Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances, or treaten to release any Hazardous Substances, on or in the Property, or Borrower shall not do, nor allow anyone else to do, anything affecting the Property (a) that is in violation of any Environmental Law, (b) which

21. **Hazardous Substances**. As used in this Section 21: (a) "Hazardous Substances" are those substances defined as toxic or hazardous substances, pollutants, or wastes by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials; (b) "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection; (c) "Environmental Clean-up" includes any response action, remedial action, or removal action, as defined in Environmental Law; and (d) an "Environmental Condition" means a condition that can cause, contribute to, or otherwise trigger an Environmental Clean-up.

Neither Borrower nor Lender may commence, join, or be joined in, any judicial action (as either an individual litigant or the member of a class) that arises from the other party's actions pursuant to this Security Instrument or that alleges that the other party has breached any provision of, or any duty owed by reason of, this Security Instrument, until such Borrower or Lender has notified the other party (with such notice given in compliance with the requirements of Section 15) of such alleged breach and afforded the other party (within a reasonable time after the giving of such notice to take corrective action). If Applicable Law provides a time period which must elapse before certain action can be taken, that time period will be deemed to be reasonable for purposes of this paragraph. The notice of acceleration given to Borrower pursuant to Section 18 shall be deemed to satisfy the notice and opportunity to take corrective action provisions of this Section 20.

20. **Sale of Note, Change of Loan Servicer; Notice of Termination.** The Note or a partial interest in the Note (together with this Security Instrument) can be sold one or more times without prior notice to Borrower. A sale might result in a change in the entity (known as the "Loan Servicer") that collects Periodic Payments due under the Note and this Security Instrument and performs other mortgage services under the Note. This Security Instrument and this Note may also be sold one or more times without prior notice to Borrower. A sale might result in a change of the name of the Loan Servicer or the Note. There also may be one or more changes of the Loan Servicer. If there is a change of the Loan Servicer, Borrower will be given written notice of the sale of the Note. If the new Loan Servicer makes any changes in servicing obligations under the Note, this Security Instrument, and Applicable Law. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If the new Loan Servicer makes any changes in servicing obligations under the Note, the Noteholder will state the name and address of the new Loan Servicer, the address to which payments should be made and any other information RESPA requires in connection with a transfer of servicing. If the Note is sold and any obligations to Borrower will remain with the Loan Servicer or be transferred to a successor loan servicer and are not assumed by the Note purchaser unless otherwise provided by the Noteholder and Servicer and are transferred to another loan servicer other than the Note purchaser of the Note, the mortgage loan servicing thereafter the Note is serviced by a Loan Servicer other than the Note purchaser of the Note, if the Note is sold and the Noteholder purchases the Note from the Note purchaser, the Noteholder will be responsible for the Note and the Noteholder will be liable for any obligations under the Note.

19. Borrower's Right to Remediate After Acceleration. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earliest of five days before sale of the Property pursuant to Section 22 of this Security Instrument; (a) such other period as applicable Law might specify for the termination of Borrower's right to remitiate; or (c) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower has paid all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenantants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorney fees, property inspection and valuation fees, and other fees incurred for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument; and (d) takes such action as Lender may reasonably require to assure that Lender's interest in the Property and rights under this Security Instrument is not impaired by any subsequent transaction.

20. Security Interest in Personal Property. Lender may require that Borrower pay such expenses in one or more of the following forms, as selected by Lender: (a) cash; (b) money ordered; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposit is insured by a federal agency, instrumentality or entity; or (d) Electronic Funds Transfer. Upon receipt of payment by Lender, this Security Instrument and obligations secured hereby shall remain effective as if no acceleration had occurred. However, this Security Instrument and obligations secured hereby shall not apply in the case of acceleration under Section 18.

If all or any part of the Property or any interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in the Property is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and provisions contained in this 1-4 Family

by the Security Instrument.

1. **CROSS-DEFALT PROVISION.** Borrower's default or breach under any note or agreement in which Lender has an interest shall be a breach under the Security Instrument and Lender may invoke any of the remedies permitted

Leender, or Leenders' agents or a judicially appointed receiver, shall not be required to enter upon, take control of or maintain the Property before or after giving notice of default to Extrawer, However, Leender, or Leenders' agents or a judicially appointed receiver, may do so at any time when a default occurs. Any application of Rents shall not cure or waive any default or invalidate any other right or remedy of Leender. This assignment of Rents of the Property shall terminate when all the sums secured by the Security Instrument are paid in full.

Borrower represents and warrants that Borrower has not, executed any prior assignment of the Rents and has not and will not perform any act that would prevent Lender from exercising its rights under this paragraph.

If the Rents of the Property are not sufficient to cover the costs of taking control of and managing the Property and/or collecting the Rents any funds expended by Lender for such purposes shall become indebtedness of Borrower to Lender secured by the Security Instrument pursuant to Section 9.

If Lender gives notice of default to Borrower: (i) all Rents received by Borrower shall be held by Borrower as trustee for the benefit of Lender only, to be applied to the sums secured by the Security Instrument; (ii) Lender shall be entitled to collect and receive all of the Rents of the Property; (iii) Borrower agrees that each tenant of the Property shall pay all Rents due and unpaid to Lender or Lender's agents upon Lender's written demand to the tenant; (iv) unless applicable law provides otherwise, all Rents collected by Lender or Lender's agents shall be applied first to the costs of taking control of and managing the Property and collecting the Rents, including the Rents, incurred, but not limited to, attorney's fees, premiums on receivable bonds, repair and maintenance costs, insurance premiums, taxes, assessments and other charges on the Property, and then to the sums secured by the Security Instrument; (v) Lender, Lender's agents or any judge initially appointed receiver shall be liable to account for only those Rents actually received; and (vi) Lender shall be entitled to have a receiver appointed to take possession of and manage the Property and collect the Rents and profits derived from the Property without any showing as to the inadequacy of the Property as security.

H. ASSIGNMENT OF RENTS; APPOINTMENT OF RECEIVER; LENDER IN POSSESSION. Borrower absolutely and unconditionally assigns and transfers to Lender all the rents and revenues ("Rents") of the Property, regardless of to whom the Rents of the Property are payable. Borrower authorizes Lender or Lender's agents to collect the Rents, and agrees that each tenant of the Property shall pay the Rents to Lender or Lender's agents. However, Borrower shall receive the Rents until (i) Lender has given Borrower notice of default pursuant to Section 22 of the Security Instrument and (ii) Lender has given notice to the tenant(s) that the Rents are to be paid to Lender or Lender's agent. This assignment of Rents constitutes an absolute assignment and not an assignment for additional security only.

G. ASSIGNMENT OF LEASES. Upon Lenders' request after default, Borrower shall assign to Lender all leases or the Property and all security deposits made in connection with leases of the Property. Upon the assignment, Lender shall have the right to modify, extend or terminate the existing leases and to execute new leases, in Lender's sole discretion. As used in this paragraph G, the word "lease" shall mean "sublease" if the Security instrument is on a leasehold.
