together with all buildings, improvements, and fixtures on the property, whether now on the property or added in the future, and all easements and other rights that pertain to the property (collectively the "Property"). This Mortgage secures performance and payment under the terms of this Mortgage and Borrower's note dated the same date as this Mortgage in the principal amount of ONE HUNDRED TWENTY TWO THOUSAND FOUR HUNDRED FORTY TWO DOLLARS AND 32 CENTS Dollars (\$122,442,32 ___), subject to any written amendments to the note agreed to by Lender and Borrower ("Note"). In addition to the indebtedness due under the Note, this Mortgage secures Protective Advances which may be in excess of the maximum principal amount stated above with interest thereon (collectively "Debt") and the performance of all covenants and agreements of Borrower contained herein. "Protective Advance" is defined as a payment made by Lender for performance of covenants of Borrower pertaining to insuring or preserving the Property upon Borrower's failure to perform. If Lender uses the proceeds to reduce the debt, Borrower will still have to make regular monthly payments until the Debt is satisfied. Unless Borrovier provides Lender with evidence of the insurance coverage required by Borrower's Agreement with Lender, Lender may purchase insurance at Borrower's expense to protect Lender's interests in Borrower's property ("Collateral"). Lender will apply the money to pay the Debt, unless Lender agrees in witing that the proceeds can be used differently. If Lender uses the money to reduce the Debt, Borrower will still have to make regular monthly payments until the Debt is satisfied.

6. That if Borrower fails to perform any of Borrower's obligations under this Mortgage, Lender may pay for the performance of such obligations. Any amount so paid and the cost of any title search and report made after any Default may be added to the Debt as a Frozective Advance.
