BORROWER, IN consideration of the indebtedness herein recited, does hereby mortgage, grant and convey to Lender and Lender's successors and assigns the following described property located in the County of COOK State of ILLINOIS SEE EXHIBIT "A," ATTACHED HERETO AND INCORPORATED BY REFERENCE HEREIN, which has the address of 11710 S AVENUE J, CHICAGO, IL 60617 * * * * * ("Property Address").

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, fixtures and rents (subject however to the rights and authorities given herein to Lender to collect and apply such rents), all of which shall be deemed to be and remain a part of the property covered by this Security Instrument; and all of the foregoing, together with said property (or the leasehold estate if this Security Instrument is on a leasehold) are hereinafter referred to as the "Property".

TO SECURE to Lender (a) the repayment of the indebtedness evidenced by Borrower's note dated FEBRUARY 09, 2001 and extensions, renewals and modifications thereof (herein "Note"), in the principal sum of U.S. \$19,500.00, with interest thereon, providing for periodic installments of principal and interest, with the balance of the indebtedness, if not sooner paid, due and payable on MARCH 01, 2016; (b) the payment of all other sums, with interest thereon, advanced in accordance herewith to protect the security of this Security Instrument; and (c) the performance of the covenants and agreements of Borrower under this Security Instrument and the Note.

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property, and that the Property is unencumbered except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to encumbrances of record.

BORROWER AND LENDER COVENANT AND AGREE AS FOLLOWS:

1. **Payment of Principal and Interest.** Borrower shall promptly pay when due the principal and interest indebtedness evidenced by the Note and all other charges due under this Security Instrument and due under the Note. Payments due under the Note and this Security Instrument shall be made in U.S. Dollars by check or money order. If any check or other instrument received by Lender as payment is returned to Lender unpaid, Lender may (a) charge Borrower the non-sufficient funds (NSF) fee specified in the Note or, if the Note does not specify any such fee amount, an amount not to exceed the maximum NSF charge permitted by applicable law, and (b) require that any or all subsequent payments be made by money order or with certified funds. If Borrower is in default, Lender may require Borrower to make any payment needed to cure the default by money order or with certified funds. "Certified funds" means a certified check, bank check, treasurer's check or cashier's check, drawn upon an institution whose deposits are insured by a federal agency, instrumentality, or entity.

0013923834

Payments are deemed received by Lender when received at the location designated in the Note or at such other location as may be designated by Lender in accordance with the notice provisions in Section 12. Lender may return any payment(s) or partial payment(s) if the payment(s) or partial payments are insufficient to bring Borrower's obligations current. Lender may accept any payment(s) or partial payment(s) insufficient to bring the Borrower's obligations current, without waiver of any rights hereunder or prejudice to its rights to refuse such payment(s) or partial payments in the future, but Lender is not obligated to apply such payments at the time such payments are accepted. If each periodic payment is applied as of its scheduled due date, then Lender need not pay interest on unapplied funds. Lender may hold such unapplied funds until Borrower makes payment(s) to bring Borrower's obligations current. If not applied earlier, such funds will be applied to the outstanding principal balance under the Note immediately prior to foreclosure.

2. Funds for Escrow Items. At loan origination or at any time thereafter, Lender may require that Borrower pay to Lender on the day periodic payments are due under the Note, until the Note is paid in full, a sum (the "Funds") to provide for payment of amounts due for: (a) taxes and assessments and other items which can attain priority over this Security Instrument as a lien or encumbrance on the Property; (b) leasehold payments or ground rents on the Property, if any; (c) premiums for any and all insurance required by Lender under Section 5; and (d) condominium or homeowners association dues, fees and assessments, if any. These items are called "Escrow Items." Borrower shall promptly furnish to Lender all notices of amounts to be paid under this Section. Any waiver by Lender of Borrower's obligation to pay to Lender Funds may only be in writing.

When Borrower is not required to pay for Escrow Items by paying Funds to Lender, Borrower shall pay directly, when and where payable, the amounts due for any Escrow Items and, if Lender requires, shall furnish to Lender receipts evidencing such payment within such time period as Lender may require. If Borrower is obligated to pay Escrow Items directly and Borrower fails to pay the amount due for an Escrow Item, Lender may exercise its rights under Section 7 and pay such amount and Borrower shall then be obligated under Section 7 to repay to Lender any such amount. Lender may require that Borrower then pay to Lender Funds for any or all Escrow Items by a notice given in accordance with Section 12, and Borrower shall pay to Lender all Funds, and in such amounts, that are then required under this Section 2.

Lender may, at any time, collect and hold Funds in an amount (1) sufficient to permit Lender to apply the Funds at the time specified under the Real Estate Settlement Procedures Act (12 U.S.C. 2601 et seq.) and its implementing regulation, Regulation X (24 C.F.R. Part 3500), as they or any successor legislation or regulation might be amended from time to time ("RESPA") and (2) not to exceed the maximum amount a lender can require under RESPA. Lender shall estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is an institution whose deposits are so insured) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items no later than the time specified under RESPA. Lender shall not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Unless an agreement is made in writing or applicable law requires Lender to pay interest on the Funds, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds as required by RESPA.

0013923834

If there is a surplus of Funds held in escrow, as defined under RESPA, Lender shall account to Borrower for the excess funds in accordance with RESPA. If there is a shortage of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the shortage in accordance with RESPA, but in no more than twelve monthly payments. If there is a deficiency of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the deficiency in accordance with RESPA, but in no more than twelve monthly payments.

Upon payment in full of all sums secured by this Security Instrument Lender shall promptly refund to Borrower any Funds held by Lender. If under Section 17 hereof the Property is sold or the Property is otherwise acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless the Note or applicable law requires otherwise, Lender will apply payments received under Sections 1 and 2 in the order selected by Lender.

4. Prior Mortgages and Deeds of Trust; Charges; Liens. Borrower shall perform all of Borrower's obligations under any mortgage, deed of trust or other security agreement with a lien which has priority over this Security Instrument, including Borrower's covenants to make payments when due. Borrower shall pay or cause to be paid all taxes, assessments and other charges, fines and impositions attributable to the Property (including, without limitation, all dues, fees, assessments and other charges that are imposed on the Property by any applicable condominium association, homeowners association or similar organization), which may attain a priority over this Security Instrument, and leasehold payments or ground rents, if any.

Lender may require Borrower to pay a one-time charge for a real estate tax verification and/or reporting service used by Lender in connection with this loan.

5. Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and any other hazards including, but not limited to, earthquakes and floods, for which Lender requires insurance. This insurance shall be maintained in the amounts (including deductible levels) and for the periods that Lender requires. What Lender requires pursuant to the preceding sentences can change during the term of the loan. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's right to disapprove Borrower's choice, which right shall not be exercised unreasonably. Lender may require Borrower to pay, in connection with this loan, a one-time charge for flood zone determination and certification and a one-time charge for tracking services. Borrower also shall be responsible for the payment of any fees imposed by the Federal Emergency Management Agency in connection with the review of flood zone determination resulting from an objection by Borrower.

0013923834

If Borrower fails to maintain any of the coverages described above, Lender may obtain insurance coverage, at Lender's option and Borrower's expense, pursuant to Section 7 below. Lender is under no obligation to purchase any particular type or amount of coverage. Therefore, such coverage shall cover Lender, but might or might not protect Borrower, Borrower's equity in the Property, or the contents of the Property, against any risk, hazard or liability and might provide greater or lesser coverage than was previously in effect. Borrower acknowledges that the cost of the insurance coverage so obtained might significantly exceed the cost of insurance coverage that Borrower could have obtained.

All insurance policies required by Lender and renewals of such policies shall be subject to Lender's right to disapprove such policies, shall include a standard mortgage clause, and shall name Lender as mortgagee and/or as an additional loss payee. Borrower further agrees to generally assign rights to insurance proceeds to the holder of the Note up to the amount of the outstanding loan balance. Lender shall have the right to hold the policies and renewal certificates. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. If Borrower obtains any form of insurance coverage not otherwise required by Lender, such as credit life and/or disability insurance or earthquake or other hazard insurance for damage to, or destruction of, the Property, such policy shall include a standard mortgage clause and shall name Lender as mortgagee and/or as an additional loss payee, and Borrower further agrees to generally assign rights to insurance proceeds to the holder of the Note up to the amount of the outstanding loan balance.

If the Property is a unit in a condominium, cooperative or planned unit development (the "Project") and the Project is covered by a master or blanket policy maintained by the Project's owners association, in the event of a distribution of any hazard insurance proceeds, including without limitation any earthquake or special hazards insurance whether or not such coverage was specifically required by Lender, in lieu of restoration or repair following a loss to the Property and/or the Project, any proceeds payable to Borrower and/or Lender for a loss to the Property are hereby assigned and shall be paid to Lender for application to sums secured by this Security Instrument, with any excess paid to Borrower. Borrower shall take such actions as may be reasonable to insure that the Project's owners association maintains a public liability insurance policy acceptable to Lender.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. Unless Lender and Borrower otherwise agree in writing, any insurance proceeds, whether or not the underlying insurance was required by Lender, shall be applied first to reimburse Lender for costs and expenses incurred in connection with obtaining the proceeds, and then, at Lender's option and in the order and proportion as Lender may determine in its sole and absolute discretion regardless of any impairment or lack of impairment of any security, as follows: (a) to the extent allowed by applicable law, to the sums secured by this Security Instrument in a manner that Lender determines and/or (b) to restoration or repair of the Property to a condition satisfactory to Lender, such

0013923834

application to be made in the manner and at the times as determined by Lender. During any repair and restoration period, Lender shall have the right to hold such insurance proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. Unless an agreement is made in writing or applicable law requires interest to be paid on such insurance proceeds, Lender shall not be required to pay Borrower any interest or earnings on such proceeds. Fees for public adjusters, or other third parties, retained by Borrower shall not be paid out of the insurance proceeds and shall be the sole obligation of Borrower.

If Borrower abandons the Property, Lender may file, negotiate and settle any available insurance claim and related matters. If Borrower does not respond within 30 days to a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property under Section 17 or otherwise, Borrower hereby assigns to Lender (1) Borrower's rights to any insurance proceeds in an amount not to exceed the amounts unpaid under the Note or this Security Instrument, and (2) any other of Borrower's rights (other than the right to any refund or unearned premiums paid by Borrower) under all insurance policies covering the Property, insofar as such rights are applicable to the coverage of the Property. Lender may use the insurance proceeds either to repair or restore the Property or to pay amounts unpaid under the Note or this Security Instrument, whether or not then due.

If any insurance proceeds are used to reduce the amount of principal owing to Lender under the Note, that use will not delay the due date or change the amount of regularly scheduled payments under the Note, unless Lender and Borrower agree to such delay or change in writing.

6. Preservation and Maintenance of Property; Assignment of Rights for Injury to Property. Borrower shall keep the Property in good repair, not commit waste or permit impairment or deterioration of the Property, comply with the provisions of any lease if this Security Instrument is on a leasehold, and, if this Security Instrument is on a unit in a Project, (a) perform all of Borrower's obligations under the declaration or covenants creating or governing the Project, the by-laws and regulations of the Project, and constituent documents, and (b) pay when due all dues, fees, assessments and other charges that are imposed on Borrower or the Property by the condominium association, homeowners association or similar organization.

An assignment is a transfer of rights to another. Borrower may have rights to bring legal action against persons, other than Lender, for injury or damage to the Property or in connection with the loan made by Lender and which arose or will arise before or after the date of this Security Instrument. These rights to bring legal action may include an action for breach of contract, fraud, concealment of a material fact or for intentional or negligent acts. Borrower assigns these rights, and any proceeds arising from these rights, as permitted by applicable law, to Lender. Lender may, at

0013923834

its option, enforce these rights in its own name and may apply any proceeds resulting from this assignment to sums secured by this Security Instrument after deducting any expenses, including attorneys' fees, incurred in enforcing these rights. At the request of Lender, Borrower will sign any further assignments or other documents that may be necessary to enforce this assignment.

7. Protection of Lender's Security. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or if any action or proceeding is commenced which might materially affect Lender's interest in the Property (such as a legal proceeding in bankruptcy, in probate, for condemnation, or to enforce laws or ordinances), or if Borrower abandons the Property, then Lender may do and pay for whatever it deems reasonable or appropriate to protect Lender's interest in the Property and rights under this Security Instrument. Lender's actions may include, without limitation, appearing in court, paying reasonable attorneys' fees, purchasing insurance required under Section 5 above (such insurance may cost more and provide less coverage than the insurance Borrower might purchase), and paying any sums secured by a lien which has priority over this Security Instrument. Any amounts disbursed by Lender under this Section 7 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment. Nothing contained in this Section 7 shall require Lender to incur any expense or take any action hereunder.

Lender also may charge Borrower fees for services performed in connection with Borrower's default for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument, including, but not limited to, property inspection and valuation fees. In regard to any other fees, the absence of express authority in this Security Instrument to charge a specific fee to Borrower shall not be construed as a prohibition on the charging of such fee. Lender may not charge fees that are expressly prohibited by this Security Instrument or by applicable law.

If Lender required mortgage insurance as a condition of making the loan, Borrower shall pay the premiums required to maintain such insurance in effect until such time as the requirement for such insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

In the event Borrower is subject of a bankruptcy proceeding and delinquent amounts owing under the Note and/or this Security Agreement are to be paid according to a plan requiring approval of the bankruptcy court, Borrower agrees that such bankruptcy plan shall provide for interest on all delinquent amounts being paid through the plan (including, without limitation, principal, interest or periodic finance charges, fees and charges under the Note, and Lender advances, fees and charges under this Security Instrument) at the then current rate of interest provided in the Note.

8. Inspection. Lender may make or cause to be made reasonable entries upon and inspections of the Property, provided that Lender shall give Borrower notice prior to any such inspection specifying reasonable cause for the inspection.

0013923834

9. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of the Property, or part thereof, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender, subject to the terms of any mortgage, deed of trust or other security agreement with a lien which has priority over this Security Instrument.

10. Borrower Not Released; Forbearance By Lender Not a Waiver; No Offset. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release, in any manner, the liability of the original Borrower and Borrower's successors in interest. Lender shall not be required to commence proceedings against such successor or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower and Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any such right or remedy. No offset or claim which Borrower might have now or in the future against Lender shall relieve Borrower from making payments due under the Note and this Security Instrument or performing the covenants and agreements secured by this Security Instrument.

11. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements herein contained shall bind, and the rights hereunder shall inure to, the respective successors and assigns of Lender and Borrower, subject to the provisions of Section 16 hereof. All covenants and agreements of Borrower shall be joint and several. Any Borrower who co-signs this Security Instrument, but does not execute the Note, (a) is co-signing this Security Instrument only to grant and convey that Borrower's interest in the Property under the terms of this Security Instrument, (b) is not personally liable on the Note or under this Security Instrument, and (c) agrees that Lender and any other Borrower hereunder may agree to extend, modify, forbear, or make any other accommodations with regard to the terms of this Security Instrument or the Note, without that Borrower's consent and without releasing that Borrower or modifying this Security Instrument as to that Borrower's interest in the Property.

12. Notice; Notice of Grievance. Except for any notice required under applicable law to be given in another manner, (a) any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing such notice by first class mail addressed to Borrower at the Property Address or at such other single address as Borrower may designate by notice to Lender as provided herein, and (b) any notice to Lender shall be given by first class mail to Lender's address stated herein or to such other single address as Lender may designate by notice to Borrower as provided herein. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given in the manner designated herein.

Neither Borrower nor Lender may commence, join, or be joined to any judicial action (as either an individual litigant or the member of a class) that arises from the other party's actions pursuant to this Security Instrument or that alleges that the other party has breached any provision of, or any duty owed by reason of, this Security

0013923834

Instrument, until such Borrower or Lender has notified the other party (with such notice given in compliance with this Section 12) of such alleged breach and afforded the other party hereto a reasonable period after the giving of such notice to take corrective action. If applicable law provides a time period which must elapse before certain action can be taken, that time period will be deemed to be reasonable. The notice of acceleration and opportunity to cure given to Borrower pursuant to Section 16 shall be deemed to satisfy the notice and opportunity to take corrective action provisions of this Section 12.

13. Governing Law; Severability; Loan Charges. This Security Instrument shall be governed by federal law, rules, and regulations, including those for federally chartered savings institutions and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision, and to this end the provisions of this Security Instrument and the Note are declared to be severable. As used herein, "costs", "expenses" and "attorneys' fees" include all sums to the extent not prohibited by applicable law or limited herein.

If a law which sets maximum loan charges is finally interpreted so that such law is applicable to Lender and that the interest or other loan charges collected or to be collected in connection with the Note or the Security Instrument exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge (whether or not a prepayment charge is provided for under the Note). Borrower's acceptance of any such refund made by direct payment to Borrower will constitute a waiver of any right of action Borrower might have arising out of such overcharge.

14. Borrower's Copy; Modification; Clerical Errors; Replacement Documents. Borrower shall be furnished a conformed copy of the Note and of this Security Instrument at the time of execution or after recordation hereof. The Note and/or this Security Instrument may be modified or amended only by an agreement in writing signed by Borrower and Lender. In the event Lender at any time discovers that the Note and/or this Security Instrument contains an error caused by a clerical mistake or calculation, computer, printing or similar error, Borrower agrees to reexecute the document(s) containing the error and to hold Lender harmless for any such error. If any document evidencing this loan is lost, stolen, mutilated or destroyed, and Lender delivers a signed indemnification in Borrower's favor, then Borrower agrees to sign and deliver to Lender a replacement document identical in form and content which will have the effect of the original for all purposes.

0013923834

15. Borrower's Loan Application. Borrower shall be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note.

Lender extended Borrower this loan in reliance upon Borrower's representation in the loan application that Borrower intends to occupy the Property as Borrower's principal residence. Lender may have provided Borrower more favorable loan terms, such as a lower interest rate in the Note or a higher loan-to-value, than otherwise would have been made available in the absence of Borrower's representation. Borrower agrees to occupy, establish and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and to continue to occupy the Property as Borrower's principal residence for at least one year thereafter, unless extenuating circumstances exist which are beyond Borrower's control.

16. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred), Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

17. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under Section 16 unless applicable law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, foreclosure by judicial proceeding and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the non-existence of a default or any other defense of Borrower to acceleration and foreclosure. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may foreclose this Security Instrument by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 17, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

0013923834

18. Borrower's Right to Reinstate. Notwithstanding Lender's acceleration of the sums secured by this Security Instrument due to Borrower's breach, Borrower shall have the right to have any proceedings begun by Lender to enforce this Security Instrument discontinued at any time prior to entry of a judgment enforcing this Security Instrument or any such other earlier period as applicable law might specify for the termination of Borrower's right to reinstate, if: (a) Borrower pays Lender all sums which would be then due under this Security Instrument and the Note had no acceleration occurred; (b) Borrower cures all breaches of any other covenants or agreements of Borrower contained in this Security Instrument, and in enforcing Lender's remedies as provided in Section 17 hereof, including, but not limited to, reasonable attorneys' fees, and (c) Borrower takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's interest in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unimpaired. Upon such payment and cure by Borrower, this Security Instrument and the obligations secured hereby shall remain in full force and effect as if no acceleration had occurred. However, the right to reinstate shall not apply in the case of acceleration under Section 16.

19. Assignment of Rents; Appointment of Receiver; Lender in Possession. As additional security hereunder, and to the extent permitted by applicable law, Borrower hereby assigns to Lender the rents of the Property, provided that Borrower shall, prior to acceleration under Section 17 hereof or abandonment of the Property, have the right to collect and retain such rents as they become due and payable.

Upon acceleration under Section 17 hereof or abandonment of the Property, Lender, in person, by agent or by judicially appointed receiver shall be entitled to enter upon, take possession of and manage the Property and to collect the rents of the Property, including those past due. All rents collected by Lender or the receiver shall be applied first to payment of the costs of management of the Property and collection of rents, including, but not limited to, receiver's fees, maintenance and repairs of the Property, premiums on receiver's bonds and reasonable attorneys' fees, and then to the sums secured by this Security Instrument. Lender and the receiver shall be liable to account only for those rents actually received.

20. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument. Borrower shall pay any recordation costs. Lender may charge Borrower a fee for releasing this Security Instrument, but only if the fee is paid to a third party for services rendered and the charging of the fee is permitted, whether expressly or by lack of express prohibition, under applicable law. If the fee charged does not exceed any maximum fee set by applicable law, the fee is conclusively presumed to be reasonable.

21. Statement of Obligations. Lender may collect a fee of \$40.00 for furnishing a statement of obligation, payoff demand statement, or any similar statement. Lender will deliver such statement by first class mail. If Lender is requested by Borrower or Borrower's agent to deliver such statement by facsimile transmission, Lender may collect a special handling charge of \$10 for each such delivery and need not send a copy of such statement by first class mail.

22. Waiver of Homestead. In accordance with Illinois law, Borrower hereby releases and waives all rights under and by virtue of the Illinois homestead exemption laws.
