All future advances and other future obligations are secured by this Security Instrument even though all or part may not yet be advanced. 7. DUE ON SALE OR ENCUMBRANCE. Lender may, at its option, declare the entire indebtedness of the Secured Debt to be immediately due and payable upon the creation of, or contract for the creation of, any lien, encumbrance, transfer or sale of the Property. 9. AUTHORITY TO PERFORM. If Mortgagor fails to perform any duty or any of the covenants contained in this Security Instrument, Lender may, without notice, perform or cause them to be performed. Mortgagor appoints Lender as attorney in fact to sign Mortgagor's name or pay any amount necessary for performance. If any construction on the Property is discontinued or not carried on in a reasonable manner, Lender may take all steps necessary to protect Lender's security interest in the Property, including completion of the construction.

10. ASSIGNMENT OF LEASES AND RENTS. Mortgagor assigns, grants, bargains, conveys, mortgages and warrants to Lender as additional security all the right, title and interest in the following (all referred to as Property): existing or future leases, subleases, licenses, guaranties and any other written or verbal agreements for the use and occupancy of the Property, including any extensions, renewals, modifications or replacements (all referred to as Leases); and rents, issues and profits (all referred to as Rents). In the event any item listed as Leases or Rents is determined to be personal property, this Assignment will also be regarded as a security agreement. Mortgagor will promptly provide Lender with copies of the Leases and will certify these Leases are true and correct copies. The existing Leases will be provided on execution of the Assignment, and all future Leases and any other information with respect to these Leases will be provided immediately after they are executed. Mortgagor may collect, receive, enjoy and use the Rents so long as Mortgagor is not in default.

Upon default, Mortgagor will receive any Rents in trust for Lender and will not commingle the Rents with any other funds. Mortgagor agrees that this Security Instrument is immediately effective between Mortgagor and Lender and effective as to third parties on the recording of this Assignment. As long as this Assignment is in effect, Mortgagor warrants and represents that no default exists under the Leases, and the parties subject to the Leases have not violated any applicable law on leases, licenses and landlord's and tenants.

11. LEASEHOLDS; CONDOMINIUMS; PLANNED UNIT DEVELOPMENTS. Mortgagor agrees to comply with the provisions of any lease if this Security Instrument is on a leasehold. If the Property includes a unit in a condominium or a planned unit development, Mortgagor will perform all of Mortgagor's duties under the covenants, by-laws, or regulations of the condominium or planned unit development.

12. DEFAULT. Mortgagor will be in default if any party obligated on the Secured Debt fails to make payment when due. Mortgagor will be in default if a breach occurs under the terms of this Security Instrument or any other document executed for the purpose of creating, securing or guarantying the Secured Debt. A good faith belief by Lender that Lender at any time is insecure with respect to any person or entity obligated on the Secured Debt or that the prospect of any payment or the value of the Property is impaired shall also constitute an event of default.

13. REMEDIES ON DEFAULT. In some instances, federal and state law will require Lender to provide Mortgagor with notice of the right to cure or other notices and may establish time schedules for foreclosure actions. Subject to these limitations, if any, Lender may accelerate the Secured Debt and foreclose this Security Instrument in a manner provided by law if Mortgagor is in default. Upon default, Lender shall have the right, without declaring the whole indebtedness due and payable, to foreclose against all or part of the Property. This Mortgage shall continue as a lien on any part of the Property not sold on foreclosure.

At the option of Lender, all or any part of the agreed fees and charges, accrued interest and principal shall become immediately due and payable, after giving notice if required by law, upon the occurrence of a default or anytime thereafter. In addition, Lender shall be entitled to all the remedies provided by law, the terms of the Secured Debt, this Security Instrument and any related documents. All remedies are distinct, cumulative and not exclusive, and the Lender is entitled to all remedies provided at law or equity, whether or not expressly set forth. The acceptance by Lender of any sum in payment or partial payment on the Secured Debt after the balance is due or is accelerated or after foreclosure proceedings are filed shall not constitute a waiver of Lender's right to require complete cure of any existing default. By not exercising any remedy on Mortgagor's default, Lender does not waive Lender's right to later consider the event a default if it continues or happens again.
