Note. The word "Note" means the promissory note dated January 15, 2002, in the original principal amount of \$500,000.00 from Borrower to Lender, together with all renewals of, extensions of, modifications of, refinancings of, consolidations of, and substitutions for the promissory note or agreement. The interest rate on the Note is a variable interest rate based upon an index. The index currently is 4.750% per annum. Payments on the Note are to be made in accordance with the following payment schedule: in one payment of all outstanding principal plus all accrued unpaid interest on January 15, 2003. In addition, Borrower will pay regular monthly payments of all accrued unpaid interest due as of each payment date, beginning February 15, 2002, with all subsequent interest payments to be due on the same day of each month after that. If the index increases, the payments tied to the index, and therefore the total amount secured hereunder, will increase. Any variable interest rate tied to the index shall be calculated as of, and shall begin on, the commencement date indicated for the applicable payment stream. Notwithstanding the foregoing, the variable interest rate or rates provided for in this Mortgage shall be subject to the following minimum and maximum rates. NOTICE: Under no circumstances shall the interest rate on this Mortgage be less than 6.000% per annum or more than the maximum rate allowed by applicable law.
