

instance and request of Gallagher, PERI furnished extra and additional materials at and/or extra and additional services for the Fulton Market Property.

4. PERI is currently continuing to provide materials and services under the Contract, as amended, to Gallagher.

5. Pursuant to the Contract, as amended, PERI agreed to furnish certain concrete forming and shoring equipment to Gallagher not only under Gallagher's contract with Owner and/or the beneficial owner of the Fulton Market Property, and under Gallagher's contract with the owner and/or owner's agent of the Capital Hill Property, but also under Gallagher's contract with the owners and/or owners' agents of two other properties in or near Chicago.

6. No payments have been made by Gallagher pursuant to the terms of the Contract, as amended, and there is currently due and owing to PERI, after allowing all credits, the aggregate amount of \$82,702.18.

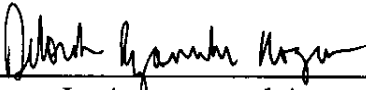

7. The information available to PERI at this time is insufficient to allow PERI to apportion the amount due among the Fulton Market Property, the Capital Hill Property and the other two properties mentioned above.

8. At this time, PERI estimates that approximately \$14,254.09 of its aggregate claim is attributable to the furnishing of forming and shoring equipment by PERI to Gallagher under Gallagher's contract with Owner and/or the beneficial owner of the Fulton Market Property. The actual amount of PERI's aggregate claim that is attributable to the furnishing of forming and shoring equipment by PERI to Gallagher under Gallagher's contract with Owner, and/or the beneficial owner of the Fulton Market Property, may be higher or lower than the amount currently estimated by PERI.

9. PERI, therefore, claims a lien on the Fulton Market Property, including the improvements thereon, in the amount of \$82,702.18, plus interest.
