### COMPLIANCE WITH LAWS; REMOVAL OF LIENS; ZONING

6.1 The Owners shall each comply with all laws, statutes, codes, rules, orders, decrees, ordinances, regulations and requirements now or hereafter enacted or promulgated by the United States of America, State of Illinois, County of Cook, City of Chicago, and any other entity or agency now or hereafter having jurisdiction of the Total Property or any portion thereof, if noncompliance by it with respect to its portion of the Total Property or any part thereof would subject the other Owner to civil or criminal liability, or would jeopardize the full force or effect of any certificate of occupancy issued to the other Owner or for the Improvements themselves or would jeopardize the

other Owner's right to occupy or use beneficially its portion of the Total Property or any part thereof, or would result in the imposition of a lien against any of the property of the other Owner or would impose any threat or danger to any person or property. Neither Owner shall take any action or omit to take any action which could adversely affect (including, without limitation, increase the cost of) any of the insurance maintained by the other Owner. Additionally, if the Residential Property or any part thereof is submitted to the Act, the Owner of the Commercial Property shall comply with all rules and regulations of the Condominium Association, with respect to use of the Common Elements. Such rules and regulations shall not interfere with the rights and privileges granted hereunder.

6.2 No Owner shall permit the filing of any mechanic's, materialmen's or any other like lien on any other Owner's portion of the Total Property, or on its portion of the Total Property if the existence or foreclosure of such lien on its portion of the Total Property would adversely affect any Easement hereunder or services to be furnished pursuant to Article 4 hereof, arising by reason of its act or any work or materials which it has ordered. In the event an Owner fails to remove any such lien within thirty (30) days after the filing thereof, the other Owner may (but is not required to) take such action as the other Owner may deem necessary to remove such lien. Such Owner shall be entitled to reimbursement from the Owner who has failed to remove such lien for all costs and expenses incurred by such Owner in removing or attempting to remove such lien, plus interest at the Default Rate (as defined in Section 10.4 hereof) from the date of payment of such costs and expenses by such Owner to the date of reimbursement by the other Owner. However, the Owner who has not paid such lien shall not be required to remove such lien within said thirty (30) day period (and the other Owner shall not be entitled to remove such lien) provided that (i) the continuance of such lien shall not constitute a default under the documents securing a Mortgagee under a Mortgage; (ii) within said thirty (30) day period foreclosure proceedings relating to such lien cannot be completed; and (iii) the Owner responsible for the filing of such lien (A) shall in good faith diligently proceed to contest the same by appropriate proceedings and shall give written notice to the other Owner, and to a Mortgagee if required by applicable loan documents, of its intention to contest the validity or amount of such lien and (B) shall deliver to the other Owner and/or, if loan documents so provide, to a Mortgagee, either: (i) cash or a surety bond from a responsible surety company acceptable to the other Owner and a Mortgagee, if applicable, in an amount equal to one hundred fifty percent (150%) of the lien claim and all interest and penalties then accrued thereon or such greater amount as may reasonably be required to assure payment in full of the amount claimed, plus all penalties, interest and costs which may thereafter accrue by reason of such lien claim or (ii) other security reasonably acceptable to the other Owner and each Mortgagee, if applicable. The rights of an Owner under the preceding sentence to contest such lien without discharging the same shall terminate if (i) the Owner fails to contest diligently and continuously, (ii) final judgment is entered on behalf of the lien claimant or (iii) the existence of such liens shall constitute a default under the Mortgage and in such event the Owner responsible for the filing of such lien shall cause such lien to be discharged or removed within ten (10) days after the occurrence of any of the events in clauses (i) or (ii) or (iii) in this sentence and the other Owner shall have the right (but not the obligation) at any time after said ten (10) day period to remove such lien and in such event be entitled to reimbursement in

accordance with the applicable provisions hereunder. The costs and expenses referred to in this Section 6.2 shall include, but not be limited to, reasonable attorneys' fees.

6.3 Each Owner (hereinafter in this Section 6.3, the "Indemnifying Owner") covenants and agrees, at its sole cost and expense, to indemnify and hold harmless the other Owner (hereinafter in this Section 6.3, the "Indemnitee") from and against any and all claims against the Indemnitee for losses, liabilities, damages, judgments, costs and expenses and any action or proceedings arising therefrom, by or on behalf of any person firm, corporation or governmental authority, other than the Indemnitee, arising from the Indemnifying Owner's use, possession or management of the Indemnifying Owner's portion of the Total Property or activities therein or arising out of the Indemnifying Owner's use, exercise or enjoyment of an Easement and from and against all costs, reasonable attorneys' fees, expenses and liabilities incurred with respect to any such claim, action or proceeding arising therefrom. In case any action or proceeding is brought against the Indemnitee by reason of any such claim, the Indemnifying Owner, upon notice from the Indemnitee, covenants to resist or defend such action or proceeding with attorneys reasonably satisfactory to the Indemnitee and to pay all reasonable fees and expenses of such counsel. Any counsel for the insurance company providing Insurance against such claim, action or proceeding shall be presumed reasonably satisfactory to Indemnitee. Indemnitee shall have the right to employ separate counsel in any such action brought against Indemnitee, and the fees and expenses of such counsel shall be paid by Indemnitee.

6.4 Without limiting the provisions of Section 6.1, neither Owner shall make any Alterations (as that term is defined in Section 13.1) or allow any use of their respective portions of the Total Property or take or fail to take any action which would violate the provisions of the Chicago Zoning Ordinance, as said ordinance may be amended from time to time, or any similar or successor ordinance in effect from time to time hereafter and applicable to the Total Property or any portions thereof. The Residential Property and Commercial Property shall continue to be combined and treated as one zoning lot for the purposes of complying with the Chicago Zoning Ordinance. No Owner shall have the right to request or obtain any amendment to the Chicago Zoning ordinance as applicable to any portions of the Total Property without the written consent of the other Owner. Without limiting the generality of the foregoing, the Owner of the Commercial Property shall not seek any change in the Chicago Zoning Ordinance which changes the character or permitted use of any portion of the Commercial Property without the express written consent of the Owner of the Residential Property. The Owner of the Residential Property shall not seek any change in the Chicago Zoning Ordinance which changes the character or permitted use of any portion of any commercial property located within the Residential Property without the express written consent of the Owner of the Commercial Property.

## ARTICLE 7

### REAL ESTATE TAXES

7.1 The Owners shall make good faith efforts and cooperate with each other so that the Residential Property and the Commercial Property shall, when and as soon as possible, be assigned separate real estate tax index numbers and receive separate real estate tax bills from the Assessor of Cook County, Illinois (the "Assessor"). From and after submission of the Residential Property to the Act, separate real estate tax numbers and separate real estate tax bills will be applied for with respect to each Unit of the Residential Property.

7.2 The Total Property currently comprises one (1) tax parcel identified by permanent index number 17-08-408-005-0000. At such time as the Residential Property and the Commercial Property are separately assessed and taxed, each Owner shall pay the real estate taxes and special assessments for the portion of the Total Property owned by such Owner. Until the Residential Property and Commercial Property are separately taxed, the Owner of the Residential Property shall pay all of the tax bills for the Total Property prior to their due date; prior to such due date, however, the Owner of the Commercial Property shall pay to or as directed by the Owner of the Residential Property its share of the bill for the Total Property as provided in Section 7.3 below. The obligation of the Owner of the Commercial Property to pay the Owner of the Residential Property as set forth in the immediately preceding sentence does not relieve the Owner of the Commercial Property of the obligation to pay taxes as required by its Secured Property Lender.

7.3 Until such a tax division has been completed, the assessed valuation respecting the Total Property and the taxes computed thereon, and the cost of tax counsel and appraisal fees, if any, shall be allocated between the Owners and paid by the respective Owners as follows: 95.068% by the Owner of the Residential Property and 4.932% by the Owner of the Commercial Property (1.242% by the P.E.A.C.H. Club and 3.6899% by Gallery 312), and the Owner of the Commercial Property shall be responsible for and shall pay to or as directed by, or shall reimburse the Owner of the Residential Property (within thirty (30) days after the demand of the Owner of the Residential Property therefor) for its share of the total real estate taxes levied and assessed in the tax bill for the Total Property, prorated on an accrual basis from the date of the conveyance of the Commercial Property to the Owner of the Commercial Property.

7.4 If, at any time prior to the Residential Property and the Commercial Property being separately assessed and taxed, any Owner shall fail to pay any tax or other charge, or share thereof, which is due and which such defaulting Owner is obligated to pay pursuant to this Article 7, then the other Owner may, upon ten (10) days' prior written notice to the defaulting Owner pay such tax or charge, or share thereof, together with any interest and penalties thereon, and the defaulting Owner shall, upon demand, reimburse such paying Owner for the amount of such payment, including the amount of any interest or penalty payments incurred by the Owner making such payments together with interest as set forth in Section 10.4 hereof, and the paying Owner shall also have a lien against the portion of the Total Property owned by the defaulting Owner in accordance with Article 10 hereof.

## ARTICLE 8

### INSURANCE

8.1 The Owner of the Residential Property and the Commercial Property shall procure and maintain the following insurance:

(a) The Owner of the Commercial Property shall keep the Commercial Property insured for no less than "all risk" or "special form" coverage on real property and personal property for an amount not less than 100% of the insurable replacement cost thereof and building ordinance coverage in an amount not less than \$1,000,000. The Owner of the Residential Property and the Condominium Association shall keep the Residential Property insured for no less than "all risk" or "special form" coverage on real property and personal property for an amount not less than 100% of the insurable replacement cost thereof and building ordinance coverage in an amount not less than \$1,000,000. Such policies shall be endorsed with a replacement coverage endorsement and an agreed amount clause and no co-insurance penalty shall be applicable.

(b) The Owner of the Residential Property and the Owner of the Commercial Property shall maintain comprehensive general liability insurance with broad form extensions covering claims for personal and bodily injury or property damage occurring in, on, under, within, upon, or about the respective portions of the Total Property, or as a result of operations thereon, in such amounts as may be required by law and as from time to time shall be carried by prudent owners of similar type buildings in the City of Chicago, but in all events, for limits of not less than \$1,000,000 combined single limit per occurrence with a general policy aggregate of \$2,000,000 for personal and bodily injury or property damage with at least additional \$1,000,000 umbrella coverage.

(c) Unless all owners otherwise agree in writing, but in any event subject to any required approval of any Secured Property Lender, if applicable, with respect to each of the insurance policies required hereunder, the interest of the Owner of the Residential Property and the Owner of the Commercial Property shall be insured by the same insurance companies and through the same insurance broker. The insurance broker of the Owner of the Residential Property until the parties agree in writing otherwise is Near North Insurance Brokerage. Such policies may be issued in combination with respect to each owner, but shall be separate policies for each owner covering one or several items. Insurance policies required herein shall be purchased from insurance companies authorized and licensed to transact business in the State of Illinois who shall hold a current policyholder's alphabetic and financial size category rating of not less than A/VII according to Best Insurance Reports or substantially equivalent rating from a nationally recognized insurance rating service. If and so long as any portion of the Total Property is subject to the provisions of the Act, insurance on additions, alterations, improvements and betterments to individual Units shall be the responsibility of those persons designated in the applicable condominium declaration as being responsible for such insurance, and any Unit Owners policies shall be subject to and consistent with the provisions of this article. Each of the Owners hereby agree to cooperate to procure and maintain insurance policies which jointly cover the interests of all of the Owners.

(d) Each policy described herein shall (i) provide, if available, that the knowledge or acts or omissions of any insured party shall not invalidate the policy as against any other insured party or otherwise adversely affect the rights of any other insured party under any such policy; (ii) insure as additional insureds the Owner of the Residential Property and Owner of the Commercial Property and their respective beneficiaries and agents there under and the Secured Property Lenders provided, however that so long as any portion of the Total Property shall be subject to the Act, the Condominium Association and not the individual Unit Owners of that part of the Total Property so submitted shall be insured as an additional insured; (iii) shall provide, except for liability insurance described herein, by endorsement or otherwise,

that the insurance shall not be invalidated should any of the insureds under the policy waive in writing prior to a loss any or all rights of recovery against any party for loss occurring to the property insured under the policy, if such provisions or endorsements are available and provided that such waiver by the insureds does not invalidate the policy or diminish or impair the insured's ability to collect under the policy, or unreasonably increase the premiums for such policy unless the party to be benefited by such endorsement or provision pays such increase; (iv) shall provide for a minimum of thirty (30) days' advance written notice of cancellation, nonrenewal or material modification thereof to all named insureds and additional insureds thereunder including the Secured Property Lenders on the Property, unless such cancellation is for non-payment of premium, in which case ten (10) days' advance written notice shall be sufficient; and (v) shall, if available, provide except for the liability insurance required herein, that all amounts payable thereunder shall be paid to the Depository in accordance herewith. Nothing contained in this Section shall prevent the naming of any persons (in addition to those mentioned in clause (ii) hereinabove), as an additional insured in any policy or as prohibiting the inclusion in any policy of a usual and customary form of standard mortgage endorsement for Secured Property Lenders on the Property; provided, however, that the mortgagee under any mortgage upon any part of the Total Property receiving any proceeds of any insurance policy described herein shall deposit the insurance proceeds with the Depository in accordance to the extent that the Owner of the mortgaged property receiving such proceeds would be required to do so, except that such obligation for such deposit by a mortgagee shall be subject to the following conditions: (a) that at the time of deposit there shall be no then uncured default under the mortgage; (b) that at the time of such deposit, there shall be in the hands of the Depository a sufficient amount, which when added to the proceeds to be deposited by the mortgagee, will be at least equal to the cost, as estimated by the mortgagee, to complete the work; and (c) the insurers do not deny liability as to the insureds. The Parties hereto agree that the provisions of this Section 8.1 (d) are subordinate and subject to the terms of Secured Property Lender's loan documents.

(e) Limits of liability or types of insurance specified in this Article or carried by the Owners shall be reasonable and prudent for an Owner of a similar facility and shall be jointly reviewed by the Owners from time to time to determine if such limits, deductible amounts and types of insurance are reasonable and prudent in view of the type, place and amount of risk to be transferred, and to determine whether such limits, deductible amounts and types of insurance comply with the requirements of all applicable statutes, laws, ordinances, codes, rules, regulations or orders and whether on a risk management basis, additional types of insurance or endorsements against special risks should be carried or whether required coverages or endorsements should be deleted. Deductible amounts for insurance required hereunder shall be in such amounts as are customary or prevalent for an Owner of a similar facility. Such

limits shall be increased or decreased, deductible amounts increased or decreased or types of insurance shall be modified, if justified, based upon said annual review, and upon any such increase, decrease or modification, the Owners shall, if mutually agreeable and subject to the right of Secured Property Lenders on the Property to approve any such changes, execute an instrument in recordable form evidencing such increase, decrease or modification, which any Owner may record with the Recorder as a supplement to this Declaration. The Owners shall employ an insurance consultant to perform such review periodically on their behalf and the cost of employing any such consultant shall be shared by the Owners in the ratio their annual insurance premiums for insurance required hereunder bear to each other. Such consultant may be the same insurance broker, or any employee thereof, through which the insurance policies are obtained hereunder.

(f) Copies of all original insurance policies and all renewal insurance policies or certified binders delineating all forms of coverage and endorsements required hereunder shall be delivered by each Owner to the other Owner and to the Secured Property Lenders on the Property, at least twenty (20) days prior to the expiration date of any such expiring insurance policy if market conditions so permit. Should an Owner fail to provide and maintain any policy of insurance required under this Article or pay its share of the premiums or other costs for any joint policies, then the other Owner may purchase such policy and the costs thereof (or the Owners share of such costs for the Owner failing to perform) shall be due from the Owner failing to perform upon the other Owner's written demand therefor plus interest at the rate set forth herein from the date of payment of the paying Owner to the date of reimbursement to the paying Owner.

(g) Provided that such a waiver does not invalidate the respective policy or policies or diminish or impair the insured's ability to collect under such policy or policies or unreasonably increase the premiums for such policy or policies unless the party to be benefited by such waiver pays such increase, and without limiting any release or waiver of liability or recovery contained elsewhere in this Declaration, each Owner hereby waives all claims for recovery from other Owner for any loss or damage to any of its property insured (or required hereunder to be insured) under valid and collectible insurance policies to the extent of any recovery actually collected under such insurance policies plus deductible amounts.

## ARTICLE 9

### MAINTENANCE, REPAIR & DAMAGE TO THE COMMERCIAL PROPERTY AND RESIDENTIAL IMPROVEMENTS

9.1 The Owner of the Commercial Property, at its sole cost and expense, shall keep the Commercial Property and all Facilities located therein (excluding the pipes, ducts and related equipment and other Facilities located in the portion of the Commercial Property below the bottom of the slab forming the floor of the Commercial Property and above the ceiling of the Commercial Property which serve only the Residential Property, which Facilities shall be maintained, repaired and replaced by the Owner of the Residential Property) or for which it is assigned Maintenance responsibility in this Agreement in good and safe order and condition, and shall make all repairs or replacements of, in, on, under, within, upon or about such property, whether said repairs or replacements are to the interior or exterior thereof, or structural or non-structural components thereof, or involve ordinary or extraordinary repairs or replacements, necessary to keep the same in safe first-class working order and condition, howsoever the necessity or desirability thereof may arise, and whether or not necessitated by wear, tear, obsolescence, defects, fire or other casualty, or otherwise. The plans and specifications for such repair and reconstruction shall provide for the Commercial Property to be rebuilt as nearly as commercially practicable to the Commercial Property as constructed prior to the damage unless prohibited by law or unless the Owner of the Residential Property otherwise agrees. Provisions concerning modifications, alterations, or improvements to the interior or exterior of the Commercial Property are set forth in Article 13 of this Agreement.

9.2 Except as expressly provided in Section 9.1, the Owner of the Residential Property shall, at its sole cost and expense, keep all Facilities located in the Residential Property and all portions of the Residential Property necessary to provide structural support, Easements and other services to the Commercial Property required in this Agreement in good and safe order and condition and shall make all repairs or replacements of, in, on, under, within, upon or about such property, whether such said repairs or replacements are to the interior or exterior thereof or structural or non-structural components thereof, or involve ordinary or extraordinary repairs or replacements necessary to keep the same in safe, first-class working order and condition, howsoever the necessary or desirability thereof may arise, and whether or not necessitated by wear, tear, obsolescence, defects, fire or other casualty or otherwise. Each Owner shall be responsible for reimbursing the other Owner for any costs and expenses incurred with respect to Maintenance for which such Owner is responsible pursuant to this provision to the extent that such Maintenance results from damage caused by the other Owner.

9.3 If at any time any Owner shall not proceed diligently with any repair or restoration of damage adversely and materially affecting an Easement in favor of the other Owner or services to be furnished the other Owner under Article 4 hereto then (i) the Owner benefiting therefrom may give written notice to the other Owner specifying the respect or respects in which such repair or restoration is not proceeding diligently and, if, upon expiration of thirty (30) days after the receipt of such notice, any such repair or restoration work is still not proceeding diligently, then such Owner may perform such repair and restoration and may take all appropriate steps to carry out the same; or (ii) in an Emergency Situation such Owner may immediately perform such repair or restoration and may take all appropriate steps to carry out the same. Such Owner in so performing such repair and restoration shall be entitled to reimbursement upon demand from the defaulting Owner for all

costs and expenses incurred by such Owner and such other rights as provided under Article 10 herein.

9.4 If the Improvements are damaged by fire or other casualty and (a) to the extent such damage occurs in, on, under, within, upon or about the Residential Property only or (b) to the extent such damage occurs in, on, under, within, upon or about the Commercial Property only, then any such damage shall be repaired and restored by the Owner of the portion of the Total Property in which any such damage occurs in as timely a manner as practicable under the circumstances, and such Owner shall, in accordance with the provisions of Article XVII hereof, be entitled to withdraw any insurance proceeds held by the Depository by reason of any such damage, for application to the cost and expense of the repair and restoration of any such damage. If at any time any Owner so obligated to repair and restore such damage shall not proceed diligently with any repair or restoration of damage adversely and materially affecting an Easement in favor of the other Owner or services to be furnished by the other Owner, then (i) the Owner may give written notice to the Debtor Owner, as hereinafter defined, specifying the respect or respects in which such repair or restoration is not proceeding diligently and, if, upon expiration of thirty (30) days after the receipt of such notice, any such repair or restoration work is still not proceeding diligently, then the Owner may perform such repair and restoration and may take all appropriate steps to carry out the same; or (ii) in an Emergency Situation the Owner may immediately perform such repair or restoration and may take all appropriate steps to carry out the same. The Owner in so performing such repair and restoration shall, in accordance with Article XVII hereof, be entitled to withdraw any insurance proceeds and any other monies held by the Depository as a result of any such damage, for application to the cost and expense of any such repair or restoration and shall also be entitled to reimbursement upon demand from the Debtor Owner for all costs and expenses incurred by the Owner in excess of said insurance proceeds plus interest at the Default Rate from the date of payment by the Creditor Owner, as hereinafter defined, of the costs and expenses to the date of reimbursement to the Creditor Owner.

9.5 If the Improvements are damaged by fire or other casualty and if the provisions of the preceding section are not applicable because the nature of the damage is such that it does not fall within any of the categories set forth in clause (a) or (b) of the preceding section, then the repair and restoration of such damage shall be the joint responsibility of the Owners whose portions of the Total Property are in need of such repair or restoration. Said repair and restoration shall be commenced and pursued to completion in as timely a manner as practicable. The plans and specifications for said repair and restoration shall be prepared on the behalf of those Owners which are responsible for such repair and restoration pursuant to the foregoing provisions. Said repair and restoration shall be performed on behalf of such Owners by a contractor or contractors jointly selected by such Owners, subject to the approval of the Secured Property Lenders on the Property, if required. In the event such Owners, and the Secured Property Lenders on the Property, if required, fail to agree upon the selection of a contractor, then the selection thereof shall be made by arbitration. The plans and specifications for such repair and reconstruction shall provide for the improvements to be rebuilt as nearly as commercially practicable as constructed prior to the damage unless prohibited by law or

unless the Owners otherwise agree, subject to the approval of the Secured Property Lenders on the Property, if required.

9.6 If the cost and expense of performing any repair or restoration to any Owner's Improvements provided for in the preceding section hereof shall exceed the amount of insurance proceeds, if any, paid by reason of the damage to such Owner's Improvements, then such excess cost and expense shall be borne by each respective Owner to the extent that the respective Owner's insurance proceeds on its Improvements are inadequate to pay the cost and expense of repairing or restoring to their former condition their respective portions of the Improvements.

9.7 In any instance of repair or restoration pursuant to the preceding two sections hereof, any Owner may require that an estimate of the cost of expense of performing such repair or restoration be made by a reputable independent professional construction cost-estimating firm, except if a construction contract providing for the performance of such repair and restoration for a stipulated sum shall theretofore have been executed. If said estimate or stipulated sum, or if the actual amount incurred in performing repair or restoration, exceeds the amount of insurance proceeds, if any, paid or payable by reason of the damage, then any Owner may at any time give notice to the other Owner demanding that each Owner deposit with the Depository the amount of such excess cost and expense attributable to each Owner pursuant to this Article. In lieu of depositing its share of such excess amount based upon said estimate or stipulated sum, or actual cost and expense of performing such repair or restoration, any Owner may deliver to the Depository security for payment of its share reasonably acceptable to the other Owner, the Depository and the Secured Property Lenders on the Property. Such security may be in the form of, but shall not be limited to, an irrevocable and unconditional letter of credit in favor of the Depository in the face amount of the share owned or a loan commitment, reasonably satisfactory to the other Owner and the Secured Property Lenders on the Property, if required, issued by a responsible lending institution, to disburse an amount equal to such Owner's share of such excess amount to the Depository to pay the cost and expense of any such repair or restoration as the work progresses in proportion to such Owner's share of the cost and expense of any such repair or restoration. If the amount of the security required is based on an estimate of the cost and expense of repair and restoration, then the amount of security required to be deposited or available shall be readjusted upward or downward as the work progresses based on actual costs and expenses of the work. If any Owner shall fail to pay, or, as the case may be, deposit, such Owner's share of the cost and expense (or estimated cost and expense) of performing any repair or restoration in accordance with this Section, or fails to deliver the security provided for herein within thirty (30) days after receipt of another Owner's written demand therefor, then the Creditor Owner may (but shall not be obligated to) pay the Defaulting Owner's share and the Defaulting Owner shall, upon written demand, reimburse the Creditor Owner for such payment and the Creditor Owner's reasonable costs and expenses incurred in connection with such payment plus interest at the Default Rate from the date of payment by the Creditor Owner to the date of reimbursement to the Creditor Owner.

9.8 Upon completion of the repair and restoration of any damage to the Improvements, any remaining insurance proceeds paid by reason of such damage and attributable to a particular portion of the Total Property shall be refunded to the respective Owner or, if applicable, to the holder of a mortgage encumbering the Owner's respective portion of the Total Property in accordance with the terms of such encumbrance, to the extent that such sum exceeds the actual repair or restoration of such Owner's Improvements. Such funds which are paid to each respective Owner or, if applicable, to the aforescribed mortgage holder, shall be payable only from each Owner's respective insurance proceeds.

9.9 If the Improvements are destroyed or substantially damaged and the Owners agree not to rebuild, repair or restore the Improvements, subject to the written approval of the Secured Property Lenders on the Property, if required, then the Improvements shall be demolished to the extent necessary to comply with all applicable laws, statutes, ordinances, codes, rules, regulations, orders or requirements of any governmental entity or agency thereof having jurisdiction of the Improvements. In such event, the available insurance proceeds allocated to each respective Owner's improvements, other than insurance proceeds used to cause said demolition to be performed, shall be refunded to such Owner pursuant to the terms and the amounts stated in each Owner's policy, subject to the rights of the Secured Property Lenders. Such demolition shall be deemed to be a repair or restoration to which the provisions of Sections 9.4, 9.5, 9.6, 9.7 and 9.8 hereof are applicable except that demolition, and not construction, shall be performed. Each Owner shall restore his portion of the Total Property after demolition to a sightly and safe condition (including weatherproofing any exposed portions thereof) and in such a manner as to safeguard the other portions of the Total Property, to preserve the use of the Easements granted hereunder and to prevent any violations of the applicable ordinances of the City of Chicago caused by the other party's failure to rebuild. In the event all Owners of the Total Property agree not to rebuild where the Improvements are totally destroyed, the land underlying the improvements shall be deemed to be owned by the Owners of the Residential Property as to an undivided 95.068% interest and the Owners of the Commercial Property as to an undivided 4.932% interest as Tenants in Common. Any Owner shall have the right to sue for partition, but for purposes of such partition the land shall be deemed not susceptible of division. The above percentages were calculated based on the ratio of the estimated market value of the Commercial Property to the estimated market value of the Residential Property.

9.10 For purposes of this Article 9, architects' and engineers' fees, attorneys' fees, consultants' fees, title insurance premiums and other similar costs and expenses relating to repair or restoration shall be included in the costs and expenses of any such repair or restoration.

## ARTICLE 10

### LIENS, RIGHTS AND REMEDIES

10.1 If, at any time, either Owner (for purposes of this Section 10.1, a "Debtor Owner") fails within ten (10) days after notice or demand to pay any sum of money due the other Owner (for purposes of this Section 10.1, a "Creditor Owner") under or pursuant to the provisions of this Agreement, then, in addition to any other rights or remedies the Creditor Owner may have, the Creditor Owner shall have (i) in the event of a default under Articles 9 or 11, a lien against any condemnation award or insurance proceeds payable to the Debtor Owner for loss or damage to the portion of the Total Property owned by the Debtor Owner or otherwise under insurance policies carried pursuant to Article 8 hereof, or (ii) in the event of a default under any other Section of this Agreement, a lien against the portion of the Total Property owned by the Debtor Owner, to secure the repayment of such sum of money and all interest on such sum accruing pursuant to the provisions of this Article 10 or to secure performance of a covenant or obligation. Such liens shall continue in full force and effect until such sum of money and any accrued interest thereon shall have been paid in full or the performance has been completed. The liens provided for in this Section 10.1 shall be subordinate to any prior mortgage, (including, without limitation, the prior mortgage made by the Declarant in favor of LaSalle Bank National Association as mortgagee) prior trust deed or other encumbrance constituting a prior lien on the portion of the Total Property owned by the Debtor Owner or other interest of the Debtor Owner including mortgages of Units. Each Owner waives any and all rights to trial by jury in any suit, action or proceeding brought by the other Owner to enforce collection of any monies owed under this Agreement to such other Owner.

10.2 If any portion of the Residential Property is subject to the provisions of the Act, each Unit Owner shall be liable only for such portions of any claim against the Owner of the Residential Property equal to the amount of the claim multiplied by the percentage of interest in Common Elements allocated to such Unit Owner's Unit Ownership as set forth in the Condominium Declaration. Upon payment of such amount for which Unit Owner is liable, (i) any lien arising against such Unit Owner's Unit Ownership on account of such claim shall be deemed released against such Unit Owner's Unit Ownership without further act or deed by any such Unit Owner, and (ii) upon the written request of such Unit Owner, the Owner of the Commercial Property shall deliver to such Unit Owner an instrument evidencing the release of such lien, but only with respect to said Unit Owner's Unit Ownership. When a Unit Ownership is owned by more than one "person" (as defined in the Act) the liability of each such person for any claim against the Unit Ownership shall be joint and several.

10.3 No conveyance or other divestiture of title (other than foreclosure of a lien which shall then be and remain superior) shall in any way affect or diminish any lien arising pursuant to this Article 10, and any lien which would have arisen against any property pursuant to this Article 10 had there been no conveyance or divestiture of title (other than foreclosure of a lien which shall then be and remain superior) shall not be defeated or otherwise diminished or affected by reason of such conveyance or divestiture of title.

10.4 Interest shall accrue on any sums owed by an Owner to the other Owner pursuant to this Agreement, and shall be payable from the date which is thirty (30) days after demand for any

such payment is made until paid in full, at a rate (the "Default Rate") of interest equal to the lesser of: (a) the floating rate which is equal to five percent (5%) per annum in excess of the annual rate of interest from time to time announced by LaSalle Bank National Association, Illinois, as its "prime rate" of interest or a reasonably equivalent substitute thereof in the event a prime base rate is no longer announced, or (b) the then maximum lawful rate of interest in Illinois applicable to the defaulting Owner and the nature of the debt. If a "prime rate" or reasonable equivalent thereof is not announced by LaSalle Bank National Association and no maximum lawful rate applies, then interest shall accrue at the annual Default Rate of eighteen percent (18%).

10.5 Except as expressly provided in this Agreement, the rights and remedies of each Owner provided for in this Article 10 or elsewhere in this Agreement are cumulative and not intended to be exclusive of any other remedies to which such Owner may be entitled at law or in equity or by statute. Except as expressly provided in this Agreement, each Owner may enforce, by a proceeding in equity for mandatory injunction, the other Owner's obligation to execute or record any document which the other Owner is required to execute under or pursuant to this Agreement. The exercise by an Owner of any right or remedy to which it is entitled hereunder shall not preclude or restrict the exercise of any other right or remedy provided hereunder.

10.6 Each claim of any Owner arising under this Agreement shall be separate and distinct, and no defense, set-off, offset or counterclaim arising against the enforcement of any lien or (other claim of any Owner shall thereby be or become a defense, set-off, offset or counterclaim against the enforcement of any other lien or claim.

10.7 Actions to enforce any right, claim or lien under this Agreement shall be commenced within three (3) years immediately following the date the cause of action occurred, or such other shorter period as may be provided by law or statute; provided, however, that if prior to expiration of the period in which such action must be commenced, each Mortgagee is diligently proceeding to foreclose the Mortgage, then such period in which an action by the Owner of the Residential Property or Owner of the Commercial Property must be commenced shall be further extended for such additional time as may reasonably be necessary in order for each Mortgagee to obtain possession of the applicable Property.

10.8 Defaulting Owner shall pay the reasonable attorneys' fees and court costs paid or incurred by the other Owner in successfully enforcing its rights against the defaulting Owner under this Agreement, and such fees and costs shall be added to the amount of any applicable lien created under this Article 10.

## ARTICLE 11

### CONDEMNATION

11.1 In the event of a taking by the exercise of the power of eminent domain or deed in lieu of condemnation of all or any part of the Total Property by any competent authority for any public or quasi-public use, the award, damages or just compensation (hereinafter in this Article 11, the "Award") resulting from any such taking shall be allocated and disbursed, and any repair and/or restoration of the Improvements shall be performed, in accordance with the requirements of this Article 11.

11.2 In the event of a taking (whether or not a temporary taking) of a part of the Total Property, the Owner of the portion of the Total Property taken shall repair and restore the remainder of such Owner's Improvements to form an architectural and functional whole. Such repair and restoration shall be commenced and pursued to completion in as timely a manner as practicable under the circumstances and shall be at the sole cost and expense of the Owner whose portion of the Total Property is taken. The Owner of the portion of the Total Property taken shall be entitled to receive directly from the taking authority any Award resulting from such taking within such Owner's portion of the Total Property for application to the cost of said repair and restoration and to retain any excess not required for such repair and restoration.

11.3 Notwithstanding any other provision of this Agreement to the contrary, if, as a result of a taking (other than a temporary taking), an Owner and its Secured Property Lender reasonably determines that such Owner's portion of the Total Property no longer can be operated on an economically feasible basis, then such Owner shall not be obligated to repair or restore that Owner's Improvements as may otherwise be required by this Agreement. However, in such case, such Owner shall demolish, repair or restore such Owner's Improvements to the extent, if any, as may be necessary to provide essential services or structural support for the other portions of the Total Property, but only if the Owner of the other portion of the Total Property affected thereby requests that it perform such demolition, repair or restoration. Furthermore, such Owner shall weatherproof any exposed portions of such Owner's portion of the Total Property and shall restore such Owner's portion of the Total Property to a sightly and safe condition and in such a manner as to safeguard the other Owner's portion of the Total Property, and to preserve the use of the Easements granted hereunder.

### ESTOPPEL CERTIFICATES

12.1 Each Owner shall, from time to time, within ten (10) days after receipt of written request from the other Owner, execute, acknowledge and deliver to the requesting Owner or to any

existing or prospective purchaser or mortgagee designated by the requesting Owner, a certificate (each, an "Estoppel Certificate") in such form as may be reasonably requested. The Owner of the Commercial Property, if requested to issue an Estoppel Certificate in connection with the purchase and sale or financing of a Unit Ownership, may limit the statements made in the Estoppel Certificate to (i) the existence of any defaults hereunder and (ii) the amount of any liens capable of being asserted hereunder.

12.2 If any portion of the Residential Property is subject to the provisions of the Act, an Estoppel Certificate requested from the Owner of the Residential Property shall be issued by the Condominium Association on behalf of the Unit Owners and the Condominium Association and any Estoppel Certificate so issued shall be binding on the Unit Owners and such Condominium Association, and an Estoppel Certificate requested by the Owner of the Residential Property from the Owner of the Commercial Property may only be requested by the Condominium Association on behalf of the Owner of that portion of the Residential Property submitted to the Act and may only be requested by the Owner of the Residential Property for that portion of the Residential Property not submitted to the Act.

## ARTICLE 13

### ALTERATIONS

13.1

(a) No changes, modifications, alterations, or improvements to the interior or exterior of the Commercial Property ("Alterations") shall be made without the prior written consent of the Owner of the Residential Property and its Secured Property Lender if such Alterations will:

- i. affect the benefits afforded to the Owner of the Residential Property by any Easement or unreasonably interrupt the Owner of the Residential Property's use or enjoyment of any Easement;
- ii. affect Facilities benefiting the Residential Property; or
- iii. affect the zoning status of the Building or Total Property(b) If, at any time, the Owner of the Commercial Property proposes to make any Alterations which require or could possibly require the consent of the Owner of the Residential Property, then before commencing or

proceeding with such Alterations, the Owner of the Commercial Property shall deliver to the Owner of the Residential Property, a copy of the plans and specifications showing the proposed Alterations and a reference to this Section 13.1. If the Owner of the Residential Property consents in writing to such Alterations, the Owner of the Commercial Property may proceed to make its Alterations in accordance with said plans and specifications. The Owner of the Residential Property shall make a good faith effort to respond to the Owner of the Commercial Property within thirty (30) days after its receipt of said plans and specifications from the Owner of the Commercial Property showing proposed Alterations. If the Owner of the Residential Property fails to timely respond within thirty (30) days from receipt of the request, the plans and specifications for such Alterations shall be deemed approved. If the Owner of the Commercial Property has not requested the Owner of the Residential Property's consent to the proposed Alterations, and if, in the good faith opinion of the Owner of the Residential Property, the Owner of the Commercial Property has violated or will violate the provisions of this Section 13.1, the Owner of the Residential Property shall notify the Owner of the Commercial Property of its opinion that the Alterations or proposed Alterations violate or will violate the provisions of this Section 13.1 hereof, and shall specify the respect or respects in which its provisions are or will be violated. If the Owner of the Residential Property in good faith asserts a violation of this Section 13.1, then the Owner of the Commercial Property shall not commence with the Alterations or proceed with the Alterations, if already commenced, until the matter has been resolved. In addition to any other legal or equitable rights or remedies to which the Owner of the Residential Property may be entitled by reason of the Owner of the Commercial Property's violation or likely violation of the provisions of this Section 13.1, the Owner of the Residential Property shall be entitled to seek and obtain injunctive relief to enjoin any such violation. Failure of a Mortgagee to approve such plans and specifications, if such consent is required pursuant to a mortgage, shall be grounds for the Owner of the Residential Property to reject such request.

(c) Each Owner, in making Alterations, shall (i) cause all work to be performed in a good and workmanlike manner and in accordance with good construction practices, (ii) comply with all applicable federal, state and local laws, statutes, ordinances, codes, rules, regulations and orders, including, without limitation, the City of Chicago Building Code, and (iii) comply with all of the

applicable provisions of this Agreement. Each Owner shall, to the extent reasonably practicable, make Alterations within the portion of the Total Property owned by such Owner, in such a manner as to minimize any noise, vibration, particulate and dust infiltration or other interference or disturbance which would interfere with or disturb any occupant or occupants of the portion of the Total Property of the other Owner.

13.2 Applications for building permits to make Alterations shall be filed and processed by each Owner without the joinder of the other Owner in such application, unless the City of Chicago or other government agency having jurisdiction thereof requires joinder of the Owner. If joinder by such Owner is so required, said Owner shall cooperate in executing such application or other instruments as may be necessary to obtain the building permit; provided however, each Owner shall indemnify and hold harmless the other Owner from and against any and all loss, liability, claims, judgments, costs and expenses arising out of the other Owner's execution of the application, permit or other instrument.

13.3 The Owner of the Commercial Property and Owner of the Residential Property each shall include in any construction contract a provision pursuant to which the contractor (i) recognizes the separate ownership of the Total Property and agrees that any lien rights which the contractor or subcontractors have under the Mechanics Lien Act shall only be enforceable against the portion of the Total Property owned by the Owner who employs such contractor, or (ii) agrees that no lien or claim may be filed or maintained by such contractor or any subcontractors against the portion of the Total Property owned by the other Owner and agrees to comply with the provisions of Section 21 of the Illinois Mechanics Lien Act in connection with giving notice of such "no lien" provision.

13.4 No Alterations shall be made to the Residential Property which will: (i) unreasonably diminish the benefit afforded to the Owner of the Commercial Property by any Easement; (ii) materially adversely affect Facilities benefiting the Commercial Property; or (iii) affect the zoning status of the Commercial Property.

However, the Owner of the Commercial Property may use the Commercial Property to host special functions during said hours; if it provides written notice of the same to the Owner of the Residential Property and all such events must be handled in such a manner as to not create any type of nuisance or loud level of noise to disturb the residents of the Residential Property.

(d) Each of the Owners of their respective property shall not cause or permit to occur: (i) any violation of any present or future federal, state or local law, ordinance or regulation related to environmental conditions in or about any portion of the Total Property, including, but not limited to, improvements or alterations made to the Total Property at any time by the Owners, their agents or contractors, or (ii) the use, generation, release, manufacture, refining, production, processing, storage or disposal of any "Hazardous Substances" (as hereinafter defined) in or about the Total Property, or the transportation to or from the Total Property of any Hazardous Substances. ## ARTICLE 16

### LIMITATION OF LIABILITY

16.1 No Owner shall be liable for interruption or inadequacy of service, loss or damage to property or injury (including death) to any person for any reason. Each Owner obligated hereunder is reserved the right to curtail or halt the performance of any service hereunder at any time in reasonable respects for a reasonable period of time to make necessary repairs or on account of an Emergency Situation.

16.2 In the event of any conveyance or divestiture of title to any portion of or interest in any portion of the Total Property: (1) the Owner who is divested of title shall be entirely freed and relieved of all covenants and obligations thereafter accruing hereunder but only with respect to any such portion or interest conveyed or divested; and (2) the grantee or the person or persons or other entity or entities who succeed to title shall be deemed to have assumed all of the covenants and obligations of the Owner of such portion or interest thereafter accruing hereunder, until such grantee

16.3 The enforcement of any rights or obligations contained in this Agreement against an Owner of any portion of the Total Property shall be limited to the interest of such Owner in the Total Property. No judgment against any Owner of any portion of the Total Property shall be subject to execution or be a lien on any of the assets of such Owner other than Owner's interest in the Total Property.

## ARTICLE 17

### DEPOSITARY

17.1 A depositary (the "Depositary") shall be appointed in the manner hereinafter provided to receive from the payor or payee thereof insurance proceeds and condemnation awards, to disburse such monies and to act otherwise in accordance with the terms and provisions of this Declaration. Except as otherwise provided hereunder, all insurance proceeds under the insurance policies required to be carried pursuant to Article 8 hereof and condemnation awards arising in connection with this Declaration shall be paid to the Depositary. Except as otherwise provided herein, the Depositary appointed hereunder shall be one of the then three (3) largest title companies, banks or trust companies (measured in terms of capital funds) with principal offices in Chicago, Illinois.

17.2 As used hereinafter in this Article, the phrase "Damaged Parcel" shall refer to any of the Residential Property and/or the Commercial Property, or any combination thereof if applicable, as to which a casualty loss shall have occurred. In the event of any casualty loss which affects only the Commercial Property or the Residential Property, then those Secured Property Lenders having a first mortgage lien with respect to the Damaged Parcel shall have the right, within thirty (30) days after such casualty loss has been finally adjusted, to elect either to act as Depositary or to appoint the Depositary with regard to such funds. If such right of election is not exercised within said thirty (30) day period, then the Owner of the Damaged Parcel shall have the right to appoint the Depositary with regard to such funds.

17.3 In the event of any casualty loss which affects more than one portion of the Total Property and if each Damaged Parcel is subject to a mortgage or trust deed held by Secured Property Lenders, then those Secured Property Lenders having a first mortgage lien with respect to the Damaged Parcels shall have the right, within thirty (30) days after such casualty loss has been finally adjusted, acting jointly, to appoint the Depositary with regard to such funds.

17.4 In the event of any casualty loss which affects more than one portion of the Total Property and if one or more but less than all of the Damaged Parcels is or are encumbered by a mortgage or trust deed held by Secured Property Lenders, then such Secured Property Lenders and the Owner or Owners of the unencumbered Damaged Parcel or Parcels shall have the right, within

thirty (30) days after such casualty loss, acting jointly, to appoint the Depositary with regard to such funds.

17.5 If none of the provisions of Section 17.3 or 17.4 are applicable, or if none of the rights of election or appointment conferred by said Sections are exercised within thirty (30) days after the casualty loss has been finally adjusted, then the Owners of the Damaged Parcels shall mutually appoint the Depositary. Upon the failure of such Owners to appoint the Depositary within thirty (30) days after the casualty loss has been finally adjusted, then the matter shall be submitted to arbitration and the arbitrator shall appoint the Depositary.

17.6 Each Owner whose portion of the Total Property is the subject of any such casualty loss or condemnation shall be obligated to pay the reasonable fees and expenses of the Depositary in proportion to the proceeds from their respective insurance policies or respective condemnation awards, as the case may be. Any Depositary appointed to act hereunder shall execute an agreement with the Owners whose portion of the Total Property is the subject of any such casualty loss or condemnation accepting said appointment in form and content acceptable to such Owners and in accordance with the provisions of this Declaration.

17.7 The Depositary shall have no affirmative obligation to prosecute a determination of the amount of, or to effect the collection of, any insurance proceeds or condemnation award or awards unless the Depositary shall have been given an express written authorization from the Owners provided that if only one Owner claims said insurance proceeds or condemnation awards, then said Owner alone may authorize the Depositary to so proceed; provided further, however, that if the Commercial Parcel and/or the Residential Property is in any material way affected by the disbursement of any such insurance proceeds or condemnation award or awards, then the consent of the holder of the appropriate Secured Property Lenders shall be required.

17.8 The monies on deposit shall be held in an interest bearing account pursuant to an agreement among the Depositary and the Owners whose portion of the Total Property has been the subject of any casualty loss or condemnation. The Depositary, within thirty (30) days after receipt of funds, shall purchase with such monies, to the extent feasible, United States Government securities payable to bearer and maturing within one (1) year from the date of purchase thereof, except insofar as it would, in the good faith judgment of the Depositary, be impracticable to invest in such securities by reason of any disbursement of such monies which the Depositary expects to make shortly thereafter, and the Depositary shall hold such securities in trust in accordance with the terms and provisions of this Declaration. Any interest paid or received by the Depositary on monies or securities held in trust, and any gain on the redemption or sale of any securities, shall be added to the monies or securities so held in trust by the Depositary. Unless the Depositary shall have undertaken to pay interest thereon, monies received by the Depositary pursuant to any of the provisions of this Declaration shall not be mingled with the Depositary's own fund and shall be held by the Depositary in trust for the uses and purposes herein provided.

17.9 The Depository may resign by serving written notice on the Owners. Within thirty (30) days after receipt of such notice or in case of failure or inability to act, the Owners shall jointly, with the consent of the Secured Property Lenders, appoint a substitute who qualifies under Section 17.1 hereof, and the Depository, to such substitute, at which time its duties as Depository shall cease. If the Owners shall fail to appoint a substitute within said thirty (30) days, then the Secured Property Lenders shall appoint a substitute who qualifies under Section 17.1 hereof within thirty (30) days thereafter, and the Depository shall transfer all funds, together with copies of all records held by it as Depository, to such substitute, at which time its duties as Depository shall cease. If the Secured Property Lenders shall fail to appoint a substitute within said additional thirty (30) day period, then the Depository may deposit such funds with either a court of competent jurisdiction or with a bank or trust company in Chicago, Illinois who qualifies under Section 17.1 hereof

17.10 Notwithstanding anything contained herein to the contrary, any insurance proceeds arising out of the policies required to be carried pursuant to Article 8 hereof or condemnation awards of less than \$50,000.00 shall be paid directly to the party so entitled rather than to the Depository unless the insurance proceeds or condemnation award are to be paid to more than one Owner.

17.11 Notwithstanding anything to the contrary contained herein, in the event a Secured Property Lender does not allow funds to be held and/or disbursed pursuant to the terms of this Agreement, the parties hereto agree that the provision of Articles 17 and 18 are subordinate to and subject to the terms and conditions of the Loan by the Secured Property Lender and the terms of the secured Property Lender's loan documents shall govern the disposition of such funds.

Notwithstanding the foregoing, any or all of the Owners of the Secured Property Lenders or the Depository may require that disbursements be made through the usual form of construction escrow then in use in Chicago, Illinois, with such changes as may be required to conform to the requirements or provisions of this Declaration. The Depository may rely conclusively, with respect to the information contained therein, on any certificate furnished by the Owner to the Depository in accordance with the provisions of Section 18.1(a) hereof and shall not be liable or accountable for any disbursement of funds made by it in reliance upon such certificate or authorization.

19.3 The headings of Articles in this Agreement are for convenience of reference only and shall not in any way limit or define the content, substance or effect of the Articles.

19.4 (a) Except as otherwise provided herein, this Agreement may be amended or terminated only by an instrument signed by the Owners and the Mortgagee. Any amendment to or termination of this Agreement shall be recorded with the Recorder.

(b) Declarant reserves the right and power to record a special amendment (a "Special Amendment") to this Agreement at any time and from time to time which amends this Agreement to correct clerical or typographical errors in this Agreement. If and to the extent that any of the covenants would otherwise be unlawful or void for violation of (a) the rule against perpetuities, (b) the rule restricting restraints on alienation, or (c) any other applicable statute or common law rule analogous thereto or otherwise imposing limitations upon the time for which such covenants may be valid, then the provision concerned shall continue and endure only until the expiration of a period of twenty-one (21) years after the date of the last to survive of the class of persons consisting of all of the lawful descendants of William J. If the Owner of the Residential Property shall not have responded to such request within thirty (30) days from the date of receipt of such request and all such information and documentation, the matter for which the request was sought shall be deemed approved.

19.7 The provisions of this Agreement shall be construed to the end that the Total Property shall remain a warehouse loft property. The Owners agree to maintain the Building's present standard and condition.
