In no case shall any party dealing with the trustee in relation to above-described property, or to whom the property in whole or in part is contracted to be sold, conveyed, mortgaged, or leased by the trustee, be required to see the application of any purchase money, rent, or funds borrowed or advanced; or be required to see that the trustee has acted in compliance with the terms of the trust agreement; or be required or privileged to inquire into any of the terms of the trust agreement. Every deed, lease, mortgage, trust deed, or other instrument executed by the trustee in relation to the above-described property is conclusive evidence in favor of every person relying on or claiming under such deed, lease, mortgage, trust deed, or other instrument that: (1) at the time of delivery the trust created by the trust agreement and by this deed was in full force and effect; (2) the instrument was executed in accordance with the trusts, conditions, and limitations contained in the trust agreement or any amendment and binding on the beneficiaries of the trust, and in accordance with this deed; (3) the trustee was duly authorized and empowered to execute and deliver such instrument; and (4) if the conveyance is made to a successor or successors in trust, that each such successor has been properly appointed and is full vested with all estate, title, power, authority, duty, and obligation of the predecessor in trust.

This deed is executed pursuant to and in the exercise of the full power and authority granted to and vested in the trustee by the terms of the deed in trust delivered to the trustee pursuant to the trust agreement referred to above. The interest of each and every party and every beneficiary and of all persons claiming under them shall be only in the earnings and proceeds arising from the sale or other disposition of the real property. Such interest is declared to be personal property, and no beneficiary under this instrument shall have any title or interest, legal or equitable, in or to the real property as such, but only an interest in the earnings and proceeds as referred to above.

If the title to the above real property is now or hereafter registered, the Registrar of Titles is directed not to register or note in the certificate of title or any copy of the certificate the words "in trust," "upon condition," or "with limitation," or words of similar import, in accordance with the statute.
