The interest rate stated on the Note is called the "Note Pate". The date of the Note is called the "Note Date". I understand the Londer may transfer the Note, Security Instrument and this Rider. The Londer or anyone who takes the Note, the Security Instrument and this Rider by transfer and who is entitled to receive payments under the Note is called the "Note Holder".

ADDITIONAL COVENANTS. In addition to the covenants and agree and agree anything to the contrary contained in the Security Instrument or the Note):

1. CONDITIONAL MODIFICATION AND EXTENSION OF LOAN TERMS

At the maturity date of the Note and Security Instrument (the "Note Maturity Date"), I will be able to extend the Note Maturity Date to DECEMBER 01, 2023 (the "Extended Melarity Date") and modify the Note Rate to the "Modified Note Rate" determined in accordance with Section 3 moder if all the conditions provided in Sections 2 and 5 below are met (the "Conditional Modification and Extension Option"). If those conditions are not met, 1 understand that the Note Holder is under no obligation to refinance the Note or to modify the Note, reset the Note Rate or extend the Note Maturity Date, and that I will have to repay the Note from my own resources or find a lender willing to lend me the money to repay the Note.

2. CONDITIONS TO OPTION

If I want to exercise the Conditional Modification and Extension Option at maturity, certain conditions must be met as of the Note Maturity Date. These conditions are: (1) I must still be the owner and occupant of the property subject to the Security Instrument (the "Property"); (2) I must be current in my monthly payments and cannot have been more than 30 days late on any of the 12 scheduled monthly payments immediately preceding the Note Maturity Date; (3) there are no liens, defects, or encumbrances against the Property, or other adverse matters affecting title to the Property (except for taxes and special assessments not yet due and payable) arising after the Security Instrument was recorded; (4) the Modified Note Rate cannot be more than 5 percentage points above the Note Rate; and (5) I must make a written request to the Note Holder as provided in Section 5 below.

3. CALCULATING THE MODIFIED NOTE RATE

The Modified Note Rate will be a fixed rate of interest equal to the Federal Home Loan Mortgage Corporation's required net yield for 30-year fixed rate mortgages subject to a 60-day mandatory delivery commitment, plus one-half of one percentage point (0.5%), rounded to the nearest one-eighth of one percentage point (0.125%) (the "Modified Note Rate"). The required net yield shall be the applicable net yield in effect on the date and time of day that the Note Holder receives notice of my election to exercise the Conditional Modification and Extension Option. If this required net yield is not available, the Note Holder will determine the Modified Note Rate by using comparable information.

4. CALCULATING THE NEW PAYMENT AMOUNT

Provided are Stodified Note Rate as calculated in Section 3 above is not greater than 5 percentage points above the Note Rate and all other conditions required in Section 2 above are satisfied, the Note Holder will determine the amount of the monthly payment that will be sufficient to repay in full (a) the unpaid principal, plus (b) accrued but unpaid interest, plus (c) all other sums I will owe under the Note and Security Instrument on the Note Maturity Date (assuming my monthly payments then are current, as required under Section 2 above), over the remaining extended term at the Modified Note Rate in equal monthly payments. The result of this calculation will be the new amount of my principal and interest payment every month until the Note is fully paid.

5. EXERCISING THE CONDITIONAL MODIFICATION AND EXTENSION OPTION

The Note Holder will notify me at least fit calendar days in advance of the Note Maturity Date and advise me of the principal, accrued but unpaid interest, and all other sums I am expected to owe on the Note Maturity Date. The Note Holder also will advise me that I may exercise the Conditional Modification and Extension Option if the conditions in Section 2 above are not. The Note Holder will provide my payment record information, together with the name, title and address of the person representing the Note Holder that I must notify in order to exercise the Conditional Modification and Extension Option. If I meet the conditions of Section 2 above, I may exercise the Conditional Modification and Extension Option by notifying the Note Holder no earlier than 60 catendar days and later than 45 calendar days prior to the Note Maturity Date. The Note Holder will calculate the fixed Modified Note Rate based upon the Pengral Home Loan Corporation's applicable announced required not yield in offect on the date and time of day notification is received by the Note Holder and as calculated in Section 3 above. I will then have 30 calendar days to proving the Note Holder with acceptable proof of my required ownership, occupancy and property lien status. Before the Note Maturity Date the Note Holder will advise me of the new interest rate (the Modified Note Rate), new monthly payment amount and a date, time and place at which I must appear to sign any documents required to complete the required Note Rate modification and Note Maturity Date extension. I understand the Note Holder will charge men \$250 processing fee and the costs associated with the exercise of the Conditional Modification and Extension Option, including, but not limited to, the cost of updating the title insurance policy.
