4. INTEREST PATE AND MONTHLY PAYMENT CHANGES

(A) Change Dotes

The interest rate I will pay may change on the first day of July . 1994 and on that day every sixth nor the thereafter. Each date on which my interest rate could change is called a "Change Date."

(B) The Index

Beginning with the fire Change Date, my interest rate will be based on an Index. The "Index" is the average of interbank offered rates for six-month U.S. dollar-denominated deposits in the London market ("LIBOR"), as published in The Wall Street Journal. The most recent Index figure available as of she first business day of the month immediately preceding the month in which the Change Date occurs is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index that is based upon comparable information. The Note Holder will give measure of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder vill calculate my new interest rate by adding
TWO & ONE-EIGHTH percentage point(s) (2.125 %) to the
Current Index. The Note Holder will then roun Use result of this addition to the nearest one-eighth of one percentage
point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until

the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Oa e in full on the Maturity Date at my new interest rate in substantially equal payments. The result of this calculation was be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date vall not be greater than 5.500 % or less than 3.500 %. Thereafter, my interest rate will never be increased or decreased on any single Change Date by more than one percentage point (1.0%) from the rate of interest I have been paying for the preceding six months. My interest rate will never be greater than 10.500 %.

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay are amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interact rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.
