SECTION 13. MORTGAGEES NOT OBLIGATED TO CONSTRUCT.

Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage authorized by Section 12 of this Agreement shall not be obligated to construct or complete the Improvements; provided, however, that the foregoing provision shall not apply to any grantee of such holder of the mortgage, nor to any purchaser, other than the holder of the mortgage, of the Property at a foreclosure sale. Nothing in this Section nor in any other section of this Agreement shall be deemed or construed to permit or authorize any such holder of a mortgage to devote the Property or any part thereof to any use, or to construct any improvements thereon, other than those uses or improvements provided or permitted in the Plan or in this Agreement.

SECTION 14. COVENANTS RUNNING WITH THE LAND.

The parties agree, and the Deed shall so expressly provide, that the covenants provided in Sections 8, 10, 11 and 12 shall be covenants running with the land, binding the Purchaser and its successors and assigns to the fullest extent permitted by law and equity for the benefit and in favor of the community and the City, and shall be enforceable by the City, any successor in interest to the Property or any part thereof, and the owner of any other land (or of any interests in such land) in the Project Area which is subject to the land use requirements and restrictions of the Plan.

SECTION 15. PERFORMANCE AND BREACH.

A. Time of the Essence. Time is of the essence in the parties' performance of their obligations under this Agreement.

B. Permitted Delays. Neither the City, the Purchaser, nor any successor in interest to the Purchaser, shall be considered in breach of its obligations with respect to the commencement and completion of construction of the Improvements in the event of delay in the performance of such obligations due to unforeseeable causes beyond such party's control and without such party's fault or negligence, including but not limited to, any delays or halts in construction of the Improvements which are compelled by court order, acts of God, acts of the public enemy, acts of the United States government, acts of the other party, fires, floods, epidemics, quarantine restrictions, strikes, embargoes and unusually severe weather or delays of subcontractors due to such cause. The time for the performance of the obligations shall be extended only for the period of the delay if the party seeking the extension shall request it in writing of the other party within twenty (20) days after the beginning of any such delay.

C. Breach.

(1) Generally. Except as otherwise provided in this Agreement, in the event of default by any party or its successor in interest in the performance of its obligations under this Agreement, such party or successor, upon written notice from the other, shall cure or remedy such default not later than sixty (60) days after receipt of such notice. In the event such action is not diligently pursued or the default not cured within a reasonable time, the aggrieved party may institute such proceedings at law or in equity as may be necessary or desirable in its sole discretion to cure and remedy such default, including but not limited to, proceedings to compel specific performance by the party in default of its obligations.

(2) Event of Default. For purposes of this Agreement, the occurrence of any one or more of the following shall constitute an "event of default:"

- (a) If, at any time, any warranty, representation or statement made or furnished by the Purchaser to the City is not true and correct in any material respect; or
- (b) If any petition is filed by or against the Purchaser under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereinafter existing (and in the case of involuntary proceedings, failure to cause the same to be vacated, stayed or set aside within sixty (60) days after filing); or
- (c) Failure of the Purchaser to develop Drawings consistent with the procedures outlined in Section 6 above with regard to the construction of the Improvements; or
- (d) If the Purchaser defaults in fulfilling its obligations with respect to the completion of construction of the Improvements (including the nature of and the dates of the beginning and completion thereof) or abandons or substantially suspends the construction work, and such default, violation, abandonment, or suspension shall not be cured, ended, or remedied within thirty (30) days of the date the Purchaser receives written demand by the City to cure such default; or
- (e) Failure of the Purchaser to pay real estate taxes or assessments affecting the Property or any part thereof when due, or placing thereon any encumbrance or lien unauthorized by this Agreement, or suffering any levy or attachment to be made, or any materialmen's or mechanics lien, or any other unauthorized encumbrance or lien to attach to the Property or any part thereof, and such taxes or assessments shall not have been paid, or the encumbrance or lien removed or discharged or provision satisfactory

the City made for such payment, removal or discharge within sixty (60) days after written demand by the City to remove such lien or encumbrance; provided, that if Purchaser has commenced proceedings to remove or discharge such encumbrance or lien and is diligently pursuing such proceedings, no event of default shall occur; or

(f) Any assignment, pledge, encumbrance, transfer or other disposition made in violation of this Agreement; or

(g) Any substantial adverse change in the financial condition of the Purchase.

(3) Prior to Conveyance. If, from the execution date of this Agreement until the City delivers to the Purchaser the Deed to the Property, the Purchaser or any successor in interest defaults in any specific manner as described in Paragraph (2) of this Subsection 15(C), the City may immediately terminate this Agreement and institute any action or proceeding at law or in equity against the Purchaser, and retain the earnest money.

(4) After Conveyance. If, subsequent to the conveyance of the Property to the Purchaser by the City until the City issues the Certificates, the Purchaser or its successor in interest shall default in any specific manner as described in this Section 15(C), then the City, by written notice to the Purchaser, may utilize any and all remedies available to the City at law or in equity, including but not limited to, the Right to re-enter and take possession of the Lots for which Certificates have not been issued, terminate the estate conveyed to the Purchaser and re-vest title in such Lots in the City. The City, in its sole discretion, may terminate the Purchaser's right of title and all other rights and interests in Lots for which Certificates have not been issued, provided, however, that the re-vesting of title as a result thereof in the City shall always be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this agreement, for the protection of the holders of said mortgage.

(5) Resale of the Property. Upon the re-vesting in the City of title to the Property or a portion thereof as provided in this Section 15(C)(4), the City shall promptly employ its best efforts to convey the Property (subject to the mortgage liens described in this Section) to a qualified and financially responsible party or parties (as solely determined by the City) who shall assume the obligation of completing the construction of the Improvements or such other improvements as shall be satisfactory to the City and in accordance with the uses specified for the Property in the Redevelopment Plan. The conveyance by the City to said party shall be in accordance with all applicable federal, state and local laws, ordinances and regulations and consistent with the objectives of the Redevelopment Plan.

(6) Disposition of Resale Proceeds. If the City sells the Property or a portion thereof, the proceeds from such sale shall be utilized to reimburse the City for:

- (a) reasonable costs and expenses incurred by the City, including but not limited to, salaries of personnel in connection with the recapture, management, and resale of the Property (but less any income derived by the City from the Property in connection with such management); and
- (b) all taxes, assessments, and water and sewer charges with respect to the Property; and
- (c) any payments made or necessary to be made (including reasonable attorneys' fees) to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of the Purchaser, its successors or transferees; and
- (d) any reasonable expenditures made or obligations incurred with respect to construction or maintenance of the Improvements; and
- (e) any other amounts owed to the City by the Purchaser, its successors or transferees.

The Purchaser shall be entitled to receive any proceeds up to the amount of Purchaser's investment in the Property not utilized in meeting the expenses of the City described in Subparagraphs (a)-(e) above.

In addition to, and without in any way limiting the City's rights under this Section 15, the City shall have the right to retain the performance deposit, without any deduction, offset or recoupment whatsoever, in the event of a default by the Purchaser.

D. Waiver and Estoppel. Any delay by the City in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive the City of or limit such rights in any way. No waiver made by the City with respect to any specific default by the Purchaser shall be construed, considered or treated as a waiver of the rights of the City with respect to any other defaults of the Purchaser.

E. Access to the Property. Any duly authorized representative of the City, at all reasonable times, shall have access to the Property, before and after the Closing, for the purpose of confirming the Purchaser's compliance with this Agreement.

SECTION 16. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

The Purchaser warrants that no agent, official, or employee of the City shall have any personal interest, direct or indirect, in this Agreement, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, or association in which he or she is directly or indirectly interested. No agent, official, or employee of the City shall be personally liable to the Purchaser or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Purchaser or successor or on any obligation under the terms of this Agreement.

SECTION 17. INDEMNIFICATION.

Purchaser agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, attorneys fees and court costs) suffered or incurred by the City arising from or in connection with: (i) the failure of Purchaser to perform its obligations under the Agreement; (ii) the failure of Purchaser or any contractor to pay contractors, subcontractors or materialmen in connection with the construction of the Improvements; (iii) a material misrepresentation or omission in the Plan which is the result of information supplied or omitted by Purchaser or by any agents, employees, contractors or persons acting under the control or at the request of Purchaser; (iv) the failure of Purchaser to redress any misrepresentations or omissions in the Agreement or any other agreement relating hereto; and (v) any actions resulting from any activity undertaken by Purchaser on the Property upon the conveyance of said Property to Purchaser by the City.

SECTION 18. ENVIRONMENTAL CONDITIONS.

The City makes no covenant, representation or warranty as to the environmental condition of the Property or the suitability of the Property for any purpose whatsoever.

It shall be the responsibility of the Purchaser, at its sole cost and expense, to investigate and determine the soil and environmental condition of the Property. After this Agreement has been executed by the Purchaser, the Purchaser may request permission to conduct soil and environmental tests on the Property. If such a request is made, the City shall grant to the Purchaser a right of entry for the sole purpose of allowing the Purchaser to conduct soil and environmental tests. The Purchaser agrees to deliver to the City a copy of each report prepared by the Purchaser regarding the soil and environmental condition of the Property. The Purchaser shall be liable for any damage to the Property caused by the environmental tests and any excavation taking place on the Property. If during the

UNOFFICIAL COPY

time period between the execution of this Agreement by the Purchaser and the conveyance of the Property by the City, the Purchaser conducts soil and environmental tests and said tests reveal environmental contamination of the Property to such an extent that the City and Purchaser reasonably determine that the costs of removing the contamination are too excessive to the Purchaser, the Purchaser may declare this Agreement null and void. In such event, the Purchaser's deposits with the City described in Section 4 shall be returned to the Purchaser by the City. The Purchaser agrees that a request to terminate this Agreement shall not be made until all reports concerning the soil and environmental condition of the applicable portions of the Property have been delivered to the City. If, after the Property has been conveyed to the Purchaser, the soil and environmental condition of the Property is not in all respects entirely suitable for the use or uses to which the Property shall be utilized pursuant to the terms of this Agreement, it shall be the sole responsibility and obligation of the Purchaser to take such action as may be necessary to place the soil and environmental condition of the Property in a condition entirely suitable for the intended uses of the Property. The Purchaser additionally agrees to indemnify the City from any claim relating to the soil and environmental condition of the Property, and to undertake and discharge all liabilities of the City arising from any condition which existed on the Property prior to the conveyance.

SECTION 19. EQUAL EMPLOYMENT OPPORTUNITY

The Purchaser, for itself, its successors and assigns, agrees that during the construction of the Improvements:

- A. The Purchaser shall not discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, military status, sexual orientation, source of income, age or handicap. The Purchaser shall take affirmative action to ensure that applicants are employed and employees are treated during employment without discrimination based upon race, religion, color, sex, national origin or ancestry, military status, sexual orientation, source of income, age or handicap, and are treated in a non-discriminatory manner with regard to all job related matters including, but not limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Purchaser agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause.
- B. To the greatest extent feasible, the Purchaser is required to present opportunities for training and employment of

lower income residents of the City of Chicago; and to provide that contracts for work in connection with the construction and operation of the Improvements be awarded to business concerns which are located in, or owned in substantial part, by persons residing in the City.

- C. In order to promote equality of opportunity for minority and female personnel with regard to the construction and operation of the Improvements, the following percentage goals of construction aggregated work hours in each of the categories of construction journeymen and apprentices shall apply:
- a. At least 25% by minorities.
 - b. At least 5% by women.
- D. All construction workers covered by this Agreement shall mean skilled construction workers which include all worksite (working) foremen, journeymen, apprentices, trainees, and helpers where applicable.
- E. Salaried superintendents are excluded from the coverage of this special provision, as well as clerical workers and security guards. The Purchaser, in order to demonstrate compliance with the terms of this Agreement, will cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal opportunity regulations of federal, state and municipal agencies.
- F. The Purchaser will, in all solicitations or advertisements for employees placed by or on behalf of the Purchaser, state that all qualified applicants will receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, military status, sexual orientation, source of income, age or handicap.
- G. The Purchaser will include the provisions of paragraphs (A), (B), (C), (D), (E), and (F) in every contract, and shall require the inclusion of these provisions in every sub-contract entered into by any of its contractors, so that such provision will be binding upon each such contractor or subcontractor, as the case may be. Failure to comply with these provisions will be a basis to institute remedies under the provision of Section 15 of this Agreement.
- H. This Agreement shall be governed by that certain ordinance adopted by the City Council of the City of Chicago on July 31, 1990 entitled Amendment of Municipal Code Chapter 26 by the Addition of Sections 26-101 through 26-116
