ADDITIONAL TERMS OF THE NOTE

DEFINITIONS - "I," "me" or "my" means each Borrower who signs this note and each other person or legal entity (including guarantors, endorsers, and sureties) who agrees to pay this note (together referred to as "us"). "You" or "your" means the Lender and its successors and assigns.

APPLICABLE LAW - The note and any agreement securing this note will be governed by the laws of the state of Illinois. The federal Truth-in-Lending disclosure on page 1 are disclosures only and are not intended to be part of this agreement. The fact that any part of this note cannot be enforced will not affect the rest of this note. Any change to this note or any agreement securing this note must be in writing and signed by you and me.

PAYMENTS - Each payment I make on this loan will be applied first to any charges I owe other than principal and interest, then to interest that is due, and I'll skip to principal that is due. No late charge will be assessed on any payment when the day immediately after it is due to form fees imposed on earlier payments and the payment is otherwise a full payment. The actual amount of my final payment will depend on my remaining record.

DISPENSEMENT - I may prepay this loan in whole or in part at any time. If I prepay in part, I must still make each later payment in the original amount as it becomes due until this note is paid in full.

ACCURATE METHOD - The amount of interest that I will pay on this loan will be calculated using the interest rate and accrual method stated on page 1. For interest calculation, the accrual method will determine the number of days in a year. If no accrual method is stated, then you may use any accrual method for calculating interest allowed by law.

POST-MATURITY INTEREST - Interest will accrue on the principal balance remaining unpaid after maturity at the rate specified on page 1. For purposes of this section, final maturity occurs:

(a) If the loan is payable on demand, on the date you make demand for payment; or

(b) If this loan is payable on demand with alternate payment dates, on the date you make demand for payment or on the final alternate payment date,

whichever is earlier;

(c) On the date of the last scheduled payment of principal; or

(d) On the date you accelerate the due date of the loan (demand immediate payment).

REAL ESTATE OR RESIDENCE SECURITY - If this loan is secured by real estate or a residence that is personal property, the existence of a default and your remedies for such a default will be determined by applicable law, by the terms of any documents instrument creating the security interest and, to the extent not prohibited by law and not contrary to the terms of the specific security instrument, by this agreement.

DEFault - Subject to any limitations in the "REAL ESTATE OR RESIDENCE SECURITY" paragraph above, I will be in default on this loan and any agreement securing this loan if any one or more of the following occur:

(a) I fail to make a payment in full when due;

(b) I fail to pay a required repayment, or become insolvent;

(c) I fail to give any notice I have made in connection with this loan;
