# UNOFFICIAL COPY

**4.02 TITLE IN LAND TRUST.** In the event title to any Unit is conveyed to a title-holding trust, under the terms of which all powers of management, operation and control of the Unit remain vested in the trust beneficiary or beneficiaries, then the beneficiary or beneficiaries thereunder from time to time shall be responsible for payment of all obligations, liens or indebtedness and for the performance of all agreements, covenants and undertakings chargeable or created under this Declaration against such Unit. No claim shall be made against any such title-holding trustee personally for payment of any lien or obligation hereunder created and the trustee shall not be obligated to sequester funds or trust property to apply in whole or in part against such lien or obligation. The amount of such lien or obligation shall continue to be a charge or lien upon the Unit and the beneficiaries of such trust notwithstanding any transfers of the beneficial interest of any such trust or any transfers of title to such Unit.

**4.03 AMENDMENT.** Except as provided herein, the provisions of this Declaration may be amended by an instrument executed by Owners of not less than ONE HUNDRED PERCENT (100%) of the Units and the Owner of the Commercial Property then subject to the provisions of this Declaration. Notwithstanding the foregoing, the Developer reserves the right from time to time as long as Declarant owns a Unit subject to the terms hereof, to amend this Declaration in such manner as may be necessary to correct clerical errors in this declaration or as may be required by the Federal Home Loan Mortgage Corporation, the Federal National Mortgage Association, the Government National Mortgage Association, the Department of Housing and Urban Development, the Federal Housing Administration, the Veteran's Administration, or any other governmental agency or any other public, quasi-public or private entity which performs (or may in the future perform) functions similar to those currently performed by such organizations, or any institutional lender issuing a commitment to make first mortgage loans covering Twenty Percent (20%) or more of the Units located in the Property; provided that no such amendment by the Developer shall reduce the rights of any mortgagee with respect to any first mortgage on a Unit recorded prior to such amendment, without such first mortgagee's written consent. As long as the Developer owns a Unit, Developer shall have the right to modify or amend this Declaration so long as such modifications and amendments shall not materially impair the rights of Owners. If furtherance of the foregoing reservation by Developer, a power coupled with an interest is hereby granted to the Declarant and the Developer, and each of them singly, as attorney-in-fact, to so amend this declaration and each deed, mortgage, or other instrument with respect to a Unit and the acceptance thereof shall be deemed a grant and acknowledgment of and consent to such power to each of said attorneys-in-fact and shall be deemed to reserve to each of them the power to execute and record such amendments. No amendment shall be effective until recorded in the Office of the Recorder of Deeds of Cook County, Illinois.

**4.04 NOTICES.** Any notice required or desired to be given under the provisions of this Declaration to any Owner shall be deemed to have been properly delivered when deposited in the United States mail, postage prepaid, directed to the person who appears as the Owner at the Unit address.

**4.06 SUCCESSORS AND PREDECESSORS OF DECLARANT OR DEVELOPER.** No party exercising rights as Declarant or Developer hereunder shall have or incur any liability for the acts of any other party which previously exercised or subsequently shall exercise such rights.
