If substantially equivalent Mortgage Insurance coverage is not available, Borrower shall continue to pay to Lender the amount of the separately designated payments that were due when the insurance coverage ceased to be in effect. Lender will accept, use and retain these payments as a non-refundable loss 1 serve in lieu of Mortgage Insurance. Such 1053 reserve shall be non-refundable, notwithstanding the fact that t e Loan is ultimately paid in full, and Lenour stall not be required to pay Borrower any interest or earnings c 1 such loss reserve. Lender can no longer require 1/255 reserve payments if Mortgage Insurance coverage (in t e amount and for the period that Lender requires) provided by an insurer selected by Lender again becomes ailable, is obtained, and Lender requires separately designated payments toward the premiums for Morrgage It surance. If Lender required Mortgage Insurance as a condition of making the Loan and Borrower was 1. quired to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to maintain Mortgage Insurance in effect, or to provide a non-refundable loss 1. serve, until Lender's requirement for Mortgage Insurance ends a accordance with any written agreement I sween Borrower and Lender providing for such termination or until arm ination is required by Applicable I aw. Nothing in this Section 10 affects Borrower's obligation to pay interest at the rate provided in the Note.

Mortgage Insurance reimburses Lender (or any entity that purchases t'in Note) for certain losses it may i cur if Borrower does not repay the Loan as agreed. Borrower is not a party to the Mortgage Insurance.

Mortgage insurers evaluate their total risk on all such insurance in force from time to time, and may enter into agreements with other parties that share or modify their risk, or reduce losses. These agreements are i terms and conditions that are satisfactory to the mortgage insurer and the other party (c. parties) to these a greements. These agreements may require the mortgage insurer to make payments using any cource of funds t at the mortgage insurer may have available (which may include funds obtained from Mortgar Insurance 1 cmiums).

As a result of these agreements, Lender, any purchaser of the Note, another insurer, any reinsurer, any ther entity, or any affiliate of any of the foregoing, may receive (directly or indirectly) amounts that derive from (or might be characterized as) a portion of Borrower's payments for Mortgage Insurance, in exchange La sharing or modifying the mortgage insurer's risk, or reducing losses. If such agreement provides that an a liliate of Lender takes a share of the insurer's risk in exchange for a share of the premiums paid to the i surer, the arrangement is often termed "captive reinsurance." Further:

(a) Any such agreements will not affect the amounts that Borrower has agreed to pay for l fortgage Insurance, or any other terms of the Loan. Such agreements will not increase the amount licerower will owe for Mortgage Insurance, and they will not entitle Borrower to any refund.

(b) Any such agreements will not affect the rights Borrower has - if any - with respect to the 1 fortgage Insurance under the Homeowners Protection Act of 1998 or any other law. These rights may i clude the right to receive certain disclosures, to request and obtain cancellation of the Mortgage

11. Assignment of Miscellaneous Proceeds; Forfeiture. All Miscellaneous Proceeds are hereby

as igned to and shall be paid to Lender.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such Miscellaneous Proceeds until Linder has had an opportunity to inspect such Property to ensure the work has been completed to Lender's salisfaction, provided that such inspection shall be undertaken promptly. Lender may pay for the repairs and re toration in a single disbursement or in a series of progress payments as the work is completed. Unless an at rement is made in writing or Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Leader shall not be required to pay Borrower any interest or earnings on such Miscellaneous Proceeds. If the re-toration or reprir is not economically feasible or Lender's security would be lessened, the Miscellaneous P sceeds shall be epplied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such Miscellaneous Proceeds shall be applied in the order provided for

In the event of a top' to ing, destruction, or loss in value of the Property, the Miscellaneous Proceeds sl ill be applied to the sums se ared by this Security Instrument, whether or not then due, with the excess, if

2:19, paid to Borrower.

In the event of a partial taking destruction, or loss in value of the Property in which the fair market vilue of the Property immediately before the partial taking, destruction, or loss in value is equal to or greater thin the amount of the sums secured by this Security Instrument immediately before the partial taking, distruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the sums secured by this S curity Instrument shall be reduced by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (a) the total amount of the sums socured immediately before the partial taking, destruction, o loss in value divided by (b) the fair market value of the Property immediately before the partial taking, distruction, or loss in value. Any balance shall be paid to Bostower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market vilue of the Property immediately before the partial taking, destruction, or loss in value is less than the a jount of the sums secured immediately before the partial taking, destruction, or loss in value, unless Enrower and Lender otherwise agree in writing, the Miscellaneous Proceeds shall be applied to the sums s cured by this Security Instrument whether or not the sums are their due.

If the Property is abandoned by Borrower, or if, after notice by Lander to Borrower that the Opposing Firty (as defined in the next sentence) offers to make an award to settle a claim for damages. Borrower fails prespond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and a ply the Miscellaneous Proceeds either to restoration or repair of the Property care the sums secured by this Sixurity Instrument, whether or not then due.
