Question #6. Purpose: The purposes of the Partnership are:

- (a) to provide for sophisticated, centralized management and development of the assets contributed by the Partners;
- (b) to enhance the respective financial position of the Partners by establishing a significant and diversified capital base and pursuing investment and development strategies which will assist the Partners in obtaining their income generation, diversification and investment objectives;
- (c) to provide resolution of any disputes which may arise among the Partners in order to preserve harmony and avoid the expense and problems of litigation;
- (d) to continue the ownership of the Partnership by and among persons and entities owned and controlled by, or for the benefit of, the Partners and their descendants, thus protecting and restricting Partnership assets or interests from third parties such as transfers as a result of a Partner's failed marriage or from the claims of a Partner's future creditors.

The Partnership is authorized to engage in any business which may lawfully be conducted by a limited partnership formed pursuant to Illinois law, including any lawful purpose, and, without limitation, the acquisition, development, management, operation and disposition of real, personal and intangible property, including life insurance policies and products, the carrying on of any business or activities relating thereto or arising therefrom, the entering into any partnership, joint venture or other similar arrangement to engage in any of the foregoing or to the ownership interests in any entity engaged in any of the foregoing, and anything incidental or necessary to the foregoing.

Question #9 - Partners' membership termination and distribution rights:

1. <u>Distributions</u>. The General Partners, in their sole discretion, shall determine the amount of distributions to be made to the Partners and the time for making such distributions. The Partners, including the General Partners, shall receive their respective shares of Partnership distributions in cash or in kind, or both, and the portion of such shares that is received in cash may vary from Partner to Partner, as the General

Partners may determine. Any property distributed in kind shall be treated as if the property were sold at its fair market value and the cash proceeds distributed.

All distributions, including those made in liquidation or dissolution of the Partnership, shall be allocated among the Partners in proportion to each Partner's Partnership Percentage; provided, however, that no distribution shall be made or allocated to a Partner whose capital account has a deficit balance. Provided, further, that the Partnership may make distributions to one or more but less than all Partners provided that no distribution to a Partner shall exceed the positive balance of the Partner's capital account at the time of the distribution.

- 2. Transfer of Partnership Interests. In the event of the death of a limited partner or the voluntary or involuntary transfer of a limited partner's in erest ("terminated interest"), the remaining limited partners shall have the option to purchase the terminated interest pursuant to the terms of the Limited Partnership Agreement. If such option is waived by all of the limited partners and the General Partners, then any terminated interest shall represent the entire interest of the limited partner and not a fraction thereof; (2) the General Partners shall receive a certified copy of such assignment and must approve and accept the same. Any purported transfer or assignment of an interest, or portion thereof, in contravention of the provisions of the Partnership Agreement shall be null and void. The Partnership may charge the assignee or assignor of an interest, or portion thereof, a reasonable fee to defray the Partnership's costs with respect to any such transfer or assignment.
- 3. Termination and Final Distribution. Following the allocation of all items of income, gain, loss, deduction and credit arising during the period of liquidation, the General Partners shall distribute the remaining Partnership Properties; together with the proceeds of any sales of same, as follows:
  - (a) First, all Partnership debts and liabilities to Persons other than Partners shall be paid and discharged;
  - (b) Second, to the setting up of any reserve which the .? General Partners (or liquidator or liquidating committee) in their discretion may deem reasonably necessary for any contingent or unforeseen liabilities or obligations of the Partnership arising out of or in connection with the Partnership. Such funds shall be placed in escrow by the General Partners, (or liquidator or liquidation committee) for the purposes of disbursing such funds in payment of any of the
