If such Periodic Payment is applied as of its scheduled due date, then Lender need not pay interest on unapplied funds. Lender may hold such unapplied funds until Borrower makes payment to bring the Loan current. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property under Section 22 or otherwise, Borrower hereby assigns to Lender (a) Borrower's rights to any insurance proceeds in an amount not to exceed the amounts unpaid under the Note of this Security Instrument, and (b) any other of Borrower's rights (other than the right to any refund of unearned premiums paid by Borrower) under all insurance policies covering the Property, insofar as such rights are applicable to the coverage of the Property. attorneys' fees to protect its interest in the Property and/or rights under this Security Instrument, including its accured position in a bankruptcy proceeding. Borrower of the Mortgage Insurance previously in effect, from an alternate mortgage insurer selected by Lorder. If substantially equivalent Mortgage Insurance coverage is not available. Borrower shall continue to pay to Lender the amount of the separately designated payments that were due when the insurance coverage seased to be in effect. Lender will accept, use and retain these payments as a non-refundable loss reserve in lieu of Mortgage Insurance. Such loss reserve shall be non-refundable, norwithstanding the fact that the Loan is ultimately paid in full, and Lender shall not be required to pay Borrower any interest or excelles an such loss reserve. Lender can no longer require loss reserve payments if Mortgago Insurance coverago (in the amount and for the period that Lender requires) provided by an insurer solected by Lender again pecomos available, is obtained, and Londer requires separately designated payments toward the premium: for Mortgage Insurance, If Lender required Mortgage Insurance as a condition of making the Loan and Bortover was required to make separately designated paymonts toward the premiums for Mortgago Insurance, Borrower shall pay the premiums required to maintain Mortgage Insurance in effect, or to provide a nor-refundable loss reserve, until Lender's requirement for Mortgage Insurance ends in accordance with any written agreement between Barrower and Lender providing for such termination or until termination is required by Applicable Law. Nothing in this Section 10 affects Borrower's obligation to pay interest at the rate provided in the Note.

Mortgage Insurance reimburses Lender (or any entity that purchases inc Note) for certain losses it may incur if Borrower does not repay the Loan as agreed. Borrower is no a party to the Mortgage Insurance.

Mortgage insurers evaluate their total risk on all such insurance in force from time to time, and may enter into agreements with other parties that share or modify their risk, or reduce loave. These agreements are on terms and conditions that are satisfactory to the mortgage insurer and the other part, (or parties) to those agreements. These agreements may require the mortgage insurer to make payments using any source of funds that the mortgage insurer may have available (which may include funds obtained from ) lortgage Insurance promiums).

As a result of these agreements, Lender, any purchaser of the Note, another insurer, any reinsurer, any other entity, or any affiliate of any of the foregoing, may receive (directly or indirectly) amount that derive from (or might be characterized as) a portion of Borrower's payments for Mortgage Insurance, in exchange for sharing or modifying the mortgage insurer's risk, or reducing losses. If such agreement provides that un affiliate of Lender takes a share of the insurer's risk in exchange for a share of the promjums paid to the insurer, the arrangement is often termed "captive roinsurance." Further:

(a) Any such agreements will not affect the amounts that Borrower has agreed to pay for Mortgage Insurance, or any other terms of the Loan. Such agreements will not increase the amount Borrower will owe for Mortgago Insurance, and they will not entitle Borrower to any refund.

-6(IL) (0010)

Pers 4 41 14

(b) Any such agreements will not affect the rights Borrower has - if any - with respect to the Mortgage Insurance under the Homeawners Protection Act of 1998 or any other law. These rights may include the right to receive certain disclosures, to request and obtain cancellation of the Martinge Insurance, to have the Mortgago Insurance terminated automatically, and/or to receive a refund of any Mortgage Insurance premiums that were uncarned at the time of such cancellation or

11. Assignment of Miscellaneous Proceeds; Forfeiture. All Miscellaneous Proceeds are hereby

assigned to and shall be paid to Lender.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's accurity is not lossened. During such repair and restoration period, Lender shall have the right to hold such Miscellaneous Proceeds until Londer has had an opportunity to inspect such Property to onsure the work has been completed to Lender's satisfaction, provided that such inspection shall be undottaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is comploted. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such Miscellane sus Proceeds, Lender shall not be required to pay Borrower any interest or earnings on such Miscellaneous Proceeds. If the restoration or repair is not economically feasible or Lender's security would be lossened, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then sue with the excess, if any, paid to Borrower. Such Miscellaneous Proceeds shall be applied in the order provided for in Section 2.

In the event of a total taking, destruction, or loss in value of the Property, the Miscellaneous Proceeds shall be applied to the sums socured by this Security Instrument, whether or not then due, with

the excess, if any, paid to Borre wer.

In the event of a partial takin,, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is equal to or greater than the amount of the sums learned by this Security Instrument immediately before the partial taking, desiruction, or loss in value, unless Bottower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the partial taking, destruction, or loss in value divided by (b) the fair market value of the Property immediately before the partial taking, destruction, or loss in value. Any balance shall be paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Proporty in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is less than the amount of the sums secured immediately before the partial inting, destruction, or loss in value, unless Borrower and Londer otherwise agree in writing, the Miscollance is Proceeds shall be applied to the sums

secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Londer to Borrower that the Opposing Party (as defined in the next sentence) offers to make an award to tettle a claim for damages, Borrower fails to respond to Londer within 30 days after the date the notice is given, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due. "Opposing Party" Lieans the third party that owes Borrower Miscellaneous Proceeds or the party against whom Borrower has a right of action in regard to Miscollancous Proceeds.

Borrower shall be in default if any action or proceeding, whether civil or criminal, is prograthat, in Lender's judgment, could result in forfeiture of the Properly or other material impairment of Lender's interest in the Property or rights under this Security Instrument. Borrower can cure such a default and if acceleration has occurred, reinstate as provided in Section 19, by causing the action or proceeding to be dismissed with a ruling that, in Londer's judgment, precludes forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. The proceeds of any award or claim for damages that are attributable to the impairment of Lender's interest in the Property are hereby assigned and shall be paid to Lender.

All Miscellaneous Proceeds that are not applied to restoration or repair of the Property shall be

applied in the order provided for in Section 2.
