insurance. If Lender required Mortgage Insurance as a condition of making the Loan and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to maintain Mortgage Insurance in effect, or to provide a non-refundable loss reserve, until Lender's requirement for Mortgage Insurance ends in accordance with any written agreement terween Borrower and Lender providing for such termination or until termination is required by Applicable Law. Nothing in this Section 10 affects Borrower's obligation to pay interest at the rate provided in the Note.

Mortgage Insurance reimburses Lender (or any entity that purchases the Note) for certain losses it may i scur if Borrower does not repay the Loan as agreed. Borrower is not a party to the Mortgage Insurance.

Mortgage insurers evaluate their total risk on all such insurance in force from turne to time, and may enter into agreements with other parties that share or modify their risk, or reduce losses. These agreements are on terms and conditions that are satisfactory to the mortgage insurer and the other party (or parties) to these a greements. These agreements may require the mortgage insurer to make payments using any source of funds that the morrgage insurer may have available (which may include funds obtained from Morrgage Insurance

As a result of these agreements, Lender, any purchaser of the Note, another insurer, any reinsurer, any o her entity, or any affuicte of any of the foregoing, may receive (directly or indirectly) amounts that derive from (or might be characterized as) a portion of Borrower's payments for Mortgage Insurance, in exchange for sharing or modifying the mortgage insurer's risk, or reducing losses. If such agreement provides that an a filiate of Lender takes a shale of the insurer's risk in exchange for a share of the premiums paid to the ir surer, the arrangement is often termed "captive reinsurance." Further:

- (a) Any such agreements will not affect the amounts that Borrower has agreed to pay for Mortgage Insurance, or any other terms of the Loan. Such agreements will not increase the amount Borrower will owe for Mortgage Insurance, and they will not entitle Borrower to any refund.
- (b) Any such agreements will not affect the rights Borrower has if any with respect to the N ortgage Insurance under the Homeowners Profection Act of 1998 or any other law. These rights may include the right to receive certain disclosures, we request and obtain cancellation of the Mortgage It surance, to have the Mortgage Insurance terminated sutomatically, and/or to receive a refund of any Mortgage Insurance premiums that were unearned at the arme of such cancellation or termination.
- 11. Assignment of Miscellaneous Proceeds; Forfeituce. All Miscellaneous Proceeds are hereby as signed to and shall be paid to Lender.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such discellaneous Proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's sa isfaction, provided that such inspection shall be undertaken promptly. Lender may only for the repairs and re toration in a single disbursement or in a series of progress payments as the work is completed. Unless an ag eement is made in writing or Applicable Law requires interest to be paid on such Miscella ecus Proceeds, Lender shall not be required to pay Borrower any interest or earnings on such Miscellaneous Proceeds. If the restoration or repair is not economically feasible or Lender's security would be lessened, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due with the excess, if any, paid to Borrower.
