PAYMENTS

FIRE AND OTHER INSURANCE

Until the Agreement is paid in full, the Borrower will keep all the buildings on the Property insured from fire and other hazards normally covered by an insurance policy. This type of policy is usually called "Extended Coverage". The Borrower may choose the insurance company but the Credit Union must approve the policy and the amount of the insurance. The insurance policies must contain the usual mortgagee clause protecting the interest of the Credit Union. The Credit Union may request proof of coverage from the Borrower at any time. Borrower must then provide proof of coverage to the Credit Union within ten (10) business days of the date it is requested at anytime during the life of the loan.

FLOOD INSURANCE

The Credit Union will advise the Borrower if flood insurance is required. If it is required, the Borrower will pay for and obtain the flood insurance. The policy must name the Credit Union as a Mortgagee. The amount of coverage required is either the maximum flood insurance coverage available or coverage in the amount of the unpaid balance due, whichever amount is lower. The Credit Union may request proof of coverage to the Credit Union within ten (10) business days of the date it is requested.
