Mortgage Insurance, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the previous coverage in effect, at a cost substantially equivalent to the cost to Borrower of the Mortgage Insurance in effect, from an alternate mortgage insurer selected by Lender. If substantially equivalent insurance previously in effect, is not available, Borrower shall continue to pay to Lender the amount of the Mortgage Insurance coverage is not available, Borrower shall cease to be in effect. Lender will separately designate payments that were due when the insurance coverage ceased to be in effect. Lender will accept, use and retain these payments as a non-refundable loss reserve in lieu of Mortgage Insurance. Such loss reserve shall be non-refundable, notwithstanding the fact that the loan is ultimately paid in full, and Lender shall not be required to pay Borrower any interest or earnings on such loss reserve. Lender can no longer require loss reserve payments if Mortgagelender selected by Lender again becomes available, is obtained, and Lender requires separately designated payments toward the premiums for Mortgage Insurance coverage (in the amount and for the period that Lender requires it to make the loan and Borrower was required to make separately designated Mortgage Insurance as a condition of making the loan and Borrower shall pay the premiums required to maintain Mortgage Insurance in effect, or to provide a non-refundable loss reserve, until Lender providing for such termination is required by an agreement between Borrower and Lender providing for Mortgage Insurance ends in accordance with the Note. Mortgage Insurance evaluates their total risk on all such insurance in force from time to time, and may enter into agreements with other parties that share or modify their risk, or reduce losses. These agreements are on terms and conditions that are satisfactory to the mortgagelender and the other party (or parties) to these agreements. These agreements may have available (which may include funds obtained from Mortgage Insurance premiums). As a result of these agreements, Lender, any purchaser of the Note, another insurer, any reinsurer, any other entity, or any affiliate of any of the foregoing, may receive (directly or indirectly) amounts that derive from (or might be characterized as) a portion of Borrower's payments for Mortgage Insurance, in exchange for sharing or modifying the mortgagelender's risk, or reducing losses. If such agreement provides that an affiliate of Lender takes a share of the mortgagelender's risk in exchange for a share of the premiums paid to the insurer, the arrangement is often termed "captive reinsurance." Further:

(a) Any such agreements will not affect the amounts that Borrower has agreed to pay for Mortgage Insurance, or any other terms of the loan. Such agreements will not increase the amount Borrower will owe for Mortgage Insurance, and they will not entitle Borrower to any refund.

(b) Any such agreements will not affect the rights Borrower has - if any - with respect to the Mortgage Insurance under the Homeowners Protection Act of 1998 or any other law. These rights may include the right to receive certain disclosures, to request and obtain cancellation of the Mortgage Insurance, to have the Mortgage Insurance terminated automatically, and/or to receive a refund of any Mortgage Insurance premiums that were unearned at the time of such cancellation or termination.

11. Assignment of Miscellaneous Proceeds; Future. All Miscellaneous Proceeds are hereby assigned to the Borrower any opportunity to inspect such Property to ensure the right to hold such Miscellaneous Proceeds, unless an agreement is made in writing or applicable law requires interest to be paid on such Miscellaneous Proceeds. If the restoration or repair is not paid by Borrower any interest or earnings on such Miscellaneous Proceeds, Lender shall not be required to pay Borrower any interest or earnings on such Miscellaneous Proceeds if the work is completed. Unless an agreement is made in writing or in a series of progress payments as the work is completed. Unless an agreement is made in that such inspection shall be undertaken promptly. Lender may pay for the repairs and restoration in a single payment and shall be paid to Lender.

If the property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the property, if the restoration or repair is economically feasible under the circumstances, whether or not then due, with the excess, if any, paid to Borrower. Such sums secured by this Security instrument, whether or not then due, with the excess, if any, paid to Borrower. Such economically feasible or Lender's security would be lessened, the Miscellaneous Proceeds shall be applied to the repair and restoration period, Lender shall have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect such Property to ensure the right to hold such Miscellaneous Proceeds. During such repair and restoration period, Lender may pay for the repairs and restoration in a single payment and shall be paid to Lender.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

22. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following the action required to cure the default made; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default may be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the note secured by this Security Instrument, unless Acceleration of the note is specifically provided for in the note.

23. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument, but only if the fee is paid to a third party for services rendered and the charging of the fee is permitted under Applicable Law.

24. Waiver of Homestead. In accordance with Illinois law, the Borrower hereby releases and waives all rights under and by virtue of the Illinois homestead exemption laws.

25. Placement of Collateral Protection Insurance. Unless Borrower provides Lender with evidence of the insurance coverage required by Borrower's agreement with Lender, Lender may purchase insurance at Borrower's expense to protect Lender's interests in Borrower's collateral. This insurance may not pay any claim that Borrower has against Lender, but only after providing Lender with evidence that Borrower has obtained insurance as required by Lender, only after providing Lender with evidence that Borrower may later cancel any insurance purchased by Borrower's and Lender's agreement. If Lender purchases insurance for the collateral, Borrower may impose costs of the insurance on the Borrower, until the effective date of the cancellation or expiration of the insurance. The costs of placement of the insurance, including outstanding balance or obligation, may be added to Borrower's total outstanding balance or obligation. The costs of the insurance may be more than the cost of insurance Borrower may be able to obtain on its own.
