- The registered office may, but need not be the same as the/principal office of the corporation. However, the
  registered office and the office address of the registered agent must be the same.
- 2. The registered office must include a street or road address; a post office box number alone is not acceptable.
- A corporation cannot act as its own registered agent.
- 4. If the registered office is changed from one county to another, then the corporation must file with the recorder of deeds of the new county a certified copy of the articles of incorporation and a certified copy of the statement of change of registered office. Such certified copies may be obtained ONLY from the Secretary of State.
- 5. Any change of registered agent must be by resolution adopted by the board of directors. This statement must then be signed by the president (or vice-president) and by the secretary (or an assistant secretary).
- The registered agent may report a change of the registered office of the corporation for which he or she is registered agent. When the agent reports such a change, this statement must be signed by the registered agent.
