ACCORDINGLY, in consideration of the mutual covenants and agreements herein-contained and in consideration of Ten and No/100 (\$10.00) Dollars, by each of the parties hereto paid to the other, the receipt and sufficiency of which is hereby acknowledged, and for other good and valuable consideration, the parties do hereby covenant and agree as follows:

1. Tenant acknowledges and agrees that (i) the Lease is in full force and effect and there is no existing default thereunder, and (ii) no rents have been prepaid except as provided for in the Lease and Tenant does not now have or hold any claim against the Landlord which might be set off or credited against future accruing rents.

2. The Lease is and shall be subject and subordinate to the Mortgage insofar as it affects the Real Estate, and to all renewals, modifications, consolidations, replacements, and extensions thereof, with the same force and effect as if the Mortgage had been executed, delivered and recorded prior to the execution and delivery of the Lease, to the full extent of the principal sum secured thereby and interest accrued and from time to time unpaid thereon.

3. Tenant agrees that upon receipt of written notice from Mortgagee of an uncured default by Landlord under the Mortgage or any other loan documentation given to the Mortgagee in support of and secured by the Mortgage, all checks for all or any part of rentals and other sums payable by Tenant under the Lease shall be delivered to and drawn to the exclusive order of Mortgagee until Mortgagee or a court of competent jurisdiction directs otherwise.

4. Tenant agrees to give Mortgagee, by registered or certified mail, return receipt requested, a copy of any notice of default served upon Landlord. Tenant further agrees that if Landlord shall have failed to cure such default within the time period provided for in the Lease, then Mortgagee shall be entitled to have an additional thirty (30) days; provided, however, that if a nonmonetary default cannot be cured within such time, and if such default does not involve a condition that renders all or a material part of the Leased Premises untenable or materially interferes with Tenant's use of the Leased Premises, and Mortgagee is diligently pursuing such cure, then Mortgagee shall have such additional time as is reasonably necessary to cure such default (including the time necessary to foreclose or pursue other proceedings in order to gain possession of the Real Estate). It is specifically agreed that Tenant shall not, as to Mortgagee, be entitled to require cure of any such default.

5. In the event it should become necessary to foreclose the Mortgage, Mortgagee thereunder will not join Tenant as a party defendant in any foreclosure proceeding so long as Tenant is not in default under any of the terms, covenants or conditions of the Lease, or any of its obligations to the Mortgagee separate and apart from the Lease.

6. In the event that Mortgagee or its designee shall succeed to the interest of Landlord under the Lease, Mortgagee agrees to be bound (or to cause its designee to be bound) to Tenant under all of the terms, covenants and conditions of the Lease, and Tenant agrees from and after such event, to attorn to Mortgagee, its designee or the purchaser at any foreclosure sale of any

portion or all of the Real Estate of which the Leased Premises constitutes a part, all rights and obligations under the Lease to continue as though the interest of Landlord has not terminated or such foreclosure proceeding had not been brought, and Tenant shall have the same remedies against Mortgagee, designee or purchaser for the breach of any agreement contained in the Lease that Tenant might have under said documents against Landlord; provided, however, that Mortgagee, designee or purchaser shall not be:

- (a) liable for any act or omission of any prior landlord (including Landlord);
- (b) subject to any offsets or defenses which Tenant might have against any prior Landlord (including Landlord);
- (c) bound by any rent or additional rent which Tenant might have paid for more than the current month to any prior landlord (including Landlord); or
- (d) bound by any amendment or modification of the Lease made without the consent of Mortgagee subsequent to the date hereof.

7. Nothing contained in this Agreement shall in any way impair or affect the lien created by the Mortgage.

8. No modification, amendment, waiver or release of any provision of this Agreement or any right, obligation, claim or cause of action arising hereunder shall be valid or binding for any purpose whatsoever unless in writing and duly executed by the party against whom the same is sought to be asserted.

9. All notices, demands and requests given or required to be given hereunder shall be in writing. All such notices, demands and requests by Mortgagee to Tenant shall be deemed to have been properly given if served in person or if sent by United States registered or certified mail, postage prepaid, addressed to Tenant at:

10. This Agreement shall inure to the benefit of the parties hereto and their respective successors and assigns; provided, however, that upon the assignment of the interest of the original or any successor Mortgagee hereunder, all obligations and liabilities of such Mortgagee under this Agreement shall terminate, and thereupon all such obligations and liabilities shall be the responsibility of the party or parties to whom such Mortgagee's interest is so assigned; and provided further, that the interest of Tenant under this Agreement may not be transferred or assigned, by operation of law or otherwise, without Mortgagee's, or its successors' or assigns' prior written consent.
