17, 2000], demising a portion of the Property (as the same may be amended or supplemented from time to time with the written consent of Lender, the "Lease"); and

WHEREAS, Lender and Tenant wish to enter into this Agreement (i) to confirm the subordination of the Lease to the lien of the Mortgage, (ii) to provide that Tenant's possession of the Demised Premises (as hereinafter defined) will not be disturbed in the event of foreclosure, (iii) to provide that Tenant will attorn to Purchaser (as hereinafter defined) and Purchaser will recognize Tenant and (iv) to provide for certain other matters;

NOW, THEREFORE, in consideration of the premises and the execution of this Agreement by the parties, Lender and Tenant hereby agree as follows:

1. Definitions. For the purposes of this Agreement, the following terms shall have the following meanings:

Demised Premises: The portion of the Property now or hereafter demised under the Lease.

Person: An individual, partnership, corporation, business trust, joint stock company, trust, unincorporated association, joint venture, governmental authority or other entity of whatever nature.

Purchaser: Any Person acquiring the Property (i) in any foreclosure or any action or proceeding (judicial or nonjudicial) instituted under or in connection with the Mortgage, (ii) by delivery of a deed or assignment given in lieu of foreclosure, or (iii) by order of the United States Bankruptcy Court, and, with respect to (i), (ii) and (iii) such Person's successors and assigns.

2. Subordination. The Lease and Tenant's interest thereunder is now and at all times shall continue to be subject and subordinate in each and every respect (except as otherwise expressly provided in this Agreement) to the Mortgage and to the lien of the Mortgage.

3. Nondisturbance. So long as the Lease is in full force and effect and there exists no default under the Lease that (i) continues beyond the expiration of any applicable notice and grace period and (ii) would permit Landlord to terminate the Lease, (a) neither Lender nor Purchaser shall terminate the Lease nor shall Lender or Purchaser disturb or affect Tenant's leasehold estate, use and possession of the Demised Premises in accordance with the terms of the Lease or any rights of Tenant under the Lease by reason of the subordination of the Lease to the Mortgage or in any foreclosure action or any other action or proceeding (judicial or otherwise) instituted under or in connection with the Mortgage, unless such right would have independently existed pursuant to the Lease and (b) Tenant shall not be named or joined in any foreclosure action or other proceeding to enforce the Mortgage unless such joinder shall be required by law.

4. Attornment and Recognition.

(a) If the interests of Landlord under the Lease shall be transferred to a Purchaser, (x) Tenant shall be bound to Purchaser under all of the then executory terms, covenants and conditions of the Lease for the balance of the term thereof remaining and any extensions or renewals thereof which may be effected by Tenant in accordance with any option therefor in the

Lease, with the same force and effect as if Purchaser were the landlord under the Lease, (y) Purchaser shall recognize the rights of Tenant under the Lease and (z) the Lease shall continue in full force as a direct lease between Tenant and Purchaser and the respective executory rights and obligations of Tenant and Purchaser, to the extent of the then remaining balance of the term of the Lease and any such extensions and renewals, shall be and are the same as set forth therein; provided that, Purchaser shall not be:

(i) liable for any act or omission of or default by Landlord or any prior landlord under the Lease, except to the extent such default continues after Purchaser succeeds to Landlord's interest under the Lease beyond any applicable notice and grace periods available to Purchaser under the Lease or this Agreement for the cure of such default;

(ii) subject to any credits, claims, setoffs or defenses which Tenant might have against Landlord or any prior landlord as a result of any acts or omissions of Landlord or any prior landlord;

(iii) bound by any fixed rent, basic rent, additional rent or other amounts which Tenant may have paid to Landlord more than thirty days in advance of the month to which such payments relate, and all such prepaid rent and additional rent shall remain due and owing without regard to such prepayment;

(iv) bound by any amendment or modification of the Lease made after the date hereof without Lender's prior written consent;

(v) responsible for the making of repairs in or to the Property in the case of damage or destruction of the Property or any part thereof due to fire or other casualty or by reason of a condemnation, unless Purchaser (as Landlord under the Lease) shall be obligated under the Lease to make such repairs and shall have received insurance proceeds or condemnation awards sufficient to finance the completion of such repairs;

(vi) obligated to make any payment to Tenant required to be made by Landlord prior to the date on which the interests of Landlord under the Lease are transferred to Purchaser except for (x) the timely return of any security deposit actually received by Purchaser and (y) the credit or refund to Tenant as provided in the Lease of any prepayment of rent or other charges paid by Tenant if such prepayment is actually received by Purchaser;

(vii) liable under any indemnity provision of whatever nature contained in the Lease, including, but not limited to, any environmental indemnification, except to the extent any such liability arises after Purchaser shall have succeeded to Landlord's interest under the Lease; or

(viii) liable for any obligation of Landlord under the Lease accruing after an assignment by Purchaser of its interest under the Lease, provided such obligation has been assumed by Purchaser's assignee;

(b) Tenant hereby agrees to attorn to Purchaser, including Lender if it be the Purchaser, as its landlord, said attornment to be effective and self-operative upon Purchaser's

succeeding to the interest of Landlord under the Lease without the execution of any further instruments. Tenant agrees, however, to execute and deliver at any time, and from time to time, upon the request of Purchaser or any other holder(s) of any indebtedness or other obligations secured by the Mortgage, any instrument or certificate which, in its sole judgment, Landlord, Purchaser or such other holder(s), as the case may be, deems necessary or appropriate in any such foreclosure proceeding or conveyance in lieu of foreclosure or otherwise to evidence such attornment. Upon such attornment the Lease shall continue in full force as a direct lease between Tenant and Purchaser and the respective rights and obligations of Tenant and Purchaser upon such attornment, to the extent of the then remaining balance of the term of the Lease and any such extensions and renewals, shall be and are the same as now set forth in the Lease, as modified by this Agreement.

(c) If a Purchaser shall succeed to the interests of landlord under the Lease by reason of a foreclosure or otherwise:

(i) The liability of Purchaser under the Lease for damages or otherwise shall be limited to Purchaser's interest in the Property including rents therefrom. Neither Purchaser nor any of the directors, officers, employees, shareholders, partners, principals, agents or servants of Purchaser shall have any liability (personal or otherwise) hereunder beyond Purchaser's interest in the Property.

(ii) No other property or assets of Purchaser or any property of the directors, officers, employees, shareholders, partners, principals, agents or servants of Purchaser shall be subject to levy, execution or other enforcement procedure for the satisfaction of Tenant's remedies hereunder or under the Lease.

5. Covenants of Tenant.

(a) Tenant agrees for the benefit of Lender that, so long as the Mortgage remains a lien upon the Property, Tenant will not:

(i) pay any rent more than 30 days in advance of accrual;

(ii) surrender Tenant's estate under the Lease unless expressly provided under the terms of the Lease;

(iii) consent to any modification or amendment to the terms of the Lease without consent of Lender; or

(iv) consent to termination of the Lease by Landlord thereunder, unless such termination is a unilateral termination by Landlord pursuant to the Lease.

(b) If any act or omission of Landlord would give Tenant the right, immediately or after notice or lapse of a period of time or both, to cancel or terminate the Lease or to claim a partial or total eviction or constructive eviction, Tenant shall not exercise such right and no notice of cancellation, termination or abatement of rents, additional rents or other sums shall be effective, unless and until:

(i) Tenant has given written notice of such act or omission to Landlord and Lender;

(ii) Neither Landlord nor Lender shall have cured the same within the time limits set forth in the Lease; and

(iii) Lender shall have failed to remedy such act or omission within a reasonable period of time following receipt of such notice.

(c) Tenant shall promptly notify Lender of any default by Landlord under the Lease or any circumstance which would entitle Tenant to cancel or terminate the Lease or abate the rents, additional rents or other sums payable thereunder at the same time as such a notification is delivered to Landlord.

6. Payment to Lender. After notice is given to Tenant by Lender that, pursuant to the Mortgage, the rentals under the Lease should be paid to Lender, Tenant shall pay to Lender, or in accordance with the directions of Lender, all rentals and other monies then due and to become due to Landlord under the Lease, and Landlord hereby expressly authorizes Tenant to make such payments to Lender and hereby fully releases and discharges Tenant of, and from any liability to Landlord on account of any such payments.

7. Successors and Assigns. This Agreement shall inure to the benefit of and shall be binding upon Tenant, Landlord and Lender and any Purchaser, and their respective heirs, personal representatives, successors and assigns.

8. Choice of Law. This Agreement shall be governed by and construed in accordance with the laws of the State of New York, without giving effect to any principles of conflict of laws.

9. Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts, and all of said counterparts taken together shall be deemed to constitute one and the same instrument.

10. Recording. This Agreement may be recorded in the Cook County, Illinois real property records by Tenant at Tenant's sole cost and expense. After the termination of the Lease, promptly upon request by Lender or Purchaser, Tenant shall, at Tenant's sole cost and expense, execute and record in the same office an instrument in a form reasonably requested by Lender or Purchaser to evidence that the Lease has been terminated and that this Agreement is of no further force or effect.

11. Consent by Landlord. Landlord is executing this Agreement for the purpose of (i) evidencing its consent hereto, (ii) agreeing to be bound by the provisions of Paragraph 6 hereof and (iii) acknowledging that nothing contained herein or resulting from the parties' performance hereof creates any offsets, defenses or claims under the Mortgage, the loan documents related thereto or the Lease. Lender and Tenant acknowledge that nothing contained herein is intended to modify the Mortgage or the loan documents related thereto.
