DECLARATION COVENANTS AND EASEMENTS FOR STORMWATER MANAGEMENT

This Declaration is made this 18 day of August, 1999, by Mark F. Schafer and Catherine M. Schafer, husband and rafe (the "Schafers").

Recitals

- A. The Schafers own and reside at the property commonly known as 411 Rollwind, Glenview, Illinois and legally described on Exhibit A attached hereto (the Schafer Property"). The Schafer Property is depicted on the me-lot Plat of Schafer Resubdivision recorded simultaneously with this Declaration.
- B. As a condition of approval of the Piet of Schafer Resubdivision, the Village of Glenview (the "Village") has required the granting of contain easements depicted on the Plat and the construction of certain stormwater detention facilities.
- C. In anticipation of a review by the Village in the near future of its stormwater management policies, the Village has agreed to defer installation of the stormwater management facilities, conditioned upon the recording of this Declaration.

Declaration

- 1. The Schafers shall construct the stormwater detention facilities depicted on the Plans dated July 22, 1999 (which Plans have been approved by and are on file with the Village) within three (3) years of the date of recording of the Plat of Schafer Resubdivision. Notwithstanding the foregoing, if the Village amends its stormwater management regulations prior to the expiration of such three-year time period in a manner that requires stormwater detention facilities different from those depicted on the Plans, the Schafers shall revise the Plans accordingly and commence construction of such facilities within twelve (12) months after such regulations are amended.
- 2. The Stormwater Detention Easement depicted on the Plat of Schafer Resubdivision is hereby declared to be for the purpose of providing stormwater detention facilities depicted on the Plans. The 10-foot Ingress and Egress Easement depicted on the Plat of

Schafer Resubdivision is hereby declared to be for the limited purpose of access to the Stormwater Detention Easement and providing subsurface stormwater transmission. Only the Village and its authorized employees and contractors shall have access to these Easements for the purpose of inspecting and, if necessary, maintaining and repairing the stormwater detention facilities in accordance with the Plans. The Village shall provide reasonable advance notice of any entry onto the Easements (it being recognized that, in the event of emergency, advance notice may not be possible). All necessary precautions shall be taken to avoid damage to the landscaping (especially mature trees) and other improvements on the Schafer Property. The Village shall restore the Schafer Property to its pre-existing condition after any such entry onto the Easements.

- 3. The Easements are granted on the express conditions that:
 - In the event the Schafers revise the Plans pursuant to a change in Village regulations as described in Paragraph 1 above, any necessary revisions to the casements shall be made, and a plat of vacation and a new plat of easement shall be recorded.
 - In the event that, as a result of a change in Village regulations, no on-site b. detention is required on the Schafer Property, a plat of vacation shall be recorded which vacate; the Easements.
- This Declaration shall be a covenant running with the land and shall be binding upon the Schafers and their successors in title to the Schafer Property.

IN WITNESS WHEREOF, the Schafers have signed, sealed and delivered this Declaration as of the date and year first above written.
