6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by taking the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorney's fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

8. Mortgage Insurance. If Lender requires mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender. If mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained, Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

9. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

10. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for compensation in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

11. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

12. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

21. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement provided otherwise to cure the notice shall specify. The notice need not be given to Borrower prior to acceleration unless (a) the condition under paragraph 17 arises; and (d) after failure to cure the notice shall specify. The notice shall provide that acceleration of the sums secured by this Security instrument and the right to accelerate may result in acceleration of all other sums secured by this Security instrument without further demand and may foreclose the security instrument by judicial procedure or by other means before the date specified in the notice. Lender at its option may require payment in full of all sums secured by this Security instrument within thirty days after receipt of the notice. If the default ceasing the non-existence of the right to accelerate after acceleration and foreclosure proceedings have been commenced by the Lender or any other deferee of Borrower to accelerate immediately terminates, the Lender may require payment in full of all sums secured by this Security instrument notwithstanding the date specified in the notice.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

As used in this Paragraph 20., "Environmental Law" means federal, state and local laws of the jurisdiction where the property is located that relate to health, safety or environmental protection. A provision in this Paragraph 20., "Environmental Substances" refers to toxic substances, infectious or radioactive materials, toxic substances and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and hazardous substances. By environmental law and the following subsections, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law.

Borrower shall provide early notice to the party involved if any environmental damage has actually occurred or if any government agency or private party believes that Borrower has actual knowledge of any environmental damage, or if it is alleged by any government agency or private party involving the property is necessary to normal residential uses and to maintain value of the property.

20. Hazardous Substances. Borrower shall not cause or permit use of any hazardous substances on or in the property, or allow any release of any hazardous substances in or on the property that is in violation of the environmental law or regulations of small quantities of Hazardous Substances that are generally recognized as causing damage to the environment or to health, safety or welfare, or if it is alleged by any government agency or private party involving the property that it is necessary to remove or mitigate damages resulting from such release to do so, and nothing affecting the property shall be done or attempted to do so, except under direction of the environmental agency or private party involved.

19. Sale of Note; Change of Loan Service. The Note or a partial interest in the Note (together with this Security instrument) may be sold one or more times without prior notice to Borrower. A sale may occur in the entity known as the "Loan Servicer," that collects payments from the Note and this Security instrument. The notice will also contain any other information required by law.

The notice will state the name and address of the new Loan Servicer and the address to which payments should be made.

The notice will be given written notice of the loan servicer changes in accordance with section 14 above and applicable law.

Also may be one or more changes of the loan servicer under Title I, or a sale of the Note. If there is a change of the servicer, Borrower will be given written notice of the loan servicer changes, upon reasonable notice by Borrower's obligee, or if it is alleged by any government agency or private party involving the property that it is necessary to remove or mitigate damages resulting from such release to do so, except under direction of the environmental agency or private party involved.

18. Borrower's Right. If Borrower fails to pay these sums prior to the expiration of the period permitted by this instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred, this instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred by this Security instrument, even if the same are breached or violated, or if any other provision of this Security instrument is breached or violated, the same shall remain fully effective.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the property or any rights in this Security instrument is transferred (or if a beneficial interest in Borrower is sold or transferred by Borrower) to another person, whether in whole or in part, Borrower's rights and obligations under this instrument are assumed by the transferee in accordance with the provisions contained in the instrument, unless Borrower is not a natural person who resides in the state or, or this Security instrument, or if Borrower fails to pay these sums prior to the expiration of the period permitted by this instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred.

16. Borrower's Copy. Borrower shall be given one copy of the Note and of this Security instrument.

15. Governing Law; Severability. This Security instrument shall be governed by the provisions of this Security instrument and the Note can be given effect without the consent of the parties to this instrument. To this end the parties to this instrument and the Note can be given effect without the consent of the parties to this instrument.

14. Notices. Any notice to Borrower provided for in this Security instrument shall be given by deliverying it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the property or any other address of any other deferee of Borrower by notice to Lender. Any notice given by Lender to Borrower or Lender when given as provided for in this paragraph, shall be addressed to any other address Lender designates by notice to Borrower. Any notice given by Lender to Borrower, Lender's address shall not affect other provisions of this Security instrument or the Note which purport to govern the Note.

13. Loan Charges. If the loan secured by this Security instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceeded the permitted limits, then: (a) any sums such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceed the principal owed under the Note or by making a partial prepayment to Borrower. Lender may choose to make this reduced by reducing the principal owed under the Note or by reducing the charge to the permitted limit. Any notice to Lender shall be directed to the property or by paying a direct payment to Borrower. Lender shall be given to have been given to Borrower or Lender when given as provided for in this paragraph.

12. Non-Waiver of Default. If a sum of money due on this note is not paid when due, Lender may waive the payment of any amount due by giving written notice to Borrower. Such notice may be given to Borrower or Lender by Lender's attorney in fact, or by Lender or any other person authorized by Lender to act for Lender in this regard.

CONDOMINIUM RIDER

THIS CONDOMINIUM RIDER is made this **24TH** day of **NOVEMBER**,
19 **93**, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or
Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure
Borrower's Note to **PHH US MORTGAGE CORPORATION**

(the "Lender")
of the same date and covering the Property described in the Security Instrument and located at:
3901 NORTH SHERIDAN ROAD UNIT #2E CHICAGO IL 60613

[Property Address]

The Property includes a unit in, together with an undivided interest in the common elements of, a condominium
project known as:

SHERIDAN SHEFFIELD

[Name of Condominium Project]

(the "Condominium Project"). If the owners association or other entity which acts for the Condominium Project
(the "Owners Association") holds title to property for the benefit or use of its members or shareholders, the
Property also includes Borrower's interest in the Owners Association and the uses, proceeds and benefits of
Borrower's interest.

Condominium Covenants. In addition to the covenants and agreements made in the Security Instrument,
Borrower and Lender further covenant and agree as follows:

A. Condominium Obligations. Borrower shall perform all of Borrower's obligations under the Condo-
minium Project's Constituent Documents. The "Constituent Documents" are the: (i) Declaration or any other
document which creates the Condominium Project; (ii) by-laws; (iii) code of regulations; and (iv) other equivalent
documents. Borrower shall promptly pay, when due, all dues and assessments imposed pursuant to the Constituent
Documents.

B. Hazard Insurance. So long as the Owners Association maintains, with a generally accepted insurance
carrier, a "master" or "blanket" policy on the Condominium Project which is satisfactory to Lender and which
provides insurance coverage in the amounts, for the periods, and against the hazards Lender requires, including fire
and hazards included within the term "exterior coverage," then:

(i) Lender waives the provision in Uniform Covenant 2 for the monthly payment to Lender of
one-twelfth of the yearly premium installments for hazard insurance on the Property; and

(ii) Borrower's obligation under Uniform Covenant 5 to maintain hazard insurance coverage on the
Property is deemed satisfied to the extent that the required coverage is provided by the Owners Association policy.

Borrower shall give Lender prompt notice of any lapse in required hazard insurance coverage.

In the event of a distribution of hazard insurance proceeds in lieu of restoration or repair following a loss to
the Property, whether to the unit or to common elements, any proceeds payable to Borrower are hereby assigned
and shall be paid to Lender for application to the sums secured by the Security Instrument, with any excess paid to
Borrower.

C. Public Liability Insurance. Borrower shall take such actions as may be reasonable to insure that the
Owners Association maintains a public liability insurance policy acceptable in form, amount, and extent of
coverage to Lender.

D. Condemnation. The proceeds of any award or claim for damages, direct or consequential, payable to
Borrower in connection with any condemnation or other taking of all or any part of the Property, whether of the
unit or of the common elements, or for any conveyance in lieu of condemnation, are hereby assigned and shall be
paid to Lender. Such proceeds shall be applied by Lender to the sums secured by the Security Instrument as
provided in Uniform Covenant 10.

E. Lender's Prior Consent. Borrower shall not, except after notice to Lender and with Lender's prior
written consent, either partition or subdivide the Property or consent to:

(i) the abandonment or termination of the Condominium Project, except for abandonment or
termination required by law in the case of substantial destruction by fire or other casualty or in the case of a taking
by condemnation or eminent domain;

(ii) any amendment to any provision of the Constituent Documents if the provision is for the express
benefit of Lender;

(iii) termination of professional management and assumption of self-management of the Owners
Association; or

(iv) any action which would have the effect of rendering the public liability insurance coverage
maintained by the Owners Association unacceptable to Lender.

F. Remedies. If Borrower does not pay Condominium dues and assessments when due, then Lender may
pay them. Any amounts disbursed by Lender under this paragraph F shall become additional debt of Borrower
secured by the Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts
shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice
from Lender to Borrower requesting payment.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and provisions contained in this Condominium
Rider.
