Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest. Borrower shall promptly pay when due the principal of and interest on the indebtedness evidenced by the Note, and late and other applicable charges as provided in the Note.

2. Application of Payments. The borrower must pay to the Bank at least the minimum payment due in each billing cycle. Payment of more than the minimum payment in any billing cycle will not relieve the borrower from paying the minimum payment in any other billing cycle.

Payments received will be applied in the following order when posted – (1) accrued interest, if any; (2) late charges, if any; (3) annual service fee and/or other charges, if any; and (4) principal reduction.

The CashLine requires interest, late fees (if any) and annual service fee (if applicable) as monthly payments. Principal reduction payments cannot be made until all accrued interest, late charges, and annual service fees are satisfied.

Borrower shall promptly discharge any such lien which has priority over this Mortgage; provided, that Borrower shall not be required to discharge any such lien so long as Borrower shall agree in writing to the payment of the obligation secured by such lien in a manner acceptable to Lender, or shall in good faith contest such lien by, or defend enforcement of the lien or forfeiture of the Property or any part thereof.

4. Hazard Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage", and such other hazards as Lender may require and in such amounts and for such periods as Lender may require; provided, that Lender shall not require that the amount of such coverage exceed that amount of coverage required to pay the sums secured by this Mortgage.
