If the amounts held by Lender for Escrow Items exceed the amounts permitted to be held by RESPA, Lender shall account to Borrower for the excess funds as required by RESPA. If the amounts of funds held by Lender at any time are not sufficient to pay the Escrow Items when due, Lender may notify the Borrower and require Borrower to make up the shortage as permitted by RESPA.

The Escrow Funds are pledged as additional security for all sums secured by this Security Instrument. If Borrower tenders to Lender the full payment of all such sums, Borrower's account shall be credited with the balance remaining for all installment items (a), (b), and (c) and any mortgage insurance premium installment that Lender has not become obligated to pay to the Secretary, and Lender shall promptly refund any excess funds to Borrower. Immediately prior to a foreclosure sale of the Property or its acquisition by Lender, Borrower's account shall be credited with any balance remaining for all installments for items (a), (b), and (c).

3. Application of Payments. All payments under paragraphs 1 and 2 shall be applied by Lender as follows:

First, to the mortgage insurance premium to be paid by Lender to the Secretary or to the monthly charge by the Secretary instead of the monthly mortgage insurance premium;

Second, to any taxes, special assessments, leasehold payments or ground rents, and fire, flood and other hazard insurance premiums, as required;

Third, to interest due under the Note;

Fourth, to amortization of the principal of the Note; and

Fifth, to late charges due under the Note.

Borrower shall also insure all improvements on the Property, whether now in existence or subsequently erected, against loss by floods to the extent required by the Secretary. All insurance shall be carried with companies approved by Lender. The insurance policies and any renewals shall be held by Lender and shall include loss payable clauses in favor of, and in a form acceptable to, Lender.

In the event of loss, Borrower shall give Lender immediate notice by mail. Lender may make proof of loss if not made promptly by Borrower. Each insurance company concerned is hereby authorized and directed to make payment for such loss directly to Lender, instead of to Borrower and to Lender jointly. All or any part of the insurance proceeds may be applied by Lender, at its option, either (a) to the reduction of the indebtedness under the Note and this Security Instrument, first to any delinquent amounts applied in the order in paragraph 3, and then to prepayment of principal, or (b) to the restoration or repair of the damaged Property. Any application of the proceeds to the principal shall not extend or postpone the due date of the monthly payments which are referred to in paragraph 2, or change the amount of such payments. Any excess insurance proceeds over an amount required to pay all outstanding indebtedness under the Note and this Security Instrument shall be paid to the entity legally entitled thereto.

The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

14. Governing Law; Severability. This Security Instrument shall be governed by Federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

15. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

16. Hazardous Substances. Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency, or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substances affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law.

As used in this paragraph 16, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph 16, "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

17. Assignment of Rents. Borrower unconditionally assigns and transfers to Lender all the rents and revenues of the Property. Borrower authorizes Lender or Lender's agents to collect the rents and revenues and hereby directs each tenant of the Property to pay the rents to Lender or Lender's agents. However, prior to Lender's notice to Borrower of Borrower's breach of any covenant or agreement in the Security Instrument, Borrower shall collect and receive all rents and revenues of the Property as trustee for the benefit of Lender and Borrower. This assignment of rents constitutes an absolute assignment and not an assignment for additional security only.

If Lender gives notice of breach to Borrower: (a) all rents received by Borrower shall be held by Borrower as trustee for benefit of Lender only, to be applied to the sums secured by the Security Instrument; (b) Lender shall be entitled to collect and receive all of the rents of the Property; and (c) each tenant of the Property shall pay all rents due and unpaid to Lender or Lender's agent on Lender's written demand to the tenant.

Borrower has not executed any prior assignment of the rents and has not and will not perform any act that would prevent Lender from exercising its rights under this paragraph 17.

Lender shall not be required to enter upon, take control of or maintain the Property before or after giving notice of breach to Borrower. However, Lender or a judicially appointed receiver may do so at any time there is a breach. Any application of rents shall not cure or waive any default or invalidate any other right or remedy of Lender. This assignment of rents of the Property shall terminate when the debt secured by the Security Instrument is paid in full.

(C) Calculation of Interest Rate Changes

Before each Change Date, Lender will calculate a new interest rate by adding a margin of Two and Three / Quarters percentage point(s) (2 . 7 5 0 %) to the Current Index and rounding the sum to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in paragraph (D) of this Rider, this rounded amount will be the new interest rate until the next Change Date.

(D) Limits on Interest Rate Changes

The existing interest rate will never increase or decrease by more than one percentage point (1.0%) on any single Change Date. The interest rate will never be more than five percentage points (5.0%) higher or lower than the initial interest rate, as stated in Paragraph 2 of the Note.

(E) Calculation of Payment Change

If the interest rate changes on a Change Date, Lender will calculate the amount of monthly payment of principal and interest which would be necessary to repay the unpaid principal balance in full at the Maturity Date at the new interest rate through substantially equal payments. In making such calculation, Lender will use the unpaid principal balance which would be owed on the Change Date if there had been no default in payment on the Note, reduced by the amount of any prepayments to principal. The result of this calculation will be the amount of the new monthly payment of principal and interest.

(F) Notice of Changes

Lender will give notice to Borrower of any change in the interest rate and monthly payment amount. The notice must be given at least 25 days before the new monthly payment amount is due, and must set forth (i) the date of the notice, (ii) the Change Date, (iii) the old interest rate, (iv) the new interest rate, (v) the new monthly payment amount, (vi) the Current Index and the date it was published, (vii) the method of calculating the change in monthly payment amount, and (viii) any other information which may be required by law from time to time.

(G) Effective Date of Changes

A new interest rate calculated in accordance with paragraphs (C) and (D) of this Rider will become effective on the Change Date. Borrower shall make a payment in the new monthly amount beginning on the first payment date which occurs at least 25 days after Lender has given Borrower the notice of changes required by paragraph (F) of this Rider. Borrower shall have no obligation to pay any increase in the monthly payment amount calculated in accordance with paragraph (E) of this Rider for any payment date occurring less than 25 days after Lender has given the required notice. If the monthly payment amount calculated in accordance with paragraph (E) of this Rider decreased, but Lender failed to give timely notice of the decrease and Borrower made any monthly payment amounts exceeding the payment amount which should have been stated in a timely notice, then Borrower has the option to either (i) demand the return to Borrower of any excess payment, with interest thereon at the Note rate (a rate equal to the interest rate which should have been stated in a timely notice), or (ii) request that any excess payment, with interest thereon at the Note rate, be applied as payment of principal. Lender's obligation to return any excess payment with interest on demand is not assignable even if the Note is otherwise assigned before the demand for return is made.
