the other party (or pirries) to these agreements. These agreements may require the morrgage insurer to make pay nents using any source of funds that the mortgage insurer may have available (which may include funds obtained from Mortgage Insurance premiums).

As a result of these agreements, Lender, any purchaser of the Note, another insurer, any reinsurer, any other entity, or any affiliate of any of the foregoing, may receive (directly or indirectly) amounts that derive from (or might be characterized as) a portion of Borrower's payments for Moriga; e Insurance, in exchange for sharing or modifying the morigage insurer's ris', or reducing loss s. Further:

- (A) Any such agreements will not affect the amounts that Borrower has agreed to pay for Mortgage Insurance, or any other terms of the Loan. Such agreements will not increase the an ount Borrower will owe for Mortgage Insurance, and they will not entitle Borrovice to any refund.
