SEE ATTACHED EXHIBIT A

Further, this quitclaim deed ("Deed") is made and executed upon, and is subject to certain express conditions and covenants hereinafter contained, said conditions and covenants being a part of the consideration for the Property and are to be taken and construed as running with the land, which covenants and conditions are as follows:

FIRST: Grantee shall pay real estate taxes and assessments on the Property or any part thereof when due. Prior to the issuance by Grantor of a Certificate of Compliance or Certificate of Completion ("Certificate"), Grantee shall not encumber the Property, except as permitted by that certain Agreement for the Sale and Redevelopment of Land entered into by Grantor and Grantee on November 4, 1998 ("Agreement"). Grantee shall not suffer or permit any levy or attachment to be made or any other encumbrance or lien to attach to the Property except as permitted by the Agreement, until Grantor issues a Certificate for the Property.

SECOND: Grantee shall promptly commence the construction of the Project (as defined in the Agreement) in accordance with those certain plans and specifications dated December 10, 1996, approved by Grantor and the terms of the Agreement and shall diligently proceed with the construction of the Project to completion; provided, that, in any event, construction of the Project shall commence within three(3) months of the execution date of the Agreement, and shall be completed within twenty-four(24) months of said execution date. In the event Grantee wishes to make any change in regard to the use of the Property, such change in use and any corresponding drawings regarding said change of use must be approved in writing by the Commissioner of the Department of Housing of the City of Chicago.

THIRD: Until Grantor certifies in writing that the home on the Parcel has been completed in accordance with the Drawings and consistent with the terms of the Agreement, Grantee shall have no right to convey any right, title or interest in the Property except as permitted by the terms of this

Deed and the Agreement. For purposes of this section, the term convey includes the assignment of a beneficial interest in a land trust. To the extent that the provisions of this paragraph Third conflict with the provisions contained in the Agreement, the provisions of the Agreement shall govern.

FOURTH: Grantee agrees for itself and any successor in interest not to discriminate based upon race, religion, color, sex, national origin or ancestry, handicap, sexual orientation, military status or source of income in the sale, lease, or rental of the Property or any part thereof or of any improvements erected or to be erected thereon or any part thereof.

The covenants and agreements contained in the covenants numbered **FIRST**, **SECOND** and **THIRD** shall terminate on the date Grantor issues the Certificate as herein provided except only that the termination of the covenant numbered **FIRST** shall in no way be construed to release Grantee from its obligation to pay real estate taxes and assessments on the Property or any part thereof. The covenant numbered **FOURTH** shall remain in effect without any limitation as to time.

In the event that subsequent to the conveyance of the Property and prior to delivery of the Certificate by Grantor, Grantee defaults in or breaches any of the terms or conditions of the Agreement which have not been cured or remedied within the period and in the manner provided for in the Agreement, Grantor may re-enter and take possession of the Property and terminate the estate conveyed by this Deed, and such title, right and interest of Grantee, or any assigns or successors in interest, to and in the Parcel shall revert to Grantor. Said right of re-entry by Grantor shall terminate upon the issuance of the Certificate by Grantor.

Notwithstanding any of the provisions of this Deed, including but not limited to those which are intended to be covenants running with the land, the holder of any mortgage or trust deed or a holder who obtains title to the Property or any part thereof, as a result of foreclosure of such mortgage or trust deed shall not be obligated by the provisions of this Deed to construct or complete the construction of the Project or to guarantee such construction or completion; nor shall any covenant or any other provision in this Deed be construed to so obligate such holder.

Promptly after the completion of each home of the Project, in accordance with the Drawings and consistent with the terms of the Agreement, Grantor shall furnish Grantee with a Certificate as outlined in Section 4.7 of the Agreement. The Certificate shall be a conclusive determination of satisfaction and termination of the agreements and covenants contained in the Agreement and in this Deed with respect to the construction of the home on the Parcel.

The Certificate shall be in such form as will enable it to be recorded in the proper office for the recordation of deeds and other instruments pertaining to the Property. Once the Certificate is recorded, the Agreement shall no longer be deemed to be a title encumbrance on the Property.
