TOGETHER WITH all the improvements now or hereafter erected on the property, and all fixtures¹⁶, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seised of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal, Interest, Escrow Items, Prepayment Charges, and Late Charges. Borrower shall pay when due the principal of, and interest on, the debt evidenced by the Note and any prepayment and late charges due under the Note. Borrower shall also pay funds for Escrow Items pursuant to Section 3. Payments due under the Note and this Security Instrument shall be made in U.S. currency. However, if any check or other instrument received by Lender as payment under the Note or this Security Instrument is returned to Lender unpaid, Lender may require that any or all subsequent payments due under the Note and this Security Instrument be made in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality, or entity; or (d) Electronic Funds Transfer.

Payments are deemed received by Lender when received at the location designated in the Note or at such other location as may be designated by Lender in accordance with the notice provisions in Section 15. Lender may return any payment or partial payment if the payment or partial payments are insufficient to bring the Loan current. Lender may accept any payment or partial payment insufficient to bring the Loan current, without waiver of any rights hereunder or prejudice to its rights to refuse such payment or partial payments in the future, but Lender is not obligated to apply such payments at the time such payments are accepted. If each Periodic Payment is applied as of its scheduled due date, then Lender need not pay interest on unapplied funds. Lender may hold such unapplied funds until Borrower makes payment to bring the Loan current. If Borrower does not do so within a reasonable period of time, Lender shall either apply such funds or return them to Borrower. If not applied earlier, such funds will be applied to the outstanding principal balance under the Note immediately prior to foreclosure. No offset or claim which Borrower might have now or in the future against Lender shall relieve Borrower from making payments due under the Note and this Security Instrument or performing the covenants and agreements secured by this Security Instrument.

2. Application of Payments or Proceeds. Except as otherwise described in this Section 2, all payments accepted and applied by Lender shall be applied in the following order of priority: (a) interest due under the Note; (b) principal due under the Note; (c) amounts due under Section 3. Such payments shall be applied to each Periodic Payment in the order in which it became due. Any remaining amounts shall be applied first to late charges, second to any other amounts due under this Security Instrument, and then to reduce the principal balance of the Note.

If Lender receives a payment from Borrower for a delinquent Periodic Payment which includes a sufficient amount to pay any late charge due, the payment may be applied to the delinquent payment and the late charge. If more than one Periodic Payment is outstanding, Lender may apply any payment received from Borrower to the repayment of the Periodic Payments if, and to the extent that, each payment can be paid in full. To the extent that any excess exists after the payment is applied to the full payment of one or more Periodic Payments, such excess may be applied to any late charges due. Voluntary prepayments shall be applied first to any prepayment charges and then as described in the Note.

Any application of payments, insurance proceeds, or Miscellaneous Proceeds to principal due under the Note shall not extend or postpone the due date, or change the amount, of the Periodic Payments.

3. Funds for Escrow Items. Borrower shall pay to Lender on the day Periodic Payments are due under the Note, until the Note is paid in full, a sum (the "Funds") to provide for payment of amounts due for: (a) taxes and assessments and other items which can attain priority over this Security Instrument as a lien or encumbrance on the Property; (b) leasehold payments or ground rents on the Property, if any; (c) premiums for any and all insurance required by Lender under Section 5; and (d) Mortgage Insurance premiums, if any, or any sums payable by Borrower to Lender in lieu of the payment of Mortgage Insurance premiums in accordance with the provisions of Section 10. These items are called "Escrow Items." At origination or at any time during the term of the Loan, Lender may require that Community Association Dues, Fees, and Assessments, if any, be escrowed by Borrower, and such

dues, fees and assessments shall be an Escrow Item. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this Section. Borrower shall pay Lender the Funds for Escrow Items unless Lender waives Borrower's obligation to pay the Funds for any or all Escrow Items. Lender may waive Borrower's obligation to pay to Lender Funds for any or all Escrow Items at any time. Any such waiver may only be in writing. In the event of such waiver, Borrower shall pay directly, when and where payable, the amounts due for any Escrow Items for which payment of Funds has been waived by Lender and, if Lender requires, shall furnish to Lender receipts evidencing such payment within such time period as Lender may require. Borrower's obligation to make such payments and to provide receipts shall for all purposes be deemed to be a covenant and agreement contained in this Security Instrument, as the phrase "covenant and agreement" is used in Section 9. If Borrower is obligated to pay Escrow Items directly, pursuant to a waiver, and Borrower fails to pay the amount due for an Escrow Item, Lender may exercise its rights under Section 9 and pay such amount and Borrower shall then be obligated under Section 9 to repay to Lender any such amount. Lender may revoke the waiver as to any or all Escrow Items at any time by a notice given in accordance with Section 15 and, upon such revocation, Borrower shall pay to Lender all Funds, and in such amounts, that are then required under this Section 3.

Lender may, at any time, collect and hold Funds in an amount (a) sufficient to permit Lender to apply the Funds at the time specified under RESPA, and (b) not to exceed the maximum amount a lender can require under RESPA. Lender shall estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with Applicable Law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is an institution whose deposits are so insured) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items no later than the time specified under RESPA. Lender shall not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and Applicable Law permits Lender to make such a charge. Unless an agreement is made in writing or Applicable Law requires interest to be paid on the Funds, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender can agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds as required by RESPA.

If there is a surplus of Funds held in escrow, as defined under RESPA, Lender shall account to Borrower for the excess funds in accordance with RESPA. If there is a shortage of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the shortage in accordance with RESPA, but in no more than 12 monthly payments. If there is a deficiency of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the deficiency in accordance with RESPA, but in no more than 12 monthly payments.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines, and impositions attributable to the Property which can attain priority over this Security Instrument, leasehold payments or ground rents on the Property, if any, and Community Association Dues, Fees, and Assessments, if any. To the extent that these items are Escrow Items, Borrower shall pay them in the manner provided in Section 3.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender, but only so long as Borrower is performing such agreement; (b) contests the lien in good faith, by, or defends against enforcement of the lien in, legal proceedings which in Lender's opinion operate to prevent the enforcement of the lien while those proceedings are pending, but only until such proceedings are concluded; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which can attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Within 10 days of the date on which that notice is given, Borrower shall satisfy the lien or take one or more of the actions set forth above in this Section 4.

Lender may require Borrower to pay a one-time charge for a real estate tax verification and/or reporting service used by Lender in connection with this Loan.

5. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and any other hazards including, but not limited to, earthquakes and floods, for which Lender requires insurance. This insurance shall be maintained in the amounts (including deductible levels) and for the periods that Lender requires. What Lender requires pursuant to the preceding sentences can change during the term of the Loan. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's right to disapprove Borrower's choice, which right shall not be exercised unreasonably. Lender may require Borrower to pay, in connection with this Loan, either: (a) a one-time charge for flood zone determination, certification and tracking services; or (b) a one-time charge for flood zone determination and certification services and subsequent charges each time remappings

Borrower's Loan Application. Borrower shall be in default if, during the Loan application process, Borrower fails to perform the covenants and agreements contained in this Security Instrument. (b) there is a legal proceeding that might significantly affect Lender's interest in this Security Instrument, or (c) Borrower has abandoned the Property, then Lender may do and pay for whatever is reasonable or appropriate to protect Lender's interest in the Property and rights under this Security Instrument. Such a proceeding may attain priority over this Security Instrument or to reinforce laws or regulations, or (c) Borrower has which may attach as a bankruptcy proceeding. Securing the Property includes, but is not limited to, paying any sums secured by a lien which has priority over this Security Instrument; (b) apprearing in court; and (a) the Property, and securing and/or repairing the Property. Lender's actions can include, but are not limited to, interest in the Property and rights under this Security Instrument, including protecting and/or assessing the value of property reasonably fees to protect its interest in the Property and/or rights under this Security Instrument to do so. (d) is agreed that Lender incurs no liability for not taking any or all actions authorized under this obligation to do so. Lender does not have to do so and is not under any duty or although Lender may take action under this Section 9, Lender does not have to do so and is not under any duty or eliminate building or other code violations or dangerous conditions, and have utilities turned on or off, pipes, equipment to make repairs, change locks, replace or board up doors and windows, drain water from Securable instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

If this Security instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the property, the lessor shall not merge unless Lender agrees to pay the premium required to maintain the Mortgage insurance in effect. If, for any reason, the Mortgage insurance coverage required by Lender ceases to be available from the previous provider such insurance as a condition of making the Loan, Borrower shall pay the Mortgage insurance as a condition of making the Loan. If Lender required Mortgage insurance, if Lender retains the Premiums paid by Borrower separately, from an alternate mortgagee it shall be non-refundable, notwithstanding the fact that the Note is ultimately paid in full, and Lender shall not be required to pay Borrower any interest or earnings on such loss reserve. Lender can no longer require loss reserve payments if Mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer selected by Lender again becomes available, is obtained, and Lender requires separately designated payments toward the Premiums for making the Loan and Borrower was required to make separate payments required to maintain Mortgage insurance in effect, or to provide a non-refundable loss reserve, until Lender's requirement for Mortgage insurance ends in accordance with the original terms of the Note. Note. Any written agreement between Borrower and Lender providing for such termination of liability is required by Applicable Law. Nothing in this Section 10 affects Borrower's obligation to pay interest at the rate provided in the Mortgage insurance, Borrower shall pay the separate Premiums required to make separate payments toward the Premiums for making the Loan and Borrower was required to make separate payments required to maintain Mortgage insurance as a condition of paying the Premiums to another party (or parties) to these agreements that are satisfactory to the mortgagee insurer and the other party and reduce losses. Mortgage insurance evaluates their total risk on all such insurance in force from time to time, and may enter into agreement with other parties that share or modify their risk, or reduce losses. Borrower does not repay the Loan as agreed. Borrower is not a party to the Mortgage insurance.

Mortgage insurance reimburses Lender (or any entity that purchases the Note) for certain losses it may incur if the mortgagee insurance reclaims Lender (or any entity that purchases the Note) for certain losses it may incur if the mortgagee insurance does not refund the premium paid by Borrower to the mortgagee insurance. Note.

10. Mortgage Insurance. If Lender required Mortgage insurance as a condition of making the Loan, Borrower shall pay the Premiums required to maintain the Mortgage insurance as a condition of making the Loan. If Lender in writing. The amounts described in Section 9 shall become additional debt of Borrower secured by this Securable instrument. Any amounts disbursed by Lender under this Section 9 shall bear interest at the Note rate unless Lender agrees to pay the Premiums paid by Borrower separately to Lender the amount of the Premiums paid by Borrower to the mortgagee insurance, if Lender retains the Premiums paid by Borrower separately, from an alternate mortgagee it shall be non-refundable, notwithstanding the fact that the Note is ultimately paid in full, and Lender shall not be required to pay Borrower any interest or earnings on such loss reserve. Lender can no longer require loss reserve payments if Mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer selected by Lender again becomes available, is obtained, and Lender requires separately designated payments toward the Premiums for making the Loan and Borrower was required to make separate payments required to maintain Mortgage insurance as a condition of paying the Premiums to another party (or parties) to these agreements that are satisfactory to the mortgagee insurer and the other party and reduce losses. (b) Any such agreements will not affect the rights Borrower has – if any – with respect to the Mortgage Insurance under certain Protections Act of 1998 or any other law. These rights may include the right to receive certain disclosures, to request and obtain cancellation of the Mortgage Insurance, to have the Mortgage Insurance terminated automatically, and/or to receive a refund of any Mortgage Insurance premiums that were unearned at the time of such cancellation or termination.

(a) Any such arrangements will not affect the rights Borrower has – if any – with respect to the Mortgage Insurance, or any other terms of the Loan. Such agreements will not increase the amount Borrower will owe for Mortgage Insurance, and they will not entitle Borrower to any refund.

If the property is damaged, such Miscellaneous Proceeds shall be applied to repair or restoration or repair of the property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender shall not be required to pay feesible or Lender's security would be lessened, the Miscellaneous Proceeds shall be applied to the sums secured by this Security instrument, whether or not then due, with the excess, if any, paid to Borrower. Such Miscellaneous Proceeds shall be applied in the event of a partial taking, destruction, or loss in value of the property in which the fair market value of the sums secured by this Security instrument, or loss in value of the property in which the fair market value of the sums secured by this Security instrument, or loss in value of the property, the Miscellaneous Proceeds shall be applied to the total taking, destruction, or loss in value of the property, the Miscellaneous Proceeds shall be applied to the fair market value of the sums secured by this Security instrument, or loss in value of the property, whichever or not the sums are due.

If the property is abandoned by Borrower, or if, after notice by Lender to Borrower that the Opposing Party (as defined in the next sentence) offers to make an award to settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the property or to the sums secured by this Security instrument, whether or not then due. "Opposing Party" means the third party that owes Borrower Miscellaneous Proceeds or the party against whom Borrower has a right of action in regard to Miscellaneous Proceeds.

If the property is sold or otherwise disposed of by Borrower, whether civil or criminal, in Lender's judgment, could result in forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security instrument. Borrower can cure such a default and, if acceleration has occurred, reinstate as provided in Section 19, by causing the action or proceeding to be dismissed with a ruling that, in Lender's judgment, precludes forfeiture of the property or other material impairment of Lender's interest in the Property or rights under this Security instrument. Borrower can cure such a default and, if acceleration has occurred, reinstate as provided in Section 19, by causing the action or proceeding to be dismissed with a ruling that, in Lender's judgment, precludes forfeiture of the property or other material impairment of Lender's interest in the Property or rights under this Security instrument.

All Miscellaneous Proceeds that are not applied to restoration or repair of the Property shall be applied in the impairment of Lender's interest in the Property are hereby assigned and shall be paid to Lender.

11. Assignment of Miscellaneous Proceeds; Forfeiture. All Miscellaneous Proceeds are hereby assigned to Lender. If the property is damaged, such Miscellaneous Proceeds shall be applied to repair of the property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender shall not be required to pay feesible or Lender's security would be lessened, the Miscellaneous Proceeds shall be applied to the sums secured by this Security instrument, whether or not then due, with the excess, if any, paid to Borrower. Such Miscellaneous Proceeds shall be applied in the event of a partial taking, destruction, or loss in value of the property in which the fair market value of the sums secured by this Security instrument, or loss in value of the property, whichever or not the sums are due.

In the event of a partial taking, destruction, or loss in value of the property in which the fair market value of the sums secured by this Security instrument, or loss in value of the property, the Miscellaneous Proceeds shall be applied to the total taking, destruction, or loss in value of the property, the Miscellaneous Proceeds shall be applied to the fair market value of the sums secured by this Security instrument, or loss in value of the property, whichever or not the sums are due.

In the event of a total taking, destruction, or loss in value of the property, the Miscellaneous Proceeds shall be applied to the property immediately before the partial taking, destruction, or loss in value. Any balance shall be paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the property in which the fair market value of the sums secured by this Security instrument, or loss in value of the property, the property is less than the amount of the sum secured immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree, (a) the total amount of the sums secured by this Security instrument shall be reduced by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (b) the fair market value of the sums secured by this Security instrument, or loss in value divided by (d) the fair market value of the sums secured before the partial taking, destruction, or loss in value. Unless Borrower and Lender otherwise agree, (c) Lender shall apply the amount of the sums secured by this Security instrument to the amount of the sums secured before the partial taking, destruction, or loss in value.

In the event of a partial taking, destruction, or loss in value of the property in which the fair market value of the sums secured by this Security instrument, or loss in value of the property, the property is equal to or greater than the amount of the sum secured by this Security instrument, or loss in value, unless Borrower and Lender otherwise agree, (a) the total amount of the sums secured by this Security instrument shall be reduced by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (b) the fair market value of the sums secured by this Security instrument, or loss in value divided by (d) the fair market value of the sums secured before the partial taking, destruction, or loss in value.

12. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or to refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security or of Borrower. Lender shall not be required to commence proceedings against any Successor in interest of Borrower or any Successor in interest of amortization of the sums secured by this Security or of Borrower or any Successor in interest of Borrower or any Successor in interest of Borrower or any Successor in interest of Borrower.

13. **Joint and Several Liability; Co-signers; Successors and Assigns Bound.** Borrower covenants and agrees that Borrower's obligations under this Security instrument in writing, and is approved by Lender, shall obtain all of Borrower's rights and benefits under this Security instrument. Borrower shall not be released from Borrower's obligations under this Security instrument in writing, and is approved by Lender, unless Lender agrees to such release in writing. The covenants and agreements under this Security instrument shall bind (except as provided in Section 2D) and benefit the successors and assigns of Lender. For the purpose of protecting Lender's interest in the Property and rights under this Security instrument, Lender may charge Borrower fees for services performed in connection with Borrower's charges. Lender may charge such amounts loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the Loan exceed the permitted limits; if the Loan is subject to a law which sets maximum loan charges, and the Note provides otherwise. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment to Lender. Lender may notice to Borrower that Borrower has designated a substitute notice address by notice to Lender. Any notice to Lender shall be given by deliverying it or by mailing it by first class mail to Lender at any one time. Any notice to Lender shall be only one notice address under this Security instrument through that specified procedure. There may be only one notice address under this Security instrument unless Lender has designated another address by notice to Borrower. Any notice in connection with this Security instrument is also required under Applicable Law, the Applicable Law Lender. If any notice required by this Security instrument is given to Lender until actually received by Lender, Lender shall not be deemed to have been given to Lender until given to Borrower. Any notice in connection with this Security instrument shall be given by deliverying it or by mailing it by first class mail to Borrower unless Lender has designated another address by notice to Lender. Any notice given to Borrower will satisfy the corresponding requirement under this Security instrument.
14. **Loan Charges.** Lender may charge Borrower or Lender in connection with this Security instrument a fee for services of protecting Lender's interest in the Property and rights under this Security instrument, including, but not limited to, attorney's fees, property inspection and valuation fees. In regard to any other fees, the absence of express authority in this Security instrument to charge a specific fee to Borrower shall not be construed as a prohibition on the charging of such fee. Lender may not charge fees that are expressly prohibited by this Security instrument or by Applicable Law.
15. **Notices.** All notices given by Borrower or Lender in connection with this Security instrument must be in writing. Any notice to Borrower in connection with this Security instrument shall be deemed to have been given to Borrower when mailed by first class mail or when actually delivered to Borrower's notice address if sent by other means. Notice to any one Borrower shall constitute notice to all Borrowers unless Applicable Law expressly requires otherwise. The notice address shall be the Property Address unless Borrower has designated a substitute notice address by notice to Lender. Borrower shall promptly notify Lender of Borrower's change of address. If Lender specifies a procedure for reporting Borrower's change of address, then Borrower shall only report a change of address through that procedure. There may be only one notice address under this Security instrument at any one time. ADJUSTABLE RATE RIDER
(1 Year Treasury Index - Rate Caps)

THIS ADJUSTABLE RATE RIDER is made this 28th day of November , 2001 , and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to MID AMERICA BANK, FSB.

(the "Lender") of the same date and covering the property described in the Security Instrument and located at:

9700 S 49TH AVE, Oak Lawn, Illinois 60453
[Property Address]

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 6.625 %. The Note provides for changes in the interest rate and the monthly payments, as follows:

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES**(A) Change Dates**

The interest rate I will pay may change on the first day of December 1st , 2004 , and on that day 12th month thereafter. Each date on which my interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made available by the Federal Reserve Board. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding Two and Three Quarters percentage points (2.750 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 8.625 % or less than 4.625 %. Thereafter, my interest rate will never be increased or decreased on any single Change Date by more than two percentage points (2.0%) from the rate of interest I have been paying for the preceding twelve months. My interest rate will never be greater than 12.625 %, which is called the "Maximum Rate."

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

Uniform Covenant 17 of the Security Instrument is amended to read as follows.

Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer or title by Borrower at a future date to a purchaser.

If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

UNOFFICIAL COPY

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Adjustable Rate Rider.
