Borrower acknowledges that the cost of the insurance coverage so obtained might significantly exceed the cost of insurance that Borrower could have obtained. Any amounts disbursed by Lender under this Section 5 shall become additional debt of Borrower secured by this Sec urity Instrument. These am units shall bear interest at the Note rate from the date of disbursement and shall be payable, with such inti test, upon nonce from Lender to Borrower requesting payment.

All insurance policies required by Lender and renewals of such policies shall be subject to Lender's right to disapprove such policies, shall include a standard mongage clause, and shall name Lender as mortgagee and/or as an additional loss payer. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such insurance proceeds, Lender shall not be required to pay Borrower any interest or earnings on such proceeds. Fees for public adjusters, or other third parties, retained by Borrower shall not be paid out of the insurance proceeds and shall be the sole of ligation of Borrower. If Borrower does not respond within 30 days to a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may negotiate and settle the claim. If insurance or condemnation proceeds are paid in connection, with damage to, or the taking of, he Property, Borrower shall be responsible for repairing or restoring the property only if Lender has released proceeds for such purposes. attorneys' fees to protect its interest in the Property and/or rights under this Security Instrument, including its secured position in a bankruptcy proceeding. Securing the Property includes, sit is not limited to, entering the Property to make repairs, change locks, replace or board up doors and windows, drain water from pipes, eliminate building or other code violations or dangerous conditions, an have utilities turned on or off. Although Lender may take action under this Section 9, Lender does not have to do so and is not under any duty or obligation to do so. Any amounts disbursed by Lender under this Section 9 shall become additic tal debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting

10. Mor gage Insurance. If Lender required Mortgage Insurance as a conditio i of making the Loan, Borrower shall pay the premiums required to maintain the Mortgage Insurance in eff ct. If, for any reason, the Mongage Institute coverage required by Lender ceases to be available from the mongage insurer that previously provided suct insurance and Borrower was required to make separatel designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to obtain coverage substantially equivilent to the Mortgage Insurance previously in effect. It a cost substantially equivalent to the cost to porrower of the Mortgage Insurance previously in eff ct, from an alternate mortgage insurer selected by Lerder. If substantially equivalent Mortgage Insu ance coverage is not available, Borrower shall continue to pay to Lender the amount of the separately de ignated payments that were due when the insurance covera e ccased to be in effect. Lender will accepi use and retain these payments as a non-refundable loss reserve in lieu of Mortgage Insurance. Such loss reserve shall be non-refundable, notwithstanding the fact that the Loan is ultimately paid in full, and Lender shall not be required to pay Borrower any interest or earnings on such loss reserve. Lender can no longer require loss reserve payments if Mortgage Insurance coverage (in the amount and for the period that Lender requires) provided by an insurer selected by Lender again becomes available, is obtained and Lender requires. separately designated payments toward the premiums for infortgage Insurance. If Let der required Mortgage Insurance as a condition of making the Loan and Borrowar was required to make separately designated payments toward the premiums for Mortgage Insurance, Potrower shall pay the premiums required to maintain Mortgage Insurance in effect, or to provide a non-refundable loss r serve, until Lender's requirement for Mortgage Insurance ends in accordance with any virtuen agreement between Borrower and Lender providing for such termination or until termination is required by Applicable: Law. Nothing in this Section 10 affects Borrower's obligation to pay interest at the rate provided in the N ite.

Mortgage Insurance reimburses Lender (or any entity that purchases the No e) for certain losses it may incur it Borrower does not repay the Loan as agreed. Borrower is not a party to the Mortgage

Insurance. Mortgage insurers evaluate their total risk on all such insurance in force from time to time, and may enter into agreements with other parties that share or modify their risk, or reduce lesses. These agreements are on terms and conditions that are satisfactory to the mortgage insurer and the ot er part; (or parties) to these agreements. These agreements may require the mortgage insurer to make pay nemes us up any source of funds that the mortgage insurer may have available (which may include funds cotained from Mortgage Insurance premiums).

As a result of these agreements, Lender, any purchaser of the Note, another insurer, any tensurer, any other entity, or any affiliate of any of the foregoing, may receive (directly or addrectly) amounts that derive from (or might be characterized as) a portion of Borrower's payments for Mortgage Insurance, in exchange for sharing or modifying the mortgage insurer's risk, or reducing losses. If such agreement provides that an affiliate of Lender takes a share of the insurer's risk in exchange for a share of the premiums paid to the insurer, the arrangement is often termed "captive reinsurance. Further:

(a) Any such agreements will not affect the amounts that Borrower I as agreed to pay for Mortgage Insurance, or any other terms of the Loan. Such agreements will not increase the amount Borrower will owe for Mortgage Insurance, and they will not entitle Borrower o any refund.

Property or Cook County Clerk's Office

(b) Any such agreements will not affect the rights Borrower has - if any - with respect to the Mortgage Insurance under the Homeowners Protection Act of 1998 or any otler law. These rights may include the right to receive certain disclosures, to request and obtain cancellation of the Mortgage Insurance, to have the Mortgage Insurance terminated automatically, and/or to receive a refund of any Mortgage Insurance premiums that were unearned at the time o such cancellation or termination.

11. Assignment of Miscellaneous Proceeds; Forfeiture. All Miscellaneou Proceeds are hereby

assigned to and shall be paid to Lender.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to estoration or repair of the Property, if the restoration or repair is economically feasible and Lender's scaurity is not lessened. During such repair and restoration period, Lender shall have the right to hold such | 4iscellaneous Proceeds until Lender was had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly | ender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires into test to be paid on such Miscellaneous Proceeds. Lender shall not be required to pay Borrower any interest or earnings on such Miscellaneous Proceeds. If the restoration or repair is not economically feasible or lender's security would be lessened, the Miscellan ous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such Miscella cous Proceeds shall be applied in the order provided for in Section 2.

In the event of a total law.og, destruction, or loss in value of the Property, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with

the excess, if any, paid to Borrower.

In the event of a partial taking, des runtion, or loss in value of the Property 11 which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is equal to or greater than the amount of the sums secured to this Security Instrument unmed ately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agr e in writing, the sums secured by this Security Instrument shall be rejuced by the amount of the Aiscellaneous Proceeds multiplied by the following fraction: (a) the total account of the sums secured immediately before the partial taking, destruction, or loss in value divided by (b) the fair market value of the Property immediately before the partial taking, destruction, or loss in value. Any balance sh ll be paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is less than the amount of the sums secured immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the Miscellaneous Proceeds shall be applied to the sums

secured by this Security Instrument whether or not the sums are then due,

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the Opposing Party (as defined in the next sentence) offers to make an award to bet le a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair to the Property or to the sums secured by this Security Instrument, whether or not then due. "Opposing Par y" near's the third party that owes Borrower Miscellaneous Proceeds or the party against whom Borrowe has a control of action in regard to Miscellaneous Proceeds.

Borrower shall be in default if any action or proceeding, whether civil or commal, is regun that, in Lender's judgment, could result in forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. Borrower can cure such a default and, if acceleration has occurred, reinstate as provided in Section 19, by causing the action or proceeding to be dismissed with a ruling that, in Lender's judgment, precludes forfeiture of the P operty or other material impairment of Lender's interest in the Property or rights under this Security Instrument. The proceeds of any award or claim for damages that are attributable to the impairment of Lender s interest in the Property are hereby assigned and shall be paid to Lender.

All Miscellaneous Proceeds that are not applied to restoration or repair of the Property shall be
