## SECTION 7. LIMITED APPLICABILITY.

DPD's approval of the Drawings are for the purposes of this Agreement only and do not constitute the approval required by the City's Building Department or any other City department; nor does the approval by DPD pursuant to this Agreement constitute an approval of the quality, structural soundness or the safety of any improvements located or to be located on the Property. The approval given by DPD shall be only for the benefit of the Purchaser and any lienholder authorized by this Agreement.

## SECTION 8. COMMENCEMENT AND COMPLETION OF IMPROVEMENTS.

The Purchaser shall commence construction of the Improvements within six (6) months of the Closing, and except as otherwise provided in this Agreement, shall complete construction (as evidenced by the issuance of the Certificate by the City) no later than (18) months after the Closing. Within five (5) days from the commencement of construction, the Purchaser shall notify the City that construction has begun.

## SECTION 9. CERTIFICATE OF COMPLETION.

Promptly after completion of the Improvements in accordance with this Agreement, the City shall furnish the Purchaser with a Certificate of Completion ("Certificate"). The Certificate shall be a conclusive determination of satisfaction and termination of the covenants in this Agreement and the Deed with respect to the obligations of the Purchaser to construct the Improvements. The Certificate shall be in recordable form. Within forty-five (45) days after receipt of a written request by the Purchaser for a Certificate, the City shall provide the Purchaser with either the Certificate or a written statement indicating in adequate detail how the Purchaser has failed to complete the Improvements in conformity with this Agreement, or is otherwise in default, and what measures or acts will be necessary, in the sole opinion of the City, for the Purchaser to take or perform in order to obtain the Certificate. At the Developer's request, the City shall meet with the Purchaser to discuss the City's written statement. If the City requires additional measures or acts to assure compliance, the Purchaser shall submit a written request for the Certificate upon compliance with the City's response. ## SECTION 11. PROHIBITION AGAINST TRANSFER OF PROPERTY.

Prior to the issuance of the Certificate by the City with regard to completion of the Improvements, the Purchaser shall not, without the prior written consent of the City: (a) sell or convey the Property or any part thereof; or (b) create any assignment with respect to this Agreement or the Property that would take effect prior to the issuance of the Certificate by the City; or (c) contract or agree to: (1) sell or convey the Property, or (2) create any assignment with respect to this Agreement or the Property that would take effect prior to the issuance of the Certificate by the City. The provisions of this Section 11 shall not limit the Purchaser's rights under Section 12 of this Agreement.

## SECTION 12. LIMITATION UPON ENCUMBRANCE OF PROPERTY.

Prior to the completion of the Project and the issuance of the Certificate by the City, the Purchaser shall not engage in any financing or other transaction which creates an encumbrance or lien upon the Property, except for the purposes of obtaining: (a) funds necessary to acquire the Property; (b) funds necessary to construct the Improvements; or (c) funds necessary for architects, surveyors, appraisers, environmental consultants or attorneys in connection with the Project.

## SECTION 13. MORTGAGEES NOT OBLIGATED TO CONSTRUCT.

Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage on the Property authorized by Section 12 of this Agreement shall not be obligated to construct or complete the Improvements; provided, however, that the foregoing provision shall not apply to any purchaser, other than the holder of the mortgage, of the Property at a foreclosure sale. Nothing in this Section nor in any other section of this Agreement shall be deemed or construed to permit or authorize any such holder of a mortgage to devote the Property to any use, or to construct any improvements thereon, other than those uses or improvements permitted in the Plan.

## SECTION 14. COVENANTS RUNNING WITH THE LAND.

The parties agree, and the Deed shall so expressly provide, that the covenants provided in Sections 8, 10, 11 and 12 shall be covenants running with the land, binding the Purchaser and its successors and assigns to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. The covenants provided in Sections 8, 11 and 12 shall be terminated upon issuance of the Certificate described in Section 9. The covenant contained in Section 10.B shall have no limitation as to time.

## SECTION 15. PERFORMANCE AND BREACH.

A. Time of the Essence. Time is of the essence in the parties' performance of their obligations under this Agreement.

B. Permitted Delays. The Purchaser shall not be considered in breach of its obligations with respect to the commencement or completion of construction of the Improvements in the event of a delay in the performance of such obligations due to unforeseeable causes beyond the Purchaser's control and without the Purchaser's fault or negligence, including but not limited to, delays or halts in construction of the Improvements which are compelled by court order, acts of God, acts of the public enemy, acts of the United States government, acts of the other party, fires, floods, epidemics, quarantine restrictions, strikes, embargoes and unusually severe weather or delays of subcontractors due to such cause. The time for the performance of the obligations shall be extended only for the period of the delay if the Purchaser requests it in writing of the City within twenty (20) days after the beginning of any such delay.

C. Breach.

1. Generally. Except as otherwise provided in this Agreement, in the event of a default by either party in the performance of its obligations under this Agreement, the defaulting party, upon written notice from the other, shall cure or remedy the default not later than one hundred twenty (120) days after receipt of such notice. If the default is not capable of being cured within the one hundred twenty (120) day period but the defaulting party has commenced action to cure the default and is diligently proceeding to cure the default within the one hundred twenty (120) day period, then the one hundred twenty (120) day period shall be extended for the length of time that is reasonably necessary to cure the default. If the default is not cured in the time period provided for herein, the aggrieved party may terminate this Agreement and institute such proceedings at law or in equity as may be necessary or desirable in its sole discretion to cure and remedy the default, including but not limited to, proceedings to compel specific performance.
2. Event of Default. For purposes of this Agreement, the occurrence of any one or more of the following shall constitute an "event of default":
  - a. The Purchaser fails to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations required under this Agreement; or
  - b. The Purchaser makes or furnishes a warranty, representation, statement or certification to the City which is not true and correct in any material respect; or
  - c. A petition is filed by or against the Purchaser under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereinafter existing, which is not vacated, stayed or set aside within thirty (30) days after filing; or

- d. The Purchaser abandons or substantially suspends the construction work, and such abandonment or suspension is not cured, ended, or remedied within one hundred twenty (120) days of the date the Purchaser receives written demand by the City to cure such default; or
  - e. The Purchaser fails to timely pay real estate taxes or assessments affecting the Property or suffers or permits any levy or attachment, material suppliers' or mechanics' lien, or any other lien or encumbrance unauthorized by this Agreement to attach to the Property; or
  - f. The Purchaser makes an assignment, pledge, encumbrance, transfer or other disposition in violation of this Agreement; or
  - g. The Purchaser's financial condition or operations adversely changes to such an extent that would materially affect the Purchaser's ability to complete the Improvements; or
  - h. The Purchaser fails to comply with the terms of any other written agreement entered into with the City or any loan issued by the City.
3. Prior to Conveyance. If prior to the conveyance of the Property, the Purchaser defaults in any specific manner described in this Section 15.C, the City may terminate this Agreement, institute any action or proceeding at law or in equity against the Purchaser, and retain the Earnest Money and Performance Deposit.
  4. After Conveyance. If subsequent to the conveyance of the Property to the Purchaser but prior to the issuance of the Certificate, the Purchaser defaults in any specific manner described in this Section 15.C, the City, by written notice to the Purchaser, may utilize any and all remedies available to the City at law or in equity, including but not limited to, the right to re-enter and take possession of the Property, terminate the estate conveyed to the Purchaser, and re-vest title to the Property in the City; provided, however, that the re-vesting of title in the City shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement.
  5. Resale of the Property. Upon the re-vesting in the City of title to the Property as provided in Section 15.C.4, the City shall employ its best efforts to convey the Property (subject to the mortgage lien described in this Section) to a qualified and financially responsible party (as solely determined by the City) who shall assume the obligation of completing the construction of the Improvements or such other improvements as shall be satisfactory to the City.
  6. Disposition of Resale Proceeds. If the City sells the Property, the proceeds from

the sale shall be utilized to reimburse the City for:

- a. costs and expenses incurred by the City, including but not limited to, salaries of personnel in connection with the recapture, management and resale of the Property (less any income derived by the City from the Property in connection with such management); and
- b. all taxes, assessments, and water and sewer charges assessed against the Property; and
- c. any payments made (including reasonable attorneys' fees ) to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of the Purchaser; and
- d. any expenditures made or obligations incurred with respect to construction or maintenance of the Improvements; and
- e. any other amounts owed to the City by the Purchaser.

The Purchaser shall be entitled to receive any proceeds up to the amount of the Purchaser's investment in the Property not utilized in meeting the expenses of the City described herein.

In addition to, and without in any way limiting the City's rights under this Section 15, the City shall have the right to retain the Performance Deposit in the event of a default by the Purchaser.

D. Waiver and Estoppel. Any delay by the City in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive the City of or limit such rights in any way. No waiver made by the City with respect to any specific default by the Purchaser shall be construed, considered or treated as a waiver of the rights of the City with respect to any other defaults of the Purchaser.

E. Access to the Property. After the Closing, any duly authorized representative of the City shall have access to the Property at all reasonable times for the purpose of confirming the Purchaser's compliance with this Agreement.

## **SECTION 16. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.**

The Purchaser warrants that no agent, official, or employee of the City shall have any personal interest, direct or indirect, in this Agreement, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, or association in which he or she is

directly or indirectly interested. No agent, official, or employee of the City shall be personally liable to the Purchaser or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Purchaser or successor or on any obligation under the terms of this Agreement.

## SECTION 17. INDEMNIFICATION.

The Purchaser agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with: (i) the failure of the Purchaser to perform its obligations under this Agreement; (ii) the failure of the Purchaser or any contractor to pay contractors, subcontractors or material suppliers in connection with the construction of the Improvements; (iii) a material misrepresentation or omission in the Plan which is the result of information supplied or omitted by the Purchaser or by any agents, employees, contractors or persons acting under the control or at the request of the Purchaser; (iv) the failure of the Purchaser to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto; and (v) any actions resulting from any activity undertaken by the Purchaser on the Property prior to or after the conveyance of said Property to the Purchaser by the City. This indemnification shall survive any termination of this Agreement.

## SECTION 18. ENVIRONMENTAL MATTERS.

The City makes no covenant, representation or warranty as to the environmental condition of the Property or the suitability of the Property for any purpose whatsoever, and the Purchaser agrees to accept the Property "as is."

It shall be the responsibility of the Purchaser, at its sole cost and expense, to investigate and determine the soil and environmental condition of the Property. Prior to the Closing, the Purchaser shall have the right to request a right of entry for the purpose of conducting environmental tests on the Property. If such a request is made, the City shall grant the Purchaser a right of entry for such purposes. The granting of the right of entry, however, shall be contingent upon the Purchaser obtaining all necessary permits and the following types and amounts of insurance: a) commercial general liability insurance with a combined single limit of not less than \$1,000,000.00 per occurrence for bodily injury, personal injury and property damage liability with the City named as an additional insured; b) automobile liability insurance with limits of not less than \$1,000,000.00 per occurrence, combined single limit for bodily injury and property damage; and c) worker's compensation and occupational disease insurance in statutory amounts covering all employees and agents who are to do any work on the Property. All insurance policies shall be from insurance companies authorized to do business in the State of Illinois, and shall remain in effect until completion of all activity on the Property. The Purchaser shall deliver duplicate policies or certificates of insurance to the City prior to commencing any activity on the Property. The Purchaser expressly understands and agrees that any coverage and limits furnished by the

Purchaser shall in no way limit the Purchaser's liabilities and responsibilities set forth in this Agreement.

The Purchaser agrees to carefully inspect the Property prior to the commencement of any activity on the Property to make sure that such activity shall not damage surrounding property, structures, utility lines or any subsurface lines or cables. The Purchaser shall be solely responsible for the safety and protection of the public. The City reserves the right to inspect any work being done on the Property. The Purchaser's activities on the Property shall be limited to those reasonably necessary to perform the environmental testing. Upon completion of the work, the Purchaser agrees to restore the Property to its original condition. The Purchaser shall keep the Property free from any and all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or for the Purchaser, and agrees to indemnify and hold the City harmless against any such liens.

The Purchaser agrees to deliver to the City a copy of each report prepared by or for the Purchaser regarding the environmental condition of the Property. If prior to the Closing, the Purchaser's environmental consultant determines that contamination exists on the Property to such an extent that the parties agree that the estimated cost of remediation (such estimated cost being determined by the consultant) is too excessive for the Purchaser, the Purchaser may declare this Agreement null and void. In such event, the City shall return the Earnest Money and Performance Deposit to the Purchaser. The Purchaser agrees that a request to terminate this Agreement shall not be made until all reports concerning the condition of the Property have been reviewed by the City.

If after the Closing, the environmental condition of the Property is not in all respects entirely suitable for the use to which the Property is to be utilized, it shall be the sole responsibility and obligation of the Purchaser to take such action as is necessary to put the Property in a condition entirely suitable for the intended use of the Property. The Purchaser agrees to release and indemnify the City from any claims and liabilities relating to or arising from the environmental condition of the Property and to undertake and discharge all liabilities of the City arising from any environmental condition which existed on the Property prior to the Closing.

## **SECTION 19. PURCHASER'S EMPLOYMENT OBLIGATIONS.**

A. Employment Opportunity. The Purchaser agrees, and shall contractually obligate its various contractors, subcontractors or any affiliate of the Purchaser operating on the Property (collectively, the "Employers" and individually, an "Employer") to agree that with respect to the provision of services in connection with the construction of the Improvements or occupation of the Property:

1. Neither the Purchaser nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of

Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). The Purchaser and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Purchaser and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Purchaser and each Employer, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

2. To the greatest extent feasible, the Purchaser and each Employer is required to present opportunities for training and employment of low and moderate income residents of the City; and to provide that contracts for work in connection with the construction of the Improvements be awarded to business concerns which are located in, or owned in substantial part by persons residing in the City.
3. The Purchaser and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, but not limited to, the Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.
4. The Purchaser, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.
5. The Purchaser and each Employer shall include the foregoing provisions of subparagraphs 1 through 4 in every contract entered into in connection with the construction of the Improvements, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors; and every agreement with any affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

6. Failure to comply with the employment obligations described in this Section 19.A shall be a basis for the City to pursue remedies under the provisions of Section 15, above.

B. City Resident Employment Requirement. The Purchaser agrees, and shall contractually obligate the Employers to agree that during the construction of the Improvements they shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 3-92-330 of the Municipal Code of Chicago (at least fifty percent of the total worker hours worked by persons on the construction of the Improvements shall be performed by actual residents of the City of Chicago); provided, however, that in addition to complying with this percentage, the Purchaser and the Employers shall be required to make good faith efforts to utilize qualified residents of the City of Chicago in both unskilled and skilled labor positions.

The Purchaser and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Purchasing Agent of the City of Chicago.

"Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

The Purchaser and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Improvements. The Purchaser and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the company hired the employee should be written in after the employee's name.

The Purchaser and the Employers shall provide full access to their employment records to the Purchasing Agent of the City, DPD, the Superintendent of the Chicago Police Department, the Inspector General, or any duly authorized representative thereof. The Purchaser and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years from and after the issuance of the Certificate.

At the direction of DPD, the Purchaser and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

UNOFFICIAL COPY

Property of Cook County Clerk's Office

Good faith efforts on the part of the Purchaser and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Purchasing Agent) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

In the event that the City has determined that the Purchaser or an Employer failed to ensure the fulfillment of the requirements of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance which has not been remedied in accordance with the breach and cure provisions contained in Section 15.C herein, it is agreed that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Purchaser's budget shall be surrendered by the Purchaser and for the Employers to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Purchaser and/or the other Employers or employee to prosecution.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

The Purchaser shall cause or require the provisions of this Section 19.B to be included in all construction contracts and subcontracts related to the construction of the Improvements.

C. The Purchaser's MBE/WBE Commitment. The Purchaser agrees, and shall contractually obligate the Employers to agree, that during the construction of the Improvements:

1. Consistent with the findings which support the Minority-Owned and Women Owned Business Enterprise Procurement Program (the "MBE/WBE Program"), Section 2-92-420 et seq. of the Municipal Code of Chicago, and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 19.C, during the course of construction of the Improvements, at least the following percentages of the aggregate hard construction costs shall be expended for contract participation by minority-owned businesses ("MBEs") and by women-owned businesses ("WBEs"):
  - a. At least 25% by MBEs.
  - b. At least 5% by WBEs.

2. For purposes of this Section 19.C only, the Purchaser (and any party to whom a contract is let by the Purchaser pursuant to this Agreement) shall be deemed a "Contractor" and this Agreement (and any contract let pursuant thereto) shall be deemed a "Contract" as such terms are defined in Section 2-92-420 of the Municipal Code of Chicago. In addition, the term "minority-owned business" or MBE shall mean a business enterprise identified in the Directory of Certified Minority Business Enterprises published by the City's Purchasing Department, or otherwise certified by the City's Purchasing Department as a minority-owned business enterprise; and the term "women-owned business" or WBE shall mean a business enterprise identified in the Directory of Certified Women Business Enterprises published by the City's Purchasing Department, or otherwise certified by the City's Purchasing Department as a women-owned business enterprise.
3. Consistent with Section 2-92-440 of the Municipal Code of Chicago, the Purchaser's MBE/WBE commitment may be achieved by the Purchaser utilizing a MBE or a WBE as a contractor, by subcontracting or causing a contractor to subcontract a portion of the work to one or more MBEs or WBEs, or by the purchase of materials used in the construction of the Improvements from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Purchaser's MBE/WBE commitment as described in this Section 19.C.
4. The Purchaser shall deliver quarterly reports to the Department describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include inter alia the name and business address of each MBE and WBE solicited by the Purchaser or a contractor to work on the Improvements, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the Department in determining the Purchaser's compliance with this MBE/WBE commitment.
