The Developer, its partners, the Board, the Association, members of the Board, officers of the Association, the Architectural control Committee, the agents (including any management agent), and employees of any of them (all of the above hereinafter collectively called the "Protected Parties") shall not be liable to the Owners or any other person for any mistake of judgment for any acts or omissions of any nature whatsoever in their respective positions, except for such acts or omissions found by a court of competent jurisdiction to constitute willful misfeasance, gross negligence, fraud or as otherwise, provided in this Declaration. All Owners, jointly and severally, shall indemnify, hold harmless, protect and defend any and all of the Protected Parties against all claims, suits, losses, damages, costs and expenses, including, without limitation, attorneys fees and amounts paid in reasonable settlement or compromise incurred in connection therewith.

5.14 Books and Records. The Board shall maintain the following records of the Association available for examination and copying during normal business hours by any Owner or their mortgagees and their duly authorized agents or attorneys:

5.16 Officers and Their Duties. The Officers of the Association shall be a President, a Secretary, a Treasurer and such other officers as the Board shall see fit. All such officers shall be selected from members of the Board. The officers of the Association shall be elected annually by the Board at the regular annual meeting of the Board. If the election of officers shall not be held at such meeting, such election shall be held as soon thereafter as is convenient. Vacancies may be filled or new offices created and filled by any meeting of the Board. Each officer shall hold office until his successor shall have been duly elected and shall have qualified. Any officer may resign at any time by giving written notice to the Board. Such resignation shall take effect on the date of receipt of such notice or at any later time specified therein, and unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective. A vacancy in any office because of death, resignation, removal, disqualification or otherwise, may be filled by the Board for the unexpired portion of the term. The office of Vice President may be kept vacant for any period of time if the Board of Directors declines to fill such office during such period. Any one individual may hold more than one office, provided, however, that no one individual simultaneously may hold the Offices of President and Treasurer.

The duties of the officers are as follows:

(a) President. The President shall be the chief executive officer of the Association and shall, in general, supervise and control all of the business and affairs of the Association. 5.17 ARCHITECTURAL CONTROL COMMITTEE

(a) Membership. The Architectural Control Committee shall consist of three Owners who shall be appointed by the Board. Until the initial meeting of voting members, the Developer shall act in lieu of the Architectural Control Committee.

(b) Powers and Duties. The Architectural Control Committee shall have the following powers and duties:

(i) To review requests by Owners for approval of any exterior addition to or modification or alteration to a Home or the Architectural Control Committee and, subject to final approval thereof by the Board, to render decisions thereon.

(ii) To propose to the Board rules, regulations and procedures concerning exterior maintenance, repair, landscaping, fences and the enforcement of the provisions of this Declaration in relation thereto.

(iii) The Architectural Control Committee shall have such other powers and duties as the Board shall from time to time delegate.

Any matter requiring the approval of the Architectural Control Committee shall be submitted to the Architectural Control Committee in writing and, if approved of any alteration or addition to a Home shall be requested, shall include preliminary design drawings, plans and specifications, elevations, landscaping schemes and descriptive materials showing the size, color, design, configuration, height, shape and materials of such alteration or addition. Within a reasonable time, not exceeding thirty (30) days after receipt of all such items, the Architectural Control Committee shall advise such Owner and the Board in writing.

(i) Whether such Owner's request has been approved or denied and if denied, the specific reasons therefor; or

(ii) Whether the Architectural Control Committee requires additional information, plans or other materials to render a decision, in which case such additional items shall be furnished as expeditiously as possible.

If additional items shall be required pursuant to subsection (b) above, within a reasonable period of time not exceeding ten (10) days from the date of receipt of all such items, the Architectural Control Committee shall advise such Owner and the Board in writing whether such Owner's request has been approved or denied and if denied, the specific reasons therefor. If such Owner's request for approval shall have been denied, such Owner shall have the right to appeal the decision of the Architectural Control Committee to the Board pursuant to Section 5.17(d) hereof.

(d) Right of Appeal. Any adverse decision of the Architectural Control Committee may be appealed to the Board, which shall render a final decision as to the matter in question. An Owner desiring to appeal shall so advise the Board in writing. The Board shall consult with the Architectural Control committee and such Owner, shall review the plans and other materials submitted by such Owner, and shall render a written decision as to the matter under consideration as expeditiously as practical. In rendering its decision, the Board shall take into consideration the criteria set forth in Section 7.05, the matter under review, and such other factors as the Board deems relevant in respect to the overall enhancement and presentation of the value and desirability of the Property.

(e) Review Criteria. In evaluating requests by Owners for approvals required of the Architectural Control Committee hereunder, the factors to be considered by the Architectural Control Committee shall include the following:

(i) The architectural integrity and compatibility of any proposed exterior modification to a Home with the design, color scheme and materials of such Home as originally constructed.

(ii) The aesthetic effect of any proposed modification to exterior fences or exterior lighting.

(iii) The Architectural Control Committee shall also consider such other factors as it deems relevant in assessing the overall effect of the Owner's request upon the maintenance and operation of the Property.

5.18 By-Laws. This Article Five shall constitute, and be deemed to be, the By-Laws of Wong Parkway Homeowners Association. Provisions of these By-Laws may be amended by affirmative vote of two-thirds (2/3) of Home Owners in the manner set forth in Section 7.03 hereof.

ASSESSMENTS

6.01 Personal Obligation. Each Owner (except for the Declarant and Developer), by acceptance of a deed for a Home, whether or not it shall be so expressed in any such deed or other conveyance for such Home, hereby covenants and agrees to pay to the Association such assessments and fees as are levied pursuant to the provisions of this Declaration. Such assessments and fees, whether special or otherwise, not paid when due, together with interest thereon at the rate of ten (10%) percent per annum, late fees (as the Board shall, from time to time, determine), and costs of collection, including attorneys' fees incurred in respect thereto whether or not suit shall be instituted, shall be a charge and a continuing lien upon the Home, against which such assessment is made. Furthermore, each such assessment, together with such interest, costs, late fees and other fees, shall be the personal obligation of the person who was the Owner of such Home on the date upon which such assessment became due. No Home or any interest therein may be transferred, sold or beneficial interest transferred (where title is held in land trust) by its Owner until such time as all outstanding assessments, together with any interest, costs, late fees and other fees, are paid to the Association, and any such transfer or sale in violation of this restriction shall be subject to the provisions hereof. The Developer or Declarant, to the extent that it shall be an Owner of any Homes which are leased to any person, shall, as to each such leased Home, be subject to the provisions of this Article from and after the first day of the month in which the Developer first receives rent for such Home. Except as provided in the preceding sentence, the Developer and Declarant shall not be liable for the payment of assessments hereunder, and portions of the Property owned by the Developer or Declarant shall not be subject to liens hereunder; provided, however, that the Developer shall pay the actual costs incurred by the Association attributable to the maintenance and repair of those portions of the Property owned by the Developer or Declarant.

6.02 Purpose of Assessment. The assessments and fees levied by the Association shall be used for the following purposes: (a) paying the cost of maintenance, repair, replacement and insurance of the Private Drive Easement, including the cost of labor, equipment, services (including utilities and security services, accountants', attorneys' and other professional fees, licenses and permits) and the materials in connection therewith; (b) the establishment of such reasonable reserves, if any, as the Board deems appropriate, (c) the performance of the duties of the Board as set forth in this Declaration, including the enforcement of the provisions thereof, (d) the payment of real estate taxes and special assessments for the Private Drive Easement, and (e) in general, carrying out the purposes of the Association as stated in this Declaration.

6.03 Annual Assessments. Each year, on or before December 1, the Board shall estimate the total amount (the "Aggregate Annual Assessment") necessary to provide the materials and services which will be required for the ensuing calendar year in the operation of

20705696

the Association and shall notify each Owner in writing as to the amount of the Aggregate Annual Assessment with a reasonable itemization thereof and of the amount thereof allocable to such Owner. Except as provided in this Declaration, each Owner (with the exception of the Developer and Declarant unless otherwise hereunder provided) shall be allocated that portion of the Aggregate Annual Assessment as shall be determined either by dividing the Aggregate Annual Assessment by the total number of Homes on the Property or in the proportion as determined by the ratio of the square footage of the townhome in relation to the square footage of the other townhomes as reasonably determined by the Board. On or before January 1 of the ensuing year, and on the first day of each and every month of said year, each Owner shall be personally liable for and obligated to pay one-twelfth (1/12) of the portion of the Aggregate Annual Assessment allocated to such Owner unless it is determined by the Board that such payments shall be made on a different basis during the calendar year. Upon the creation of the Association, the Board shall determine an initial Aggregate Annual Assessment for the period commencing with the incorporation date of the Association and the end of the calendar year in which it is incorporated.

6.04 Special Assessments. In addition to the annual assessments authorized pursuant to Section 6.03, the board may at any time or from time to time levy special assessments. Special assessments shall be levied for the purpose of defraying, in whole or in part, the cost incurred by the Association for any repair, replacement, maintenance, serve, labor, materials or capital improvement, not provided for in the Aggregate Annual Assessment for the then current calendar year. Except for special assessments which in the aggregate shall not exceed in any one twelve-month period the sum of \$200.00 per assessed Home, any special assessment shall first be approved by the affirmative votes of not less than one-half (1/2) of the votes cast at the annual or a special meeting of the Members called and held in accordance with the provisions hereof. Special assessments shall be allocated to each Owner in the same manner as such Owner's respective share of the Aggregate Annual Assessment unless the Board shall determine that the benefits of any expense or any part thereof accrue to fewer than all of the Homes or to certain Homes in a greater degree to fewer than all of the Homes or to certain Homes in a greater degree than to other Homes, in which case the Board shall serve notice on the responsible parties of any such special assessment, or part thereof, which notice shall consist of a written statement setting forth the reason therefor, the amount and date on which such assessment (or installment thereof) shall become due and payable. The Developer shall be liable for the payment of special assessments on only those Homes for which the Developer is obligated to pay a regular assessment.

6.05 Notice and Quorum. Written notice of any meeting called for the purpose of authorizing any special assessment requiring approval pursuant to Section 6.04 hereof shall be sent to all members of not less than ten (10) days nor more than thirty (30) days in advance of the meeting. At such meeting, the presence in person or by proxy of Members entitled to cast at least one-half (1/2) of all the votes shall constitute a quorum.

6.06 Proof of Payment. Upon written demand of an Owner or mortgagee at any time, the Association shall furnish such Owner or mortgagee a written certificate signed by an officer of the Association setting forth whether there are any unpaid annual or special

20705696

assessments, interest, costs, late fees or other fees levied against such Owner's Home. Such certificate shall be conclusive evidence of payment of any annual or special assessments, interest, costs, late fees or other fees not stated therein as unpaid.

6.07 Nonpayment of Assessments. Any assessment which is not paid when due shall be deemed delinquent. If an assessment is not paid within ten (10) days after the delinquency date, such assessment shall bear interest at the rate provided in Section 6.01 from the delinquency date until paid, and the Board may impose a late charge as provided in Section 6.01. In the event of the failure of any Owner to pay any assessment, maintenance charge, interest charge, late fee or other fees or costs of collection, when due, the amount thereof shall constitute a lien on the Home of such Owner. The Board shall, in the name of and on behalf of the Association, have all rights and remedies to enforce such collections as shall from time to time be permitted by law, including bringing an action at law or in equity against such Owner and foreclosing the aforesaid lien. All expenses of the Association in connection with such action or proceedings, whether or not suit shall be instituted, including attorney's fees and court costs and other fees and expenses shall be charged to and assessed against such Owner) and shall be added to and deemed part of his assessments, and the Association shall have a lien for all of the same upon the Home of such Owner.

6.08 Subordination of Lien to Taxes and Mortgage. The lien of the assessments provided for herein shall be subordinate to (a) taxes, special assessments and special taxes theretofore or thereafter levied by any political subdivision or municipal corporation of this state or other state or federal taxes which by law are a lien on such Home prior to pre-existing recorded encumbrances thereof, and (b) the lien of any prior, recorded mortgage or trust deed on a Home.

6.09 Exemption from Assessment on Townhome Owned by Developer and Declarant. In order that those Homes which are improved and conveyed or leased by Developer, Declarant or its agents may, with reasonable promptness, receive the benefits of maintenance by the Association for the enjoyment of the residents of the Property, and also be subject to assessments therefor, and so as not to discourage the Developer and Declarant from voting for such assessments at such times as the Developer and Declarant may still own a substantial number of unoccupied Homes, and inasmuch as assessments levied against such Homes impose a burden on the Developer and Declarant without the Developer and Declarant desiring, or receiving the benefits of maintenance upon such Homes as may from time to time be provided by the Association. It is therefore expressly provided that no Home owned by the Developer and Declarant shall be subject to the assessments, charges and liens provided for herein until the date upon which such Home shall be conveyed to a bona fide purchaser or leased to any person who shall have commenced to pay rental therefor or sold pursuant to installment contract or articles of agreement for deed; provided, however, that each year, until the initial meeting of the elected Board pursuant hereto, the Developer shall contribute to the Association the amount, if any, by which the operating expenses of the Association incurred or paid during such year (exclusive of any amounts allocated to reserves) exceed the gross revenues of the Association during such year.

Upon the conveyance or leasing by Developer or Declarant of a Home which was theretofore entitled to the foregoing exemption from assessments, such Home and the Owner thereof shall immediately become subject to the payment of all assessments and other charges and the liens provided for herein.

6.10 Delay. The failure or delay of the Board to prepare or transmit to any Owner an Aggregate Annual Assessment in respect of any calendar year shall not constitute a waiver or release in any manner of such Owner's obligation to pay the monthly assessments or special assessments whenever assessed, and in the absence of any Aggregate Annual Assessment, unless otherwise determined by the Board, such Owner shall continue to pay the Board the monthly assessments in the installments in force and effect as of the most recent Aggregate Annual Assessment until a new Aggregate Annual Assessment shall become effective.

6.11 Use of Funds. All funds collected by the Board hereunder shall be held and expended for the benefit of the Owners and the Associate and for the purposes designated herein.

ARTICLE SEVEN

GENERAL

7.01 Amendment by Developer. This Declaration may be amended by the Developer in any manner prior to the conveyance by Developer of any Home. The Developer reserves the right to record a special amendment ("Special Amendment") to this Declaration at any time and from time to time which amends this Declaration (i) to comply with requirements of the Federal National Mortgage Association, the Government National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Federal Housing Association, the Veteran's Administration, or any other governmental agency or any other public, quasi public or private entity which performs or may in the future perform functions similar to (nos) currently performed by such entities, (ii) to induce any of such agencies or entities (including without limitation any bank or savings association) to make, purchase, sell, insure or guarantee first mortgages covering Homes, or (iii) to correct clerical or typographical errors in this Declaration or any Exhibit hereto or any supplement or amendment thereto. In furtherance of the foregoing, a power coupled with an interest is hereby reserved and granted to the Developer to make any change or modification as authorized hereunder on behalf of each Owner and their respective mortgagees as attorney-in-fact for such Owner. Each deed, mortgage, trust deed, or other evidence or obligation affecting a Home and the acceptance thereof shall be deemed to be a grant and acknowledgment of and a covenant and reservation of the power of the Declarant as aforesaid. Such amendment shall become effective upon recording in the office of the Recorder of Deeds of Cook County, Illinois. The right of Developer to act pursuant to rights reserved or granted under this Section shall terminate at such time as the Developer no longer holds or controls title to a Home at the Property.

7.03 Amendment. After the initial meeting of the voting members, the provisions of this Declaration may be amended by an instrument executed and acknowledged by the Board and approved by the Owners of not less than two-thirds (2/3) of the Homes which are subject to the provisions of this Declaration. An Amendment shall not be effective until it is recorded in the office of the Recorder of Deeds of Cook County, Illinois.

7.05 Titleholding Land Trust. In the event title to any Home is conveyed to a title holding trust, under the terms of which all power of management, operation and control of such Home remains vested in the trust beneficiary or beneficiaries, then the beneficiary or beneficiaries thereunder from time to time shall be responsible for payment of all obligations, liens or indebtedness and for the performance of all agreements, covenants and undertakings chargeable or created under this Declaration against such Home. No claim shall be made against any such titleholding trustee personally for payment of any lien or obligations hereunder created and the trustee shall not be obligated to sequester funds or trust property to apply in whole or in part against such lien or obligation. The amount of such lien or obligation shall continue to be a charge or lien upon such Home and the beneficiaries of such trust notwithstanding any transfers of the beneficial interest of any trust or any transfers of title to such Home.

7.06 Duration. The covenants, restrictions, conditions, reservations, liens and charges imposed or established by or created under this Declaration shall run with and bind the land for a period of forty (40) years from the date of the recording of this Declaration. Failure by the Association or any Owner to so enforce the provision contained herein shall in no event be deemed waiver of the right to do so thereafter. After the expiration of said forty (40) year period, all of such covenants, restrictions, conditions, reservations, liens and charges shall continue to run with and bind the land for successive periods of ten (10) years each unless revoked, changed or amended in whole or in part, by an instrument in writing which is executed by the Owners of not less than two-thirds of the holders of first mortgages on the Homes.
