant, term, agreement or provision required to be performed or observed by Assignor under this Assignment within thirty (30) days after written notice from Assignee; provided, however, that in the event that such failure is not capable of being cured within said thirty (30) day period, then, so long as Assignor has and continues to diligently pursue cure, Assignor shall have a period not to exceed ninety (90) days after Assignee's written notice of any such failure of performance to cure the same and an Event of Default shall not be deemed to exist during said ninety (90) day period, unless the continued operation or safety of the Premises, or the priority, validity or enforceability of the lien created by this Assignment, the Mortgage or any other Loan Document, or the value of the Premises is impaired, threatened or jeopardized.

(b) The existence of any material inaccuracy or untruth in any representation, covenant or warranty contained in this Assignment or any Loan Document, or of any statement or certification as to material facts delivered to Assignee by Assignor, or any applicant for the loan evidenced by the Note.

(c) An Event of Default shall occur and be continuing under the Mortgage.

5. Rights and Remedies Upon Default. At any time upon or following the occurrence of any one or more Events of Default hereunder, Assignee may, at its option, exercise any one or more of the following rights and remedies without any obligation to do so, without in any way waiving such Event or Events of Default, without further notice or demand on Assignor, without regard to the adequacy of the security for the obligations secured hereby, without releasing Assignor or any guarantor or co-maker of the Note from any obligation hereunder, and with or without bringing any action or proceeding to foreclose the Mortgage or any other lien granted by the Loan Documents:

(a) Declare the unpaid balance of the principal sum of the Note, together with all accrued and unpaid interest thereon, immediately due and payable;

(b) Enter upon and take possession of the Premises, either in person or by agent or by a receiver appointed by a court, and have, hold, manage, lease and operate the same on such terms and for such period of time as Assignee may deem necessary or proper, with full power to make from time to time all alterations, renovations, repairs or replacements thereto or thereof as may seem proper to Assignee, to make, enforce, modify and accept the surrender of Leases, to obtain and evict tenants, to fix or modify rents, and to do any other act which Assignee deems necessary or proper;

(c) Either with or without taking possession of the Premises, demand, sue for, settle, compromise, collect, and give acquittance for all rents, issues, income and profits of and from the Premises and pursue all remedies for enforcement of the Leases and all the lessor's rights therein and thereunder, provided that, for such purpose, this Assignment shall constitute an authorization and direction to the tenants under the Leases to pay all rents and other amounts payable under the Leases to Assignee, without proof of default hereunder, upon receipt from Assignee of written notice to thereafter pay all such rents and other amounts to Assignee and to comply with any notice or demand by Assignee for observance or performance of any of the covenants, terms, conditions and agreements contained in the Leases to be observed or performed by the tenants thereunder, and provided, further, that Assignor will facilitate in all reasonable ways Assignee's collection of such rents, issues, income and profits, and upon request will execute written notices to the tenants under the Leases to thereafter pay all such rents and other amounts to Assignee; and

(d) Make any payment or do any act required herein of Assignor in such manner and to such extent as Assignee may deem necessary, and any amount so paid by Assignee shall become immediately due and payable by Assignor with interest thereon until paid at an annual rate (the "Default Rate") equal to four percent (4%) plus the Loan Rate (as defined in the Note) then in effect under the Note and shall be secured by this Assignment.

6. Application of Proceeds. All sums collected and received by Assignee out of the rents, issues, income and profits of the Premises following the occurrence of any one or more events of default under the provisions of paragraph 4 of this Assignment shall be applied as follows:

(a) First, to reimbursement of Assignee for any and all expenses (including court costs and reasonable attorneys' fees) of: taking and retaining possession of the Premises; managing the Premises and collecting the rents, issues, income and profits thereof, including without limitation, salaries, fees and wages of a managing agent and such other employees as Assignee may deem necessary and proper; operating and maintaining the Premises, including without limitation, taxes, charges, claims, assessments, water rents, sewer rents, other liens, and premiums for any insurance provided in the Mortgage; the cost of all alterations, renovations,

repairs or replacements of or to the Premises which Assignee may deem necessary and proper, with interest thereon at the Default Rate;

(b) Second, to reimbursement of Assignee for and of all sums expended by Assignee pursuant to paragraph 5(d) above to make any payment or do any act required herein of Assignor, together with interest thereon as provided herein;

(c) Third, to reimbursement of Assignee for and of all other sums with respect to which Assignee is indemnified pursuant to paragraph 7 below, together with interest thereon as provided herein;

(d) Fourth, to reimbursement of Assignee for and of all other sums expended or advanced by Assignee pursuant to the terms and provisions of or constituting additional indebtedness under any of the Loan Documents, with interest thereon as provided therein;

(e) Fifth, to the payment of all accrued and unpaid interest on the principal sum of the Note;

(f) Sixth, to payment of the unpaid balance of the principal sum of the Note; and

(g) Seventh, any balance remaining to Assignor, its respective heirs, legatees, administrators, legal representatives successors and assigns.

7. Limitation of Assignee's Liability. Assignee shall not be liable for any loss sustained by Assignor resulting from Assignee's failure to let the Premises following the occurrence of any one or more Events of Default under the provisions hereof or from any other act or omission of Assignee in managing, operating or maintaining the Premises following the occurrence of any one or more Events of Default under the provisions hereof. Assignee shall not be obligated to observe, perform or discharge, nor does Assignee hereby undertake to observe, perform or discharge any covenant, term, condition or agreement contained in any Lease to be observed or performed by the lessor thereunder, or any obligation, duty or liability of Assignor under or by reason of this Assignment, and Assignor shall and does hereby agree to indemnify Assignee for, and to hold Assignee harmless of and from, any and all liability, loss or damage which Assignee may or might incur under any Lease or under or by reason of this Assignment and of and from any and all claims and demands whatsoever which may be asserted against Assignee by reason of any alleged obligation or undertaking on its part to observe or perform any of the covenants, terms, conditions and agreements contained in any Lease. Should Assignee incur any such liability, loss or damage under any Lease or under or by reason of this Assignment, or in the defense of any such claim or demand, the amount thereof, including costs, expenses and reasonable attorneys' fees, shall become immediately due and payable by Assignor with interest thereon at the Default Rate and shall be secured by this Assignment. This Assignment shall not operate to place responsibility for the care, control, management or repair

Nothing herein or in the Mortgage contained, and no exercise by Assignee of any of the rights herein or in the Mortgage conferred shall constitute or be construed as constituting Assignee a "mortgagee in possession" of the Premises, in the absence of the taking of actual possession of the Premises by Assignee pursuant to the provisions hereof.

8. Non-Waiver. Nothing contained in this Assignment and no act done or omitted to be done by Assignee pursuant to the rights and powers granted to it hereunder shall be deemed to be a waiver by Assignee of its rights and remedies under the Note, the guaranty thereof or any of the Loan Documents; this Assignment is made and accepted without prejudice to any of the rights and remedies of Assignee under the terms and provisions of such instruments; and Assignee may exercise any of its rights and remedies under the terms and provisions of such instruments either prior to, simultaneously with, or subsequent to any action taken by it hereunder. Assignee may take or release any other security for the performance of the obligations secured hereby, may release any party primarily or secondarily liable therefor, and may apply any other security held by it for the satisfaction of the obligations secured hereby without prejudice to any of its rights and powers hereunder.

9. Further Assurances. Assignor shall execute or cause to be executed such additional instruments (including, but not limited to, general or specific assignments of such Leases as Assignee may designate) and shall do or cause to be done such further acts, as Assignee may reasonably request, in order to permit Assignee to perfect, protect, preserve and maintain the assignment made to Assignee by this Assignment.

10. Security Deposits. Assignor hereby acknowledges that Assignee has not received nor been transferred any security deposited by any tenant with lessor under the terms of the Existing Leases and that Assignee assumes no responsibility or liability for any security so deposited.

11. Severability. The invalidity or unenforceability of any particular provision of this Assignment shall not affect the other provisions, and this Assignment shall be construed in all respects as if such invalid or unenforceable provision had not been contained herein.
