The agent will have authority to exercise each granted power for and in the name of the principal with respect to all of the principal's interests in every type of property or transaction covered by the granted power at the time of exercise, whether the principal's interests are direct or indirect, whole or fractional, legal, equitable or contractual, as a joint tenant or tenant in common or held in any other form; but the agent will not have the power under any of the statutory categories (a) through (c) to make gifts of the principal's property, to exercise powers to appoint to others or to change any beneficiary whom the principal has designated to take the principal's interests at death under any will, trust, joint tenancy, beneficiary form or contractual arrangement.
