If the amounts of funds held by Lender at any time are not sufficient to pay the Escrow Items when due, Lender may notify the Borrower and require Borrower to make up the shortage as permitted by RESPA.

The Escrow Funds are pledged as additional security for all sums secured by this Security Instrument. If Borrower tenders to Lender the full payment of all such sums, Borrower's account shall be credited with the balance remaining for all installment items (a), (b), and (c) and any mortgage insurance premium installment that Lender has not become obligated to pay to the Secretary, and Lender shall promptly refund any excess funds to Borrower. Immediately prior to a foreclosure sale of the Property or its acquisition by Lender, Borrower's account shall be credited with any balance remaining for all installments for items (a), (b), and (c).

3. Application of Payments. All payments under paragraphs 1 and 2 shall be applied by Lender as follows:

Second, to any taxes, special assessments, leasehold payments or ground rents, and fire, flood and other hazard insurance premiums, as required;

Third, to interest due under the Note;

Fourth, to amortization of the principal of the Note; and

Fifth, to late charges due under the Note.

In the event of loss, Borrower shall give Lender immediate notice by mail. Lender may make proof of loss if not made promptly by Borrower. All or any part of the insurance proceeds may be applied by Lender, at its option, either (a) to the reduction of the indebtedness under the Note and this Security Instrument, first to any delinquent amounts applied in the order in paragraph 3, and then to prepayment of principal, or (b) to the restoration or repair of the damaged Property. Any application of the proceeds to the principal shall not extend or postpone the due date of the monthly payments which are referred to in paragraph 2, or change the amount of such payments. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and fee title shall not be merged unless Lender agrees to the merger in writing.

Borrower shall have no obligation to pay any increase in the monthly payment if the notice occurs at least 25 days after Lentor has given Borrower the notice of changes required by Paragraph (F) of this Rider. Lentor has given Borrower the notice of changes required by Paragraph (F) of this Rider if Lentor failed to give timely notice of the decrease in monthly payment or if Lentor has given the required notice, but Lentor has given the required notice less than 25 days after Lentor has given the required notice. If the monthly payment amount calculated in accordance with Paragraph (E) of this Rider for any monthly payment occurring less than 25 days after Lentor has given the required notice, Lentor shall make a payment in the new monthly amount calculated in accordance with Paragraph (E) of this Rider for any monthly payment occurring less than 25 days after Lentor has given the required notice.

(H) Notice of Changes

Lentor will give notice to Borrower of any change in the interest rate and monthly payment before the date of the notice given at least 25 days before the new monthly payment begins. The notice must be given at least 25 days before the new monthly payment is due, and must set forth (i) the new interest rate, (ii) the Change Date, (iii) the old interest rate, and (iv) any other information which may be required by law from time to time.

(E) Calculation of Payment Change

If the interest rate changes on a Change Date, Lentor will calculate the amount of monthly payment of principal and interest which would be necessary to repay the unpaid principal balance in full at the Maturity Date at the new interest rate through substantially equal payments. In making such calculation, Lentor will use the unpaid principal balance which would be owed on the Change Date if there had been no default in payment on the Note, reduced by the amount of any prepayments to principal. The result of this calculation will be the amount of the new monthly payment of principal and interest.
