If the Contractor enters into a subcontract with a Security Firm such Security Firm shall comply with the insurance provisions attached hereto as (Sub)Exhibit 5 and incorporated by reference as if fully set forth herein, or such other insurance provisions as may be required in the reasonable judgement of the Risk Management Division. If the Contractor subcontracts with a Subcontractor other than a Security Firm, such Subcontractor shall comply with the Contractor insurance provisions attached hereto as (Sub)Exhibit 4.

The Risk Management Division may waive or reduce any of the insurance requirements set forth herein. In addition, the Risk Management Division shall review each new Scope of Services which the S.S.A.C., in consultation with the Contractor, prepares annually during the term of this Agreement pursuant to Section 3.01 and shall, if necessary, revise the insurance required herein.

3.06 Indemnification.

A. On written notice from the City of Losses the City believes are Losses Arising under this Agreement as defined in this Section 3.06, the Contractor shall defend, indemnify and hold completely harmless the City Indemnitees from and against such Losses, regardless of whether Contractor challenges the City's belief. The defense, indemnification and hold harmless obligations of the Contractor toward City Indemnitees remain an affirmative obligation of Contractor following the City's notice of Losses the City believes are Losses Arising under this Agreement, unless and until a court of competent jurisdiction finally determines otherwise and all opportunities for appeal have been exhausted or have lapsed.

B. For purposes of this Section 3.06,

"City Indemnitees" means, individually and collectively, the City of Chicago, its officials, agents, employees and S.S.A.C. members.

"Losses" means, individually and collectively, all kinds of liabilities, losses, suits, claims, damages, judgments, fines and demands, including all reasonable costs for investigation, reasonable attorneys' fees, court costs and experts' fees, arising by reason of injury or death of any person, damage to property, patent or copyright infringement.

"Arising under this Agreement" means (i) arising out of awarding this Agreement, (ii) arising out of the enforcement of this Agreement, including the enforcement of this indemnification provision; (iii) arising out of or in connection with Contractor's performance or non-performance of this Agreement (including the acts or omission of Contractor, its officers, agents, employees, consultants, subconsultants, licensees or invitees), any breach by any of them of any warranty made under this Agreement, or any failure by any of them to meet any applicable standard of performance under this Agreement; or (iv) any combination of any of the foregoing.

C. To the extent permissible by law, Contractor waives any limits on Contractor's liability that it would otherwise have by virtue of the Worker's Compensation Act or any other related law or judicial decision (such as *Kotecki v. Cyclops Welding Corporation*, 146 Ill. 2d 155 (1991)). The City, however, does not waive any limitations it may have on its liability under the Workers' Compensation Act or under the Illinois Pension Code.

D. The City has the right, at its option and at its own expense, to participate in the defense of any suit without relieving Contractor of any of its obligations under this indemnity provision. The requirements set forth in this indemnity provision are separate from and not limited by the amount of insurance Contractor is required to obtain under this Agreement or by its bonds pursuant to other provisions in this Agreement. Further, the indemnities contained in this provision survive the expiration or termination of this Agreement.

3.07 Records And Audits.

The Contractor shall deliver or cause to be delivered all documents, data, studies, reports, findings or information to the S.S.A.C. promptly in accordance with the time limits prescribed herein and if no time limit is specified, then upon reasonable demand therefore, or upon termination or completion of the Services hereunder.

In addition, Contractor shall retain them in a safe place and make them available for an independent audit, inspection, copying and abstracting for at least five (5) years after the final payment made in connection with

this Agreement.

The Contractor Shall Not Commingle Service Tax Funds With Funds From Other Sources, and to the extent that the Contractor conducts any business operations separate and apart from the Services hereunder using, for example, personnel, equipment, supplies or facilities also used in connection with this Agreement, then the Contractor shall maintain and make similarly available to the City detailed records supporting the Contractor's allocation to this Agreement of the costs and expenses attributable to any such shared usages.

The Contractor shall provide an annual audited financial statement to the Department and the S.S.A.C. within one hundred twenty (120) calendar days after the end of the calendar year and the system of accounting shall be in accordance with generally accepted accounting principles and practices, consistently applied throughout. No provision in this Agreement granting the City a right of access to records and documents is intended to impair, limit or affect any right of access to such records and documents which the City would have had in the absence of such provisions.

3.08 Subcontracts And Assignments.

The Contractor shall not assign, delegate, subcontract or otherwise transfer all or any part of its rights or obligations under this Agreement or any part hereof, unless otherwise provided for herein or without the express written consent of the S.S.A.C.. The absence of such provision or written consent shall void the attempted assignment, delegation or transfer and shall be of no effect as to the Services or this Agreement.

All subcontracts, all approvals of Subcontractors and any assignment to which the S.S.A.C. consents shall be, regardless of their form, deemed conditioned upon performance by the Subcontractor or assignee in accordance with the terms and conditions of this Agreement.

If the Contractor subcontracts for security services, the Subcontractor shall be a Security Firm certified by the State of Illinois and the Security Firm's employees shall be licensed by the State of Illinois. The Contractor, upon entering into any subcontract with a Security Firm, shall furnish the S.S.A.C. and the Department with a copy of the subcontract for their approval. The City expressly reserves the right to approve all Security Firm subcontracts.

In addition, prior to entering into subcontract(s) for security services with Security Firm(s), the Contractor agrees to select such Security Firm(s) in accordance with the following provisions:

1. The Contractor will prepare a detailed summary of the scope of the services that will be required of such Security Firm(s), and, the Contractor will place an advertisement in a daily newspaper of general circulation in the Area inviting all interested parties to submit proposals for the provision of such security services. The Contractor's advertisement for the security services shall describe the security services to be provided in sufficient detail to allow potential bidders to generate accurate and complete bids; and

2. The Contractor shall advertise for the security services in a newspaper of general circulation in the area for a period of no less than ten (10) consecutive calendar days. The Contractor will then review the proposals received for a period of time no less than three (3) calendar days. The Contractor will then award the subcontract(s) for the security services to the lowest responsive and responsible bidders.

3.09 Licenses, Permits And Safety Considerations.

If the Contractor engages in Construction, it shall report to the Department any damage on, about, under or adjacent to City property or the property of third persons resulting from its performance under this Agreement. The Contractor is responsible for any damage to City property or the property of third parties due, in whole or in part, to the Contractor's Construction activities under this Agreement, and the Contractor shall remedy such damage to a reasonably acceptable standard.

3.10 Performance Bond.

If the Contractor engages in Construction work where expenditures exceed One Hundred Thousand Dollars (\$100,000), it shall, not later than the date the Contractor begins such work or executes a subcontract for such work, provide or cause to be provided to the Department a performance and payment bond in the amount allocated for the Construction work (but not including the amount allocated for design and preparation of specifications), by a surety or sureties acceptable to the City. The performance bond shall be in the form and to the effect of (Sub)Exhibit 7 hereto, which is incorporated by reference as if fully set forth herein.

If any of the sureties on such bond at any time fail financially, or are deemed to be insufficient security for the penalty of the bond, then the City may, on giving ten (10) days notice thereof in writing, require the Contractor to furnish a new and additional bond with sureties satisfactory to the City.

5.02 Budget For Services.

The Contractor in conjunction with the S.S.A.C. has prepared a budget through December 31, 2002, attached hereto as (Sub)Exhibit 2 and incorporated by reference as if fully set forth herein, covering all services described in the Scope of Services. Subject to the restriction that the maximum amount that may be spent in calendar year 2002 may not exceed Four Hundred Thirty-three Thousand Two Hundred Seven Dollars (\$433,207), the S.S.A.C. reserves the right to transfer funds between line items or make budget revisions which do not affect the maximum compensation set forth in Section 5.01. The occurrence of any event of default which the Contractor fails to cure within thirty (30) calendar days after receipt of notice specifying such default or which, if such event of default cannot reasonably be cured within thirty (30) calendar days after notice, the Contractor fails, in the sole opinion of the Commissioner, to commence and continue diligent efforts to cure, shall permit the City to declare the Contractor in default. Whether to declare the Contractor in default is within the sole discretion of the Commissioner. Written notification of the default, and any intention of the City to terminate the Agreement, shall be provided to Contractor and such decision shall be final and effective upon Contractor's receipt of such notice. Upon receipt of such notice, the Contractor must discontinue any services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process of completion, to the City. No delay or omission to exercise any right accruing upon any event of default shall impair any such right nor shall it be construed as a waiver of any event

If the City elects to terminate the Agreement in full, all Services shall cease and all materials accumulated in performing this Agreement, whether completed or in the process of completion, shall be delivered to the Department within ten (10) days after receipt of the notice or by the date stated in the notice.

During the final ten (10) days or other time period stated in the notice, the Contractor shall restrict its activities, and those of its Subcontractors, to winding down any reports, analyses or other activities previously begun. No costs incurred after the effective date of the termination shall be allowed. Payment for any Services actually and satisfactorily performed before the effective date of the termination shall be on the same basis as set forth in Article 5 hereof, but if any compensation is described or provided for on the basis of a period longer than ten

Contractor must ensure and require any Security Firm subcontractor to comply with the Risk Management Division approved Security Firm Insurance Provisions set forth in (Sub)Exhibit 5 of this Agreement, attached hereto and incorporated by references as though fully set forth herein.

C. Additional Requirements.

The Contractor will furnish the City of Chicago, Department of Planning and Development, Community and Neighborhood Development, Room 1000, 121 North LaSalle Street, Chicago, Illinois 60602, original Certificates of Insurance, or such similar evidence, to be in force on the date of this Agreement, and Renewal

Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement. The Contractor must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached) or equivalent prior to Agreement award. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Contractor is not deemed to be a waiver by the City of any requirements for the Contractor to obtain and maintain the specified coverages. The Contractor must advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Contractor of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work until proper evidence of insurance is provided, or the Agreement may be terminated.

The insurance must provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled or non-renewed.

Any deductibles or self-insured retentions on referenced insurance coverages must be borne by Contractor.

The Contractor agrees that insurers must waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents or representatives.

The coverages and limits furnished by Contractor in no way limit the Contractor's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self-insurance programs maintained by the City of Chicago do not contribute with insurance provided by the Contractor under the Agreement.

The required insurance is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

The Contractor must require all subcontractors to provide the insurance required herein, or Contractor may provide the coverages for subcontractors. All subcontractors are subject to the same insurance requirements of Contractor unless otherwise specified in this Agreement.

If Contractor or subcontractor desires additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

Common practice in a given local may alter certain days of celebration such as the day after Thanksgiving for Veterans Day. If in doubt, please check with I.D.O.L.
