If Mortgagors fail to pay, when due, any monthly installment on the indebtedness incurred in accordance with the terms of the Note/Agreement, Mortgagee, at its option, may declare the unpaid balance of the Indebtedness immediately due and payable.

In the event of the death of one of the Mortgagors, Mortgagee, at its option, may declare the unpaid balance of the Indebtedness immediately due and payable.

Mortgagors herein expressly covenant and agree to pay and keep current the monthly instalments on any prior mortgage and to prevent any default thereunder. Mortgagors further agree that should any default be made in the payment of any instalment of principal or any interest on the prior mortgage, or should any suit be commenced or other action taken to foreclose the prior mortgage, then the amount secured by this Mortgage shall become and be due and payable in full at any time thereafter, at the option of Mortgagee and in accordance with the Note/Agreement. Mortgagee, at its option, may pay the scheduled monthly instalments on the prior mortgage and, to the extent of the amount so paid, become subrogated to the rights of the mortgagee identified on the prior mortgage. All payments made on the prior mortgage by Mortgagee shall bear interest at the Rate of Charge until paid in full.

Upon the commencement of any foreclosure proceeding under this Mortgage, the court in which such suit is filed may at any time, either before or after sale and without notice to Mortgagors, appoint a receiver with power to manage, rent and collect the rents, issues and profits of the Property during the pendency of such foreclosure suit; and the statutory period of redemption, and such rents, issues and profits, when collected either before or after any foreclosure sale, may be applied toward the payment of the Indebtedness or any deficiency decree, costs, taxes, insurance or other items necessary for the protection and preservation of the Property, including the expenses of such receivership. Upon foreclosure and sale of the Property, there shall first be paid out of the proceeds of such sale a reasonable sum for plaintiff's attorney's fees; all expenses of advertising, selling and conveying the Property; and all sums advanced for court costs, any taxes or other liens or assessments, title costs, master's fees and costs of procuring or completing an abstract of title, title guaranty policy or Torrens Certificate showing the complete title of the Property, including the foreclosure decree and Certificate of Sale. There shall next be paid the Indebtedness secured hereby, and finally the overplus, if any, shall be returned to Mortgagors. The purchaser at the sale shall have no duty to see to the application of the purchase money.

If Mortgagors voluntarily shall sell or convey the Property, in whole or in part, or any interest in that Property or by some act or means divest themselves of title to the Property without obtaining the written consent of Mortgagee, then Mortgagee, at its option, may declare the unpaid balance of the Indebtedness immediately due and payable. This option shall not apply if (1) the sale of the Property is permitted because the purchaser's creditworthiness is satisfactory to Mortgagee and (2) that purchaser, prior to the sale, has executed a written assumption agreement containing terms prescribed by Mortgagee including, if required, an increase in the rate of interest payable under the Note/Agreement.

If there be only one mortgagor, all plural words herein referring to Mortgagors shall be construed in the singular.
