ARTICLE 3 MEMBERSHIP AND BOARD OF DIRECTORS

- 3.01 Membership. Every owner of a Lot shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot. Ownership of a Lot shall be the sole qualification for membership.
- 3.02 Voting Rights. The Association shall have one class of membership and each member shall have one vote for each Lot such member owns, provided that in no event shall more than one (1) vote be cast with respect to any Lot. If more than one person is the record owner of any Lot, or if an Owner is a trustee, corporation, partnership or other legal entity, the vote for such Lot shall be exercised as such Owner of that Lot shall designate. Such designation shall be made in writing to the Board (as defined herein) or in such other manner as may be provided in the by-laws of the Association attached hereto as Exhibit "C" (the "By-Laws"). Developer shall designate the person who shall exercise the voting rights with respect to the Lots owned by Declarant.
- 3.03 Board of Directors. The Association shall be governed by a Board of Directors (the "Board") comprised of not less than three (3) persons, duly appointed or elected as provided herein and in the By-laws; provided, however, that the number of persons comprising the Board may be increased, in the discretion of Developer, by written notice to the Association at the time or times that any part of the Additional Property is annexed; provided, further, that in no event shall the number of persons comprising the Board exceed five (5). Except for directors appointed by Developer, all directors shall be members of the Association. The Board shall govern the Association in the exercise of the rights of the Association and performance of the Association's obligations in accordance with the terms and provisions of this Declaration and the By-laws, as amended from time to time. Prior to the appointment of the first Board, the Developer shall exercise all rights, powers and privileges and act in the capacity of the Board and may perform all its functions as set forth in this Declaration and in the By-laws.
- 3.04 Appointment of Directors by Developer. Notwithstanding anything in this Declaration or the By-laws to the contrary, the first and each subsequent Board shall consist of, and vacancies on the Board shall be filled by, such persons as Developer shall from time to time appoint, who may but need not be members of the Association, until the first to occur of any one of the following events: (a) the expiration of ninety (90) days after the sale and transfer of title by Declarant of seventy-five (75%) percent of the total number of Lots, including those to be built on the additional property, if any; (b) five (5) years from the recording of this declaration; (c) Developer, by written notice to the Association, voluntarily elects to release its right to appoint all members of the Board. authority of the Board while the Developer has the right to appoint any members of the Board. Developer may, from time to time, by written notice to the Association, elect to relinquish its right to appoint any one or more directors, and continue to exercise its right to appoint the remaining members of the Board for the period hereinabove specified. All directors not appointed by Developer shall be elected as hereinafter provided.

Neither the directors nor the officers of the Association shall be personally liable to the Owners or the Association for any mistake of judgment or for any other acts or omissions of any nature whatsoever while acting in the capacity of such directors or officers, except for any acts or omissions found by a court to constitute gross negligence or fraud. The Association shall indemnify and hold harmless the directors and officers, their heirs and legal representatives, against all contractual and other liabilities to third parties arising out of the contracts made by or other acts of the directors and officers on behalf of the Owners or the Association or arising out of their status as directors or officers, unless any such contract or act shall have been made fraudulently or with gross negligence. The foregoing indemnification shall include indemnification against all costs and expenses (including, but not limited to, attorneys fees, amounts of judgments paid and amounts paid in settlement) actually and reasonably incurred in connection with the defense of any claim, action, suit or proceeding, whether civil, criminal, administrative or other, in which any such director or officer may be involved by virtue of being or having been such director or officer; provided, however, that such indemnity shall not be operative with respect to (i) any matter as to which any such person shall have finally been adjudged in such action, suit or proceeding to be liable for gross negligence or fraud in the performance of his duties as such director or officer, or (ii) any matter settled or compromised, unless, in the opinion of independent counsel selected by or in a manner determined by the Board, there is not reasonable ground for such person being adjudged liable for gross negligence or fraud in the performance of his duties as such director or officer.

- e. Real Estate Taxes. It is understood that real estate taxes are to be separately taxed to each Owner on their individual Unit. In the event the Unit real estate taxes are not issued a separate real estate tax bill, then, in such case, the amount due from each Owner shall be calculated based on the County assessor's records. In the event the tax bill is assessed against more than one Unit, and in the further event an Owner fails to pay his/her share within a reasonable time after the tax bill is issued, the Board may pay the outstanding tax bill and charge the cost thereof to such Owner as his/her personal obligation. Any real estate tax payment made by the Association shall be a continuing lien upon the nonpaying Owners' Unit in the aggregate amount of (i) the cost thereof, (ii) penalties and interest lawfully assessed by the County and (iii) reasonable attorneys' fees and any court or other costs incurred by the Association in connection therewith, which lien shall bind such Unit in the hands of such Unit Owner(s), their heirs, devisees, personal representatives, grantees and assigns. In the event the Unit Owner does not fully repay the Association within 30 days after payment of a Units' real estate taxes, such lien may be foreclosed against the Unit and shall be enforceable in the manner and to the extent herein set forth in this Declaration and the failure of such Owner to pay such costs shall carry with it the same consequences as the failure to pay any assessments levied hereunder when due, as herein provided.

4.02 Easements of Access.

- a. Every Owner is hereby granted and reserved a perpetual non-exclusive easement for the purpose of reasonable ingress and egress from his Lot to, through and from all public and private ways which adjoin the Property through, over and across the Access Area; provided, however, that no Owner may remove, relocate, or cause to be removed or relocated, any portion of the Access Area now or hereafter located upon his Lot.
- b. The Association, Declarant, and Developer, and each of them, is hereby granted and reserved perpetual non-exclusive easements to, through, over and across the Property for the purposes of exercising the rights, performing the functions, and discharging the responsibilities, permitted or required to be performed or discharged by any of them pursuant to any provision of this Declaration.

- 4.03 Municipal Service Easements. Declarant hereby grants a perpetual non-exclusive easement to the Village of Orland Park over the Property to enforce all applicable laws, ordinances and regulations and for the purpose of providing police and fire protection and such other municipal services as the Association may request and the Village of Orland Park may agree to furnish.

- 4.04 Implied Easements. Declarant hereby acknowledges that, due to the length and complexity of this Declaration, certain omissions may have occurred in connection with the grants of various easements including, but not limited to,

those for access, ingress and egress, use and enjoyment, utilities, light and air, support and maintenance. Declarant therefore hereby grants any easement omitted herein which easement is reasonably implied from and by the provisions and scheme of this Declaration and is reasonably necessary for the purpose of furthering the beneficial purposes and intentions of Declarant as expressed in this Declaration.

4.05 Encroachments. In the event that (a) by reason of design, construction, location, repair, settlement, shifting or movement, any dwelling or other improvement as originally constructed by Developer on any Lot or upon the Common Area overhangs or otherwise encroaches or shall hereafter encroach upon any other Lot or upon the Common Area, or (b) by reason of such design, construction, location, repair, settlement, shifting or movement it shall be necessary or advantageous to an Owner to use or occupy any portion of the Common Area for any reasonable use appurtenant thereto which will not unreasonably interfere with the use or enjoyment of the Common Area by other Owners, or by reason of the design or construction of utility, ventilation and exhaust systems, as originally constructed by Developer, any mains, pipes, ducts or conduits servicing any Lot or more than one Lot, encroach or shall hereafter encroach upon any part of any Lot, or the Common Area, then, in any such case, valid easements for the maintenance of such encroachment and for such use of the Common Area, together with the right to enter upon such other Lot or Common Area to maintain, repair and replace such encroachment are hereby established and shall exist for the benefit of such Lot or the Common Area, as the case may be, so long as such dwelling or other improvement shall remain standing; provided, however, that if any such dwelling or other improvement is partially or totally destroyed and thereafter repaired or rebuilt, the same encroachment may be re-established and the easements herein granted for the maintenance, repair and replacement thereof shall continue in force; provide further that in no event shall a valid easement for any encroachment or use of the Common Area be created in favor of any Owner if such encroachment or use is detrimental to or interferes with the reasonable use and enjoyment of the Common Area by other or if it occurred due to the willful conduct of any Owner.

4.06 Transfer of Common Area to Association. Declarant will convey to the Association and the Association shall accept the Common Area and the Common Area Outlots set forth on the Plat and any other Common Areas herein described and/or set forth on the Plat and any additions thereto, together with such facilities and improvements as the Developer may elect to install thereon and subject to such easements as the Developer may cause to be placed thereon, and at such time or times as the Developer shall determine, provided that all Common Areas shall be conveyed to the Association by the date upon which Developer shall cease to have the right to appoint one or more members of the Board. At the time of any

such conveyance to the Association, the Association shall assume and agree to perform the obligations of Declarant, Developer and the Association under this Declaration with respect to the property so conveyed.

- 4.07 Agreement for Grant of Easements. In the event, at any time after the recording of this Declaration, Declarant or Developer shall deem it necessary to do so, Declarant may (i) reserve or grant easements for the benefit of the Existing Property and the Additional Property in, over, under, to and across the Property for the installation, construction and maintenance of any and all public and private utility conduits, wires, ducts, pipes, cables and other lines, and all associated equipment for the provision of utilities services for the Existing Property and the Additional Property, including without limitation, those for the transmission and distribution of water, electricity, gas telephone, sewage, drainage, cable or satellite television, and (ii) dedicate any portion of the Common Area to any public or quasi-public utility or to any governmental authority for the installation, construction and maintenance of any such utilities and for ingress and egress thereto. For so long as Declarant owns a Lot subject to the terms hereof, Developer shall have the right to connect to all utilities serving the Property.
- 4.08 Rights of Occupants. All persons who reside on a Lot shall have the same rights to use and enjoy the Common Area and all improvements situated thereon as the Owner of that Lot.
- 4.09 Easements to Run with the Land. All easements and rights described herein are easements appurtenant, running with the land, perpetually in full force and effect, and at all times shall inure to the benefit of and be binding upon the Declarant, its successors or assigns, and any Owner, purchaser, mortgagee or other person having an interest in the Existing Property, or any part or portion thereof. Reference in the respective deeds of conveyance or in any mortgage or trust deed or other evidence of obligation to the easements and rights described in this Article or in any other part of this Declaration shall be sufficient to create and reserve such easements and rights to the respective grantees, mortgagees, or trustees as fully and completely as though such easements and rights were recited fully and set forth in their entirety in such documents.
- 4.10 No Dedication to Public Use. Nothing contained in this Declaration shall be construed or be deemed to constitute a dedication, express or implied, of any part of the Property to or for any public use or purpose whatsoever.
- 4.11 Certain Rights Reserved to Developer. The right is reserved by Declarant for Developer, or its agents, to place and maintain on the Property all models, sales offices, advertising signs and banners and lighting in connection therewith, and other promotional facilities at such locations and in such forms as shall be determined by Developer. There is also reserved to Developer, its agents and prospective purchasers and tenants, the right of ingress, egress and transient

Declarant also reserves the right for Developer to maintain on the Property without charge (i) a general office for the purpose of exercising the development and management rights and (ii) appropriate permanent and transient parking facilities for the employees of Developer and of Developer's agents and for prospective purchasers of lots in the Property or Additional Property. Developer's aforesaid reserved rights shall exist at any time Developer is engaged in the sale or leasing of lots on the Property or Additional Property, and no charge shall be made with respect thereto. In connection therewith, Declarant hereby reserves for the benefit of Developer a non-exclusive easement to, through, over and across the Property for the purpose of exercising the rights reserved to Developer pursuant to this Declaration. Such rights of Developer shall continue until the sale or rental of all Lots located on the Property and Additional Property unless Developer, by written notice to the Association, elects to terminate such rights prior to such date. All rights and easements created by this Declaration are subject and subordinate to the development rights of Developer, whether or not inconvenience to any Owner shall result therefrom; provided, however, that Developer shall not exercise any of such rights in a manner so as to prevent the exercise of the rights of use and enjoyment of the Common Area.

- b. Insurance. The Owner shall keep the Lot, as well as his additions and improvements thereto, constantly insured, covering the full insurable replacement cost of his Lot, for the benefit of the Association, against fire and such other hazards and risks customarily covered by the standard form of extended coverage endorsement available in the State where the Lot is located, including risks of vandalism and malicious mischief, and shall further provide flood insurance (if the Lot is situated in an area designated as a flood risk area by the Director of the Federal Emergency Management Agency or as otherwise required by the Flood Disaster Protection Act of 1973 and regulations issued under it), and such other appropriate insurance as the Association may require from time to time. The exterior of such structure, when rebuilt, shall be substantially the same as and of architectural design in conformance with the exterior of such structure immediately prior to such damage or destruction. If an Owner fails to make the necessary repairs or reconstruction within a reasonable time after such damage or destruction occurs, the Board may cause the same to be done and the cost thereof shall be charged to such Owner as his personal obligation and shall be a continuing lien upon said Lot to which any repair or rebuilding is furnished by the Association in the aggregate amount of (i) the cost thereof, (ii) interest at 18% or at the maximum rate permitted by the laws of Illinois, and (iii) reasonable attorneys' fees and any court or other costs incurred by the Association in connection therewith, which lien shall bind such Lot in the hands of such Lot Owner(s), their heirs, devisees, personal representatives, grantees and assigns. In the event the Lot Owner does not fully repay the Association within 30 days after repair and/or reconstruction, such lien may be foreclosed against the Lot and shall be enforceable in the manner and to the extent herein set forth in this Declaration and the failure of such Owner to pay such costs shall carry with it the same consequences as the failure to pay any assessments levied hereunder when due, as herein provided.

- 5.03 Maintenance of the Common Area Prior to Conveyance to Association. Notwithstanding the retention by Declarant of title to all or any portion of the Property designated as Common Area, the Association shall pay or reimburse the Developer for all real estate taxes and all other costs and expenses arising out of or incident to the ownership, maintenance and repair of such portion of the Common Area that is available for use by the Owners to the same extent as such costs and expenses would be the obligation of the Association if it were the record owner thereof.

- 5.04 Condemnation. In the case of a condemnation or taking by eminent domain (a "taking") by competent authority of any part of the Common Area, the Association shall, if necessary, restore the improvements in the remaining portion of the Common Area to conform as closely as possible to the general design, structure and materials used with respect to the improvements as they existed

prior to the taking. Any proceeds or awards made to the Association in connection with any such taking shall be applied first to the cost of any restoration, with the balance to be used by the Association to carry out its obligations under this Declaration.

ARTICLE 6 COVENANT FOR ASSESSMENTS

- 6.01 Creation of the Lien and Personal Obligation for Assessments. Each Owner of a Lot (excluding Declarant), by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, hereby covenants and agrees and shall be deemed to covenants and agree to pay to the Association, for each Lot owned by such Owner, all assessments and charges levied pursuant to this Declaration. Such assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a charge and a continuing lien upon the Lot against which such assessment is made. Each such assessment, together with such interest and costs, shall also be the continuing personal obligation of the person who was the Owner of such Lot at the time when such assessment fell due.
- 6.02 Purpose of Assessments. The assessments levied by the Association shall be used for the purpose of promoting the recreation, health, safety and welfare of the members of the Association and, in particular, without limiting the foregoing, for maintenance, repair, replacement, improvement and additions of and to the Common Area and the improvements thereon, for all taxes, insurance, utilities, professional and other services, materials, supplies, equipment and other costs and expenses incident to the ownership of the Common Area and all facilities and improvements thereon, for certain maintenance, repair and replacement of portions of the Lots and the exterior surfaces of certain improvements thereon, as hereinabove provided, and for otherwise carrying out the duties and obligations of the Board and of the Association as stated herein and in its Articles of Incorporation and By- laws.
- 6.03 Assessment Procedure - Annual Assessments.
- a. Each year, on or before December 1, the Board shall prepare a budget for the Association for the ensuing calendar year which shall include estimated cash expenditures and reasonable amounts as a reserve for repairs to and replacement of the improvements on the Common Area and those portions of the Lots for which the Association is responsible, and for such other contingencies as the Board may deem proper, and shall, on or before December 15, notify each Owner in writing of the amount of such estimate, with reasonable itemization thereof. The budget shall also take into account the estimated net available cash income for the year, if any, that may be received by the Association. On or before January 1 of the ensuing year, each Owner, jointly and severally, shall be personally liable

UNOFFICIAL COPY

for and obligated to pay the Board or as it may direct, one-twelfth (1/12) of the assessment made pursuant to this Section. On or before April 15 of each year following the initial meeting, the Board shall supply to all Owners an itemized accounting of actual expenses for the preceding calendar year actually incurred and paid, together with a tabulation of the amounts collected pursuant to the estimate provided, and showing the net amount over or short of the actual expenditures plus reserves. Any amount accumulated in excess of the amount required for actual expenses and reserves shall be credited to the next monthly installment due under the current year's estimate, until exhausted, and one-third (1/3) of any net shortage shall be added to the installments due in each of the succeeding three (3) months after rendering of the account. Such adjustment shall be allocated among the Lots that were subject to assessment during the prior year in the proportion that the annual assessment against each Lot during the year bears to the annual assessment against all the Lots during that year.

- b. If said annual assessments prove inadequate for any reason, including non-payment of any owner's assessment, the Board may, subject to the limitations on the use of capital reserves, charge the deficiency against existing reserves, or may levy a further assessment which shall be assessed against all Lots, subject to assessment, in accordance with Exhibit B attached hereto. The Board shall serve notice of such further assessment on all Owners by a statement in writing showing the amount due and reasons therefor, and such further assessment shall become effective with the monthly installment which is due more than fifteen (15) days after delivery or mailing of such notice of further assessment. All Owners shall be personally liable for and obligated to pay their respective adjusted monthly assessment.
- c. When the first Board elected hereunder takes office, it shall prepare a budget for the period commencing thirty (30) days after said election and ending on December 31 of the year in which said election occurs. Monthly assessments shall be levied against all Lots subject to assessment during said period as provided in Section 6.01 hereof.
- d. The failure or delay of the Board to prepare or serve the annual or adjusted-estimate on any Owner shall not constitute a waiver or release in any manner of such Owner's obligation to pay the maintenance costs and necessary reserves, as herein provided, whenever the same shall be determined, and in the absence of any annual estimate or adjusted estimate, the Owner shall continue to pay his monthly installment at the then existing rate established for the previous period until the monthly installment which is due more than ten (10) days after such new annual or adjusted estimate shall have been mailed or delivered.
- 6.04 Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Board may levy special assessments for the purpose of defraying, in whole or in part, the cost of constructing or purchasing a

UNOFFICIAL COPY

specified capital improvement upon or to the Common Area, and for the necessary fixtures and personal property related thereto, provided that, unless otherwise provided in the By-laws, any such assessments which in one year exceed \$1,000.00 shall first be approved by a majority of the Board and thereafter by a majority of the votes cast by members at a general or special meeting duly called for that purpose or, in lieu of such member's meeting, by an instrument signed by the members owning two-thirds (2/3) of the Lots. Special assessments levied hereunder shall be due and payable at such time or times and in such manner as shall be fixed by the Board, or, where applicable, as approved by the members and shall be used only for the specific purpose for which such assessment was levied.

- 6.05 Capital Reserves. To the extent the annual budget includes an amount specifically designated as a capital reserve, each Owner shall, as to each installment of the annual assessment paid by him, be deemed to have made a non-refundable capital contribution to the Association in the proportion that the amount of such designated capital reserve bears to the total annual budget. Such proportion of each annual assessment installment paid to the Association shall be segregated and maintained by it in a special capital reserve account to be used solely for making major repairs and replacements to the Common Area, to those portions of the Lots and the improvements thereon which the Association is obligated to repair and replace in accordance with the provisions of this Declaration, and for the purchase of equipment to be used by the Association in connection with its duties hereunder.
- 6.06 Initial Capital Contribution. At each closing of the sale of a Lot by the Declarant after the recording of this Declaration, the Owner purchasing such Lot will be required to make a capital contribution to the Association in an amount equal to twice the monthly installment of the annual assessment for such Lot then in effect. Such payment shall be held and used by the Association as a working capital reserve and shall not be considered an advance payment of the monthly assessment nor shall it be refunded upon resale of the Lot.
- 6.07 Notice and Quorum. Written notice of any meeting called for the purpose of authorizing special assessments which require approval of the members shall be sent to all members not less than fifteen (15) days nor more than sixty (60) days in advance of such meeting. At the first such meeting called, the presence of voting members, in person or by proxy, having sixty percent (60%) of the votes entitled to be cast shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.
- 6.08 Uniform Assessments. Both annual and special assessments must be fixed as a uniform rate for all Units, provided that no Unit owned by the Declarant shall be

UNOFFICIAL COPY

- subject to assessment unless the dwelling thereon is completed and is occupied.
- 6.09 Commencement of Annual Assessments. Annual assessments shall commence upon conveyance of the first Lot by Declarant after the recording of this Declaration.
- 6.10 Assessments on Lots Owned by Declarant or Developer. Notwithstanding the foregoing, the monthly assessment for each Lot subject to assessment hereunder shall be established by the Developer. While the Declarant or Developer holds title to unoccupied Lots and in lieu of paying monthly assessments on unsold Lots, the Developer shall pay to the Association only the amount, if any, by which actual operating expenses exceed the aggregate of the assessments established and received from Owners (excluding declarant) pursuant to this paragraph. Actual operating expenses means those expenses actually incurred that are reasonably necessary to normal maintenance and operation of the Common Area and of those portions of the Lots and the improvements thereon which the Association is to provide pursuant to Section 5.01(a), and does not include capital expenditures, reserves, prepaid items, inventory items or similar expenses to the extent attributable to any subsequent period. Except as set forth herein, the developer shall have no obligation to pay assessments for unsold or unoccupied Lots.
- 6.11 Collection of Assessments. Any installment of an assessment which is not paid when due shall be delinquent. If said installment is not paid within thirty (30) days after the due date, the Board may, upon notice to such Owner of such delinquency, accelerate the maturity of all remaining installments due with respect to the current assessment year, and the total amount shall become immediately due and payable and commence to bear interest from the date of acceleration at the rate of eighteen (18%) percent per annum. The Association may bring an action against the Owner personally obligated to pay assessments and recover the same, including interest, costs and reasonable attorneys' fees for any such action, which shall be added to the amount of such assessment and included in any judgment rendered in any such action, which shall be added to the amount of such assessment and included in any judgment rendered in any such action. To the extent permitted by any decision or any statute or law now or hereafter effective, the amount of any delinquent and unpaid charges or assessments, and any such accelerated installments, together with interest, costs and attorneys' fees as above provided, shall be and become a lien or charge against the delinquent Owner's Lot when payable and may be foreclosed by any action brought in the name of the Association.
- 6.12 No Waiver of Liability. No Owner may waive or otherwise escape liability for assessments provided for herein by any act or omission including without limitation non-use of the services provided by the Association, the Common Area or abandonment of his Lot.
- 6.13 Subordination of the Lien or Mortgages. The lien of the assessments provided for

UNOFFICIAL COPY

herein shall be subordinate to the lien of any first mortgage placed at any time on a Lot by a bona fide lender. Each holder of a first mortgage on a Lot who obtains title, or comes into possession of that Lot pursuant to the remedies provided in the mortgage, foreclosure of the mortgage, or by deed (or assignment) in lieu of foreclosure, or any purchaser at a foreclosure sale, will take the Lot free of any claims for unpaid assessments or charges which have accrued prior to such acquisition of title or possession.

ARTICLE 7 RIGHTS OF FIRST MORTGAGEES

In addition to all other rights of first mortgagees pursuant to this Declaration, and notwithstanding any other provisions herein to the contrary:

- 7.01 Right of Approval. Unless at least 75% of the first mortgagees (based upon one vote for each Lot encumbered by a mortgage) of individual Lots ("First Mortgagees") have given their prior written approval, the Association shall not:
- a. By act or omission seek to abandon, partition, subdivide, encumber, sell or transfer any real estate or improvements thereon which are owned, directly or indirectly, by the Association for the benefit of the Lots and the Owners. (The granting of easements for public utilities or for other purposes consistent with the intended use of such property by the Association shall not, for purposes of the foregoing, be deemed to be a transfer.)
 - b. Change the method of determining the obligations, assessments, dues or other charges which may be levied against a Lot and the Owner thereof as provided in Article 6, subject, however, to the provisions in Section 2.03 hereof. (c) By act or omission waive, abandon or materially change any scheme or regulations or enforcement thereof pertaining to the architectural design or the exterior appearance of any dwelling or garage on a Lot, the exterior maintenance of any such dwelling or garage, the maintenance of party walls or common fences and driveways, or the upkeep of laws and planting on the Property.
- 7.02 Examination of Books and Records. First Mortgagees shall have the right to examine the books and records of the Association at reasonable times during normal business hours.
- 7.03 Option to Pay Taxes, Insurance Premiums.
