10. Mo'tg: ge Insurance. If LenderrequiredMortgage Insuranceas a condition of making the Loan, Borrowershail ray the premiums required to maintain the Mortgage Insurance in effect. If, for any reason, the Mortgage insurance coverage required by Lenderceases to be available from the mortgage insurer that previously provided such insurance and Borrower was required to make separately designated payments toward the premiums of Mortgage Insurance, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the Mortgage Insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the Mortgage Insurance previously in effect, from an alternate mortgage insurer selected by Lender. If substantially equivalent Mortgage Insurance coverage is not available, Borrowershall continue o pay to Lenderthe amount of the separately designated payments that were due when the insurance coverage chased to be in effect. Lender will accept, use and retain these payments as a non-refundableloss reserve in lieu of Mortgage Insurance. Such loss reserve shall be non-refundable not with standing the fact that the Loan is ultimately paid in full, and Lendershall not be requiredto pay Borrowerany interestor earnings on such loss reserve. Lendercan no longer requireloss reserve paymentsif Mortgage Insurance coverage (in the amount and for the period that Lenderrequires) provided by an insurer selected by Lender again becomes available, is obtained, and Lender requires separatelydesignatedpaymentstowardthe premiums for Mortgage Insurance. If Lenderrequired Mortgage Insuranceas a condition of making the Loan and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Eo: ower shall pay the premiums required to maintain Mortgage Insurance in effect, or to provide a noverefundableloss reserve, until Lender's requiremenfor Mortgage Insuranceends in accordance with any writte agreement between Borrower and Lenderproviding for such termination or until termination is required by Applicable Law. Nothing in this Section 10 affects Borrower's obligation to pay interest at the rate provided in the Note.

Mortgage Insurancereimburses Lender (or any entity that purchases the Note) for certain losses it may incur if Borrower does not repay the Loan as agreed. Borrower is not a party to the Mortgage Insurance.

Mortgage insurers evaluate their total risk on all such insurance in force from time to time, and may enterinto agreements with other parties that share or modify their risk, or reducelos es. These agreements are on terms and conditions that are satisfactory to the mortgage insurer and the other parties to these agreements. These agreements may require the mortgage insurer to make payments using any source of funds that the mortgage insurer may have available (which may include funds obtained from Mortgage Insurance premiums).

As a result of these agreements, Lender, any purchaser of the Note, another insurer, any reinsurer, any other entity, or any affiliate of any of the foregoing, may receive (directly or indirectly) amounts that derive from (or might be characterized as) a portion of Borrower's payments for Mortgage Insurance, in exchange for sharing or modifying the mortgage insurer's risk, or reducing losses. If such agreement provides that an affiliate of Lender takes a share of the insurer's risk in exchange for a share of the premiums paid to the insurer, the arrangement is often termed "captive reinsurance." Further:

(a) Any such agreements will not affect the amounts that Borrower has agreed to pay for Mortgage Insurance, or any other terms of the Loan. Such agreements will not increase the amount Borrower will owe for Mortgage Insurance, and they will not entitle Borrower to any refund.

## **UNOFFICIAL COPY**

(b) Any such agreements will not affect the rights Borrower has - if any - with respect to the Mortgage Insurance under the Homeowners Protection Act of 1998 or any other law. These rights may include the right to receive certain disclosures, to request and obtain cancellation of the Mortgage Insurance, to have the Mortgage Insurance terminated automatically, and/or to receive a refund of any Mortgage Insurance premiums that were unearned at the time of such cancellation or termination.

11. Assignment of Miscellaneous Proceeds; Forfeiture. All Miscellaneous Proceeds are hereby

assigned to and shall be paid to Lender.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Property, if the restorationor repair is economically feasible and Lender's security is not lessened. During such repairand restoration period, Lendershall have the right to hold such Miscellaneous Proceeds until Lenderhas had an opportunityto inspect such Property to ensure the work has been completed to Lender's sat sfaction, provided that such inspections hall be undertaker promptly. Lendermay pay for the repairs and restoration in a single disbursementor in a series of progress payments as the work is completed. Unless an agreements made in writing or Applicable Law requires interest to be paid on such Miscellaneous roceeds, Lender shall not be required to pay Borrowerany interestor earnings on such MiscellaneousPro ee ls. If the restorationor repair is not economically feasible or Lender's security would be lessened, the Miscelle leous Proceeds shall be applied to the sums secured by this Security Instrument, whetheror not then due, with the excess, if any, paid to Borrower Such Miscellaneous Proceeds shall be applied in the order provided for in Section 2.

In the event of a tota toking, destruction, or loss in value of the Property, the Miscellaneous Proceedsshall be applied to the sume secured by this Security Instrument, whether or not then due, with

the excess, if any, paid to Borrower.

In the event of a partial taking, descruction, or loss in value of the Property in which the fair market value of the Property immediately below the partial taking, destruction, or loss in value is equal to or greater than the amount of the sums secured by this Security Instrumentimmediately before the partial taking, destruction, or loss in value, unless 3 orrower and Lender otherwise agree in writing, the sums secured by this Security Instrumentshall be reduced by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the

partial taking, destruction, or loss in value divided by (b) the fair market value of the Property immediately before the partial taking, destruction, or loss in value. Any balance shall be paid to Borrower. In the event of a partial taking, destruction, or loss in value of the Property immediately before the partial taking, destruction, or loss in value is less than the amount of the sums secured immediately before the partial taking, destruction, or loss in value, unless Borrowerand Lenderotherwiseagree in writing, the Miscellaneous Proceeds shall be applied to the sums

secured by this Security Instrument whether or not the sums are then due.

If the Property is abandonedby Borrower, or if, after notice by Lender to Borrower that the Opposing Party (as defined in the next sentence) offers to make an award to settle a claim for damages, Borrowerfails to respond to Lenderwithin 30 days after the date the notice is given, Lenderis authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the Property or to the sums secured by this Security Instrument, whetheror not then due.
