that Lender shall have performed one or more of the foregoing acts or things shall not require Lender to do any other specific act or thing.

APPLICATION OF RENTS. All costs and expenses incurred by Lender in connection with the Property shall be for Grantor's account and Lender may pay such costs and expenses from the Rents. Lender, in its sole discretion, shall determine the application of any and all Rents received by it; however, any such Rents received by Lender which are not applied to such costs and expenses shall be applied to the Indebtedness. All expenditures made by Lender under this Assignment and not reimbursed from the Rents shall become a part of the Indebtedness secured by this Assignment, and shall be payable on demand, with interest at the Note rate from date of expenditure until paid.

FULL PERFORMANCE. If Grantor pays all of the Indebtedness when due and otherwise performs all the obligations imposed upon Grantor under this Assignment, the Note, and the Related Documents, Lender shall execute and deliver to Grantor a suitable satisfaction of this Assignment and suitable statements of termination of any financing statement on file evidencing Lender's security interest in the Rents and the Property. Any termination fee required by law shall be paid by Grantor, if permitted by applicable law.

REINSTATEMENT OF SECURITY INTEREST. If payment is made by Borrower, whether voluntarily or otherwise, or by guarantor or by any third party, on the Indebtedness and thereafter Lender is forced to remit the amount of that payment (A) to Borrower's trustee in bankruptcy or to any similar person under any federal or state bankruptcy law or law for the relief of debtors; (B) by reason of any judgment, decree or order of any court or administrative body having jurisdiction over Lender or any of Lender's property, or (C) by reason of any settlement or compromise of any claim made by Lender with any claimant (including without limitation Borrower), the Indebtedness shall be considered unpaid for the purpose of enforcement of this Assignment and this Assignment shall continue to be effective or shall be reinstated, as the case may be, notwithstanding any cancellation of this Assignment or of any note or other instrument or agreement evidencing the Indebtedness and the Property will continue to secure the amount repaid or recovered to the same extent as if that amount never had been originally received by Lender, and Grantor shall be bound by any judgment, decree, order, settlement or compromise relating to the Indebtedness or to this Assignment.

LENDER'S EXPENDITURES. If any action or proceeding is commenced that would materially affect Lender's interest in the Property or if Grantor fails to comply with any provision of this Assignment or any Related Documents, including but not limited to Grantor's failure to discharge or pay when due any amounts Grantor is required to discharge or pay under this Assignment or any Related Documents, Lender on Grantor's behalf may (but shall not be obligated to) take any action that Lender deems appropriate, including but not limited to discharging or paying all taxes, liens, security interests, encumbrances and other claims, at any time levied or placed on the Rents or the Property and paying all costs for insuring, maintaining and preserving the Property. All such expenditures incurred or paid by Lender for such purposes will then bear interest at the rate charged under the Note from the date incurred or paid by Lender to the date of repayment by Grantor. All such expenses will become a part of the Indebtedness and, at Lender's option, will (A) be payable on demand; (B) be added to the balance of the Note and be apportioned among and be payable with any installment payments to become due during either (1) the term of any applicable insurance policy; or (2) the remaining term of the Note; or (C) be treated as a balloon payment which will be due and payable at the Note's maturity.
