attorneys' fees to protect its interest in the Property and/or rights under this Security Instrument, incl. ding its secured position in a bankruptcy proceeding. Securing the Property includes, but is not limite I to, entering the Property to make repairs, change locks, replace or board up doors and windows, drain hater from pipes, eliminate building or other code violations or dangerous conditions, and have utilities n raed on or off. Lender can no longer require loss reserve payments if Mortgage Insurance coverage (in the amount and for the period that Lender recuires) provided by an insurer selected by Lender again becomes available, is obtained, and Lender requires separately designated payments toward the premiums for Mortgage Insurance. Nothing n this Section 10 affects Borrower's obligation to pay interest at the rate provider in the Note.

Mortgage Insurance reimburses Lender (or any entity that purchases the Note) for certain ic sees it may incur if Borrower does not repay the Loan as agreed. Borrower is not a party to the Mc tgage

Insurance.

Mortgage insurers evaluate their total risk on all such insurance in force from une to time, at I may enter into agreements with other parties that share or modify their risk, or reduce losses. These agre ments are on terms and conditions that are satisfactory to the mortgage insurer and the other party (or par ics) to these agreements. These agreements may require the mortgage insurer to make payments using my source of funds that the mortgage insurer may have available (which may include funds obtained from Me agage Insurance premiums).

As a result of these agreements, Lender, any purchaser of the Note, another insurer, any reason are any other entity, or any affiliate of any of the foregoing, may receive (directly or indirectly) amounts that derive from (or might be characterized as) a portion of Borrower's payments for Mortgage Insura ice, in exchange for sharing or modifying the mortgage insurer's risk, or reducing losses. If such agreement provides that an affiliate of Lender takes a share of the insurer's risk in exchange for a share of the premiums paid to the insurer, the arrangement is often termed "captive reinsurance." Further:

(a) Any such agreements will not affect the amounts that Borrower has agreed to p.y. for Mortgage Insurance, or any other terms of the Loan. Such agreements will not increase the a nount

Borrower will owe for Mortgage Insurance, and they will not entitle Borrower to any refund.

(b) Any such agreements will not affect the rights Borrower has - if any - with respect to the Mortgage Insurance under the Homeowners Protection Act of 1998 or any other law. These rights may include the right to receive certain disclosures, to request and obtain cancellation of the Mortgage Insurance, to have the Mortgage Insurance terminated automatically, and/or to receive a refund of any Mortgage Insurance premiums that were uncarned at the time of such cancellatio t or termination.

11. Assignment of Miscellaneous Proceeds; Forfeiture. All Miscellaneous Proceeds are he eby

assigned to and shall be paid to Lender.

During such repair and restoration period, Lender shall have the right to hold such Miscellaneous Procests until Lader has had an opportunity to inspect such Property to ensure the work has been completed to Lender atisfaction, provided that such inspection shall be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the wo k is completed. Utless an agreement is made in writing or Applicable Law requires interest to be paid on such Miscellaneov. Proceeds, Lender shall not be required to pay Borrower any interest or earnings on such Miscellaneous Proceeds. If the restoration or repair is not economically feasible or Lender's security vould be lessened, the Mile el'aneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due with the excess, if any, paid to Borrower. Such Miscellaneous Proceeds shill be applied in the order provided for in Section 2.

In the event of a total aking, destruction, or loss in value of the Property, the Miscella eous Proceeds shall be applied to we sums secured by this Security Instrument, whether or not then due, with

the excess, if any, paid to Borrower.

In the event of a partial takin c. destruction, or loss in value of the Property in which the fair n arket value of the Property immediately b fore the partial taking, destruction, or loss in value is equal to or greater than the amount of the sums se und by this Security Instrument immediately before the I attal taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be rejected by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the partial taking, destruction, or loss in value divided by (b) the fair market value of the Property immediately before the partial taking, destruction, or loss in value. Any balance shall be paid to Born wer. In the event of a partial taking, destruction, or loss in value of the Property in which the fair r arket

value of the Property immediately before the partial taking destruction, or loss in value is less th n the amount of the sums secured immediately before the partial raling, destruction, or loss in value, ruless Borrower and Lender otherwise agree in writing, the Miscelleneous Proceeds shall be applied to the sums

secured by this Security Instrument whether or not the sums are then due

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the Opposing Party (as defined in the next sentence) offers to make an award to settle a claim for dat uges, Borrower fails to respond to Lender within 30 days after the date the nonce is given, Lender is auch nized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due. "Opposing Party means the thire party that owes Borrower Miscellaneous Proceeds or the party against whom Borrower has 2 right of act on in regard to Miscellaneous Proceeds.

Borrower shall be in default if any action or proceeding, whether civil or criminal, it begun t at, in Lender's judgment, could result in forfeiture of the Property or other material impairment of Li Mer's interest in the Property or rights under this Security Instrument.
