7.3 Each Owner (hereinafter in this Section 7.3, the "Indemnifying Owner") covenants and agrees, at its sole cost and expense, to indemnify and hold harmless the other Owner (hereinafter in this Section 7.3, the "Indemnitee") from and against any and all claims against the Indemnitees for losses liabilities, damages, judgments, costs and expenses and any action or proceedings arising therefrom, by or on behalf of any person firm, corporation or governmental authority, other than the Indemnitee, arising from the Indemnifying Owner's use, possession or management of the Indemnifying Owner's portion of the Total Property or activities therein or arising out of the Indemnifying Owner's use, exercise or enjoyment of an Easement and from and against all costs, reasonable attorneys fees, expenses and liabilities incurred with respect to any such claim, action or proceeding arising therefrom. In case any action or proceeding is brought against the Indemnitee by reason of any such claim, the Indemnifying Owner, upon notice from the Indemnitee, covenants to resist or defend such action or proceeding with attorneys reasonably satisfactory to the Indemnitee and to pay all reasonable fees and expenses of such counsel. Any counsel for the insurance company providing insurance against such claim, action or proceeding shall be presumed reasonably satisfactory to Indemnitee. Indemnitee shall have the right to employ separate counsel in any such actions brought against Indemnitee, and the fees and expenses of such counsel shall be paid by Indemnitee.

7.4 Without limiting the provisions of Section 7.1, neither Owner shall make any Alterations (as that terms is herein below defined in Section 15.1) or allow any use of their respective portions of the Total Property or take or fail to take any action which would violate the provisions of the Chicago Zoning Ordinance as said ordinance may be amended from time to time, or any similar or successor ordinance in effect from time to time hereafter and applicable to the Total Property or any portions thereof. The Residential Property and Commercial Property shall continue to be combined and treated as one zoning lot for the purposes of complying with the Chicago Zoning Ordinance. No Owner shall have the right to request or obtain any amendment to the Chicago Zoning Ordinance as applicable to any portions of the Total Property without the written consent of the other Owner.

ARTICLE 8 REAL ESTATE TAXES

8.1 The Owners shall make good faith efforts and cooperate with each other so that the Residential Property and the Commercial Property shall, when and as soon as possible, be assigned separate real estate tax index numbers and receive separate real estate tax bills from the Assessor of Cook County, Illinois (the "Assessor"). The parties hereto acknowledge that the submission of the Residential Property to the Act is intended to cause separate real estate tax bills and real estate tax index numbers to be applied for with respect to each Unit of the Residential Property and the parties will cooperate with the Assessor's efforts to so assign such real estate tax index numbers.

8.2 The Total Property currently comprises of one (1) tax parcel identified by permanent index number 14-31-429-054-0000. At such time as the Residential Property and the Commercial Property are separately reassessed and taxed, each Owner shall pay the real estate taxes and special assessments for the portion of the Total Property owned by such Owner. Until

the Residential Property and Commercial Property are separately taxed, the Owner of the Residential Property shall pay all of the tax bills for the Total Property prior to their due date; prior to such due date, however, the Owner of the Commercial Property shall pay to or as directed by the Owner of the Residential Property its share of the bill for the Total Property as provided in Section 8.3 below.

8.3 Until such tax division has been completed, the assessed valuation respecting the Total Property and the taxes computed thereon, and the cost of tax counsel and appraisal fees, if any, shall be allocated between the Owners and paid by the respective Owners as follows: seventeen percent (17.00 %) by the Owner of the Commercial Property, and eighty-three percent (83.00%) by the Owner of the Residential Property, and the Owner of the Commercial Property shall be responsible for and shall pay to or as directed by, or shall reimburse the Owner of the Residential Property (within ten (10) days after the payment of such taxes and the demand of the Owner of the Residential Property therefor) for its share of the real estate taxes levied, assessed and paid in the tax bill for the Total Property, from the later of (a) the date of the recording of this Agreement and (b) the date of the recording of the Condominium Declaration.

8.4 If, at any time prior to the Residential Property and the Commercial Property being separately assessed and taxed, any Owner shall fail to pay any tax or other charge, or share thereof, which is due and which such defaulting Owner is obligated to pay pursuant to this Article 8, then the other Owner may, upon ten (10) days prior written notice to the defaulting Owner, pay such tax or charge, or share thereof, together with any interest and penalties thereon, and the defaulting Owner shall, upon demand, reimburse such paying Owner for the amount of such payment, including the amount of any interest or penalty payments incurred by the Owner making such payment, together with interest as set forth in Section 11.4 hereof, and the paying Owner shall also have a lien against the portion of the Total Property owned by the defaulting Owner in accordance with Article 11 hereof.

ARTICLE 9 INSURANCE

9.1 The Owner of the Residential Property and the Commercial Property shall procure and maintain the following insurance:

(a) The Owner of the Residential Property shall keep the Improvements insured for no less than "all risk" or "special form" coverage on real property and broad form on personal property for an amount not less than one hundred percent (100%) of the insurable replacement cost of the Total Property. Such policies shall be endorsed with a replacement coverage endorsement and an agreed amount clause and no co-insurance penalty shall be applicable. All such policies shall include flood and water back-up insurance.

(b) The Owner of the Residential Property shall maintain Commercial General Liability Insurance covering claims for personal and bodily injury or property damage occurring in, on, under, within, upon or about the Common Elements of the Residential Property, or as a result of operations thereon, in such amounts as may be required by law and as from time to time shall be carried by prudent owners of first-class buildings in the City of Chicago, but in all events for

limits of not less than one million dollars and 00/100 (\$1,000,000) combined single limit per occurrence with a general policy aggregate of two million dollars and 00/100 (\$2,000,000.00) for personal and bodily injury or property damage with at least additional one million dollars and 00/100 (\$1,000,000) umbrella coverage. The Owner of the Residential Property shall be required to maintain such additional coverage as is required pursuant to the Condominium Declaration or the Act.

(c) The Owner of the Commercial Property shall maintain Commercial General Liability Insurance covering claims for personal and bodily injury or property damage occurring in, on, under, within, upon or about the Commercial Property, or as a result of operations thereon, in such amounts as may be required by law and as from time to time shall be carried by prudent owners of first-class buildings in the City of Chicago, but in all events for limits of not less than one million dollars and 00/100 (\$1,000,000.00) combined single limit per occurrence with a general policy aggregate of two million dollars and 00/100 (\$2,000,000.00) for personal and bodily injury or property damage.

(d)(i) If the Commercial Property and the Residential Property do not have separate insurance, then the Owner of the Commercial Property shall bear seventeen percent (17.00%) and the Owner of the Residential Property shall bear eighty-three percent (83.00%), of the total cost of insurance to be procured, or caused to be procured for the Total Property.

(ii) Owner of the Residential Property shall submit statements from time to time to the Owner of the Commercial Property for insurance procured pursuant to Paragraph 8.1(a) of this Agreement, and said statement shall be paid by the Owner of the Commercial Property together with its regular assessments due under this Agreement.

9.2 Insurance policies required by Section 9.1 above shall be purchased from insurance companies authorized and licensed to transact business in the State of Illinois who shall hold a current Policyholder's Rating of not less than investment grade according to Best's Insurance Report or a substantially equivalent rating from a nationally recognized insurance rating service.

9.3 Limits of liability or types of insurance specified in this Article 9 shall be reasonable and prudent for an Owner of a first-class property and shall be jointly reviewed by the Owners upon renewal, but no less frequently than annually. Policy limits shall be increased or decreased, deductible amounts increased or decreased or types of insurance shall be modified, if justified, based upon said annual review, and upon any such increase, decrease or modification, the Owners shall, if mutually agreeable, execute an instrument in recordable form evidencing such increase, decrease or modification, which any Owner may record with the Recorder as a supplement to this Agreement.

9.4 Certificates delineating all forms of coverage and endorsements required hereunder shall be delivered by each Owner to the other Owner at least thirty (30) days prior to the expiration date of any such expiring insurance policy. Copies of such policies shall be delivered upon request. EACH OWNER SHALL NAME THE OTHER OWNERS AS ADDITIONAL INSURED ON SUCH POLICIES. Upon the occurrence of an event which may

give rise to a claim under any insurance policy maintained or required to be maintained pursuant to this Article 8, the insured under such policy shall promptly notify the carrier and agent therefor and, if such insured fails to so notify the carrier or agent, any party named as an additional insured under such policy may so notify the carrier or agent.

ARTICLE 10 MAINTENANCE, REPAIR AND DAMAGE TO THE COMMERCIAL PROPERTY AND RESIDENTIAL PROPERTY

10.1 The Owner of the Commercial Property, at its sole cost and expense, shall keep the Commercial Property and all Facilities located therein (excluding the pipes, ducts and related equipment and other Facilities located in the portion of the Commercial Property below the bottom of the slab forming the floor of the Commercial Property and above the ceiling of the Commercial Property which serve the Residential Property, which Facilities shall be maintained, repaired and replaced by the Owner of the Residential Property) or for which it is assigned Maintenance responsibility in this Agreement in good and safe order and condition and shall make all repairs or replacements of, in, on, under, within, upon or about such property, whether said repairs or replacements are to the interior or exterior thereof, or structural or non-structural components thereof, or involve ordinary or extraordinary repairs or replacements, necessary to keep the same in safe first-class working order and condition, howsoever the necessity or desirability thereof may arise, and whether or not necessitated by wear, tear, obsolescence, defects, fire or other casualty, or otherwise. The plans and specifications for such repair and reconstruction shall provide for the Commercial Property to be rebuilt as nearly as commercially practicable to the Commercial Property as constructed prior to the damage unless prohibited by law or unless the Owner of the Residential Property otherwise agrees. Provisions concerning modifications, alterations, or improvements to the interior or exterior of the Commercial Property are set forth in Article 15 of this Agreement.

10.2 Except as expressly provided in Section 10.1, the Owner of the Residential Property shall at its sole cost and expense, keep all Facilities located in the Residential Property and all portions of the Residential Property necessary to provide structural support, Easements and other services to the Commercial Property required in this Agreement in good and safe order and condition and shall make all repairs or replacements of, in, on, under, within, upon or about such property, whether such said repairs or replacements are to the interior or exterior thereof or structural or non-structural components thereof or involve ordinary or extraordinary repairs or replacements, necessary to keep the same in safe, first-class working order and condition, howsoever the necessary or desirability thereof may arise, and whether or not necessitated by wear, tear, obsolescence, defects, fire or other casualty or otherwise. Each Owner shall be responsible for reimbursing the other Owner for any costs and expenses incurred in respect to Maintenance for which such Owner is responsible pursuant to this provision to the extent that such Maintenance results from damage caused by the other Owner.

10.3 If at any time any Owner shall not proceed diligently with any repair or restoration of damage adversely and materially affecting an Easement in favor of the other Owner or services to be furnished the other Owner under Article 5 hereto then (i) the Owner benefiting therefrom may give written notice to the other Owner specifying the respect or

UNOFFICIAL COPY

respects in which such repair or restoration is not proceeding diligently and, if, upon expiration of thirty (30) days after the receipt of such notice, any such repair or restoration work is still not proceeding diligently, then such Owner may perform such repair and restoration and may take all appropriate steps to carry out the same; or (ii) in an Emergency Situation such Owner may immediately perform such repair or restoration and may take all appropriate steps to carry out the same. Such Owner in so performing such repair and restoration shall be entitled to reimbursement upon demand from the defaulting Owner for all costs and expenses incurred by such Owner and such other rights as provided under Article 11 herein.

10.4 Without limiting the generality of the foregoing, if the Improvements are damaged by fire, flood, water damage or other casualty and (a) only the Residential Property is damaged or destroyed or (b) only the Commercial Property is damaged or destroyed, then any such damage shall be repaired and restored by the Owner of the portion of the Improvements so damaged or destroyed in as timely a manner as practicable under the circumstances, and such Owner shall be entitled to use any insurance proceeds in accordance with Article 19 hereof. If at any time any Owner so obligated to repair or restore its portion of the Improvements (the "Repairing Owner") shall not proceed diligently with such repairs and restoration, then (i) the other Owner may give written notice to the Repairing Owner and, after the expiration of thirty (30) days, if the Repairing Owner still is not proceeding to diligently complete such repairs or restoration, the other Owner may perform such repairs or restoration and may take all appropriate steps to carry out the same and shall have a lien on the insurance proceeds to pay the costs and expenses of such repair and restoration work; or (ii) in an Emergency Situation, the other Owner may immediately perform such repair or restoration work and may take all appropriate steps to carry out the same and shall have a lien on the insurance proceeds to pay the costs and expenses of such repair and restoration work. If the Repairing Owner fails to repair and restore its portion of the Improvements as required by this Agreement, then the other Owner shall, in addition to all other rights and remedies under this Agreement, have a lien on any insurance proceeds payable for loss or damage to such portion of the Repairing Owner's Property under insurance policies carried pursuant to Article 9 hereof and on any condemnation award pursuant to Article 13, in an amount necessary so that the other Owner shall have sufficient proceeds to repair and restore the Repairing Owner's Property to a condition so as adequately to assure:

- (a) the structural integrity and safety of all portions of the other Owner's Property;
- (b) the continuous and efficient operation of all Facilities, Easements, electrical, utility, mechanical, plumbing and other systems serving the other Owner's Improvements;
- (c) the Total Property's compliance with all zoning, building and other laws, rules, orders, ordinances, regulations and requirements of any governmental body or municipality or agency thereof having jurisdiction of the Total Property or any part thereof; and
- (d) the architectural unity and aesthetic appearance of the Building and the restored improvements as a first-class, residential and commercial property.

Except in the case that an Owner is using the proceeds of insurance or condemnation to

UNOFFICIAL COPY

repair or restore damage to such Owner's portion of the Total Property, the lien as to proceeds of insurance or condemnation created by this Section shall be superior to and take precedence over any mortgage or other encumbrance constituting a lien on any portion of the Total Property, except for the lien of a Mortgage. Such lien shall arise immediately upon the recording of a notice by the Owner with the Recorder following the occurrence of the damage to the Improvements stating that it is a lien created by this Section of this Agreement. Such lien shall continue in full force and effect until the sum of money required hereunder shall have been paid to the other Owner. Such lien may be enforced by a proceeding in equity to foreclose such lien in like manner as a mortgage of real property in the State of Illinois or by any other remedy available by statute or at law or in equity.

10.5 If the Improvements are damaged by fire or other casualty and if the provisions of Section 10.4 are not applicable because the nature of the damage does not fall within the categories set forth in clause (a) or (b) of Section 10.4, then repair and restoration of such damage shall be the joint responsibility of the Owners whose portions of the Total Property are in need of such repair or restoration. Such repair or restoration shall be commenced and pursued to completion in as timely a manner as practicable. Said repair and restoration shall be performed by a contractor selected jointly by such Owners. If such Owners cannot agree on the selection of a contractor, the selection shall be made pursuant to the arbitration provisions of Article 12 hereof. The plans and specifications for such repair and restoration shall provide for the Improvements to be rebuilt as nearly as commercially practicable to the Improvements as constructed prior to the damage or destruction unless prohibited by law or unless the Owners agree otherwise. If the cost and expense of performing the repairs and restoration provided for in this Section 10.5 exceed the amount of available insurance proceeds, such excess cost and expense shall be borne by each respective Owner to the extent that the respective Owner's insurance proceeds on its Improvements are inadequate to pay the cost and expense of repairing and restoring their respective Improvements to their former condition; provided, however, that where such insurance was purchased jointly by the Owners, such excess cost and expense shall be borne in proportion to the respective Owner's share of the insurance premiums. If there are excess insurance proceeds available after the completion of repairs and restoration, such proceeds shall be refunded to the respective Owners to the extent such sum exceeds the actual repair or restoration of such Owner's Improvements.

10.6 If the Improvements are destroyed or substantially damaged and the Owners agree not to rebuild, repair or restore the Improvements, then the Improvements shall be demolished to the extent necessary to comply with all applicable laws, statutes, codes, ordinances, rules and regulations and requirements of the appropriate governmental entities having Jurisdiction over the Improvements. In such event, the available insurance proceeds (after deducting the demolition costs and expenses) shall be paid to each respective Owner shall be refunded to such Owner pursuant to the terms and the amounts stated in each Owner's insurance policies; provided that where such insurance policies were purchased jointly by the Owners, such proceeds shall be distributed to each Owner in proportion to the respective Owner's share of the insurance premiums. If the Improvements are totally destroyed and the Owners agree not to rebuild, the underlying land shall be deemed owned by the Owner of the Commercial Property (as to an undivided seventeen percent (17.00%) interest) and owned by the Owner of the Residential Property (as to an undivided eighty-three percent (83.00%) interest) as Tenants in

Common.

ARTICLE 11 LIENS, RIGHTS AND REMEDIES

11.1 If at any time, either Owner (a "Debtor Owner") fails within thirty (30) days after notice or demand to pay any sum of money due the other Owner (a "Creditor owner") under or pursuant to the provisions of this Agreement, then, in addition to any other rights or remedies the Creditor Owner may have, the Creditor Owner shall have (i) in the event of a default under Articles 10 or 13, a lien against any condemnation award or insurance proceeds payable to the Debtor Owner for loss or damage to the portion of the Total Property owned by the Debtor Owner or otherwise under insurance policies carried pursuant to Article 9 hereunder, or (ii) in the event of a default under any other Section of this Agreement, a lien against the portion of the Total Property owned by the Debtor Owner, to secure the repayment of such sum of money and all interest on such sum accruing pursuant to the provisions of this Article 11 or to secure performance of a covenant or obligation. Such liens shall continue in full force and effect until such sum of money and any accrued interest thereon shall have been paid in full or the performance has been completed. The liens provided for in this Section 11.1 shall be subordinate to any first mortgage, first trust deed or other encumbrance constituting a first lien or the portion of the Total Property owned by the Debtor Owner or other interest of the Debtor Owner including mortgages of Units. Each Owner waives any and all rights to trial by jury in any suit, action or proceeding brought by the other Owner to enforce collection of any monies owed under this Agreement to such other Owner.

11.2 So long as any portion of the Residential Property remains subject to the provisions of the Act, each Unit Owner shall be liable only for such portions of any claim against the Owner of the Residential Property equal to the amount of the claim multiplied by the percentage of ownership interest in Common Elements allocated to such Unit Owner's Unit as set forth in the Condominium Declaration. Upon payment of such amount for which Unit Owner is liable, (i) any lien arising against such Unit Owners Unit Ownership or account of such claim shall be deemed released against such Unit Owner's Unit Ownership without further act or deed by any such Unit Owner, and (ii) upon the written request of such Unit Owner, the Owner of the Commercial Property shall deliver to such Unit Owner an instrument evidencing the release of such lien, but only with respect to said Unit Owner's Unit Ownership. When a Unit Ownership is owned by more than one "person" (as defined in the Act) the liability of each such person for any claim against the Unit Ownership shall be joint and several.

11.3 No conveyance or other divestiture of title (other than foreclosure of a lien which shall then be and remain superior) shall in any way affect or diminish any lien arising pursuant to this Article 11, and any lien which would have arisen against any property pursuant to this Article 10 had there been no conveyance or divestiture of title (other than foreclosure of a lien which shall then be and remain superior) shall not be defeated or otherwise diminished or affected by reason of such conveyance or divestiture of title.

11.4 Interest shall accrue on any sums owed by an Owner to the other Owner pursuant to this Agreement, and shall be payable from the date which is thirty (30) days after demand for any such payment is made until paid in full, at a rate (the "Default Rate") of interest equal to the lesser of (a) the floating rate which is equal to five percent (5%) per annum in excess of the annual rate of interest from time to time announced by Bank One in Chicago, Illinois, as its "prime rate" of interest or a reasonably equivalent substitute thereof in the event a prime base rate is no longer announced, or (b) the then maximum lawful rate of interest in Illinois applicable to the defaulting Owner and the nature of the debt. If a "prime rate" or reasonable equivalent thereof is not announced by Bank One, and no maximum lawful rate applies, then interest shall accrue at the annual Default Rate of eighteen percent (18%).

11.5 Except as expressly provided in this Agreement, the rights and remedies of each Owner provided for in this Article 11 or elsewhere in this Agreement are cumulative and not intended to be exclusive of any other remedies to which such Owner may be entitled at law or in equity or by statute. Except as expressly provided in this Agreement, each Owner may enforce, by a proceeding in equity for mandatory injunction, the other Owner's obligation to execute or record any document which the other Owner is required to execute under or pursuant to this Agreement. The exercise by an Owner of any right or remedy to which it is entitled hereunder shall not preclude or restrict the exercise of any other right or remedy provided hereunder.

11.6 Each claim of any Owner arising under this Agreement shall be separate and distinct and no defense, set-off, offset or counterclaim arising against the enforcement of any lien or other claim of any Owner shall thereby be or become a defense, set-off, offset or counterclaim against the enforcement of any other lien or claim.

11.7 Actions to enforce any right claim or lien under this Agreement shall be commenced within three (3) years immediately following the date the cause of action occurred, or such other shorter period as may be provided by law or statute; provided, however, that if prior to expiration of the period in which such action must be commenced, each Mortgagee is diligently proceeding to foreclose the mortgage, then such period in which an action by the Owner of the Residential Property or Owner of the Commercial Property must be commenced shall be further extended for such additional time as may reasonably be necessary in order for each Mortgagee to obtain possession of the applicable Property.

11.8 A defaulting Owner shall pay the reasonable attorneys' fees and court costs paid or incurred by the other Owner in successfully enforcing its rights against the defaulting Owner under this Agreement, and such fees and costs shall be added to the amount of any applicable lien created under this Article 11. If not otherwise provided for in this Agreement and except for emergency situations, a defaulting Owner shall have an opportunity to cure any default hereunder within seven (7) business days after receiving notice from the other Owner specifying the alleged default.

ARTICLE 12 ARBITRATION

12.1 The following matters shall be submitted for arbitration to the American

UNOFFICIAL COPY

Arbitration Association (the "AAA") pursuant and subject to the provisions of this Article 12:

(a) Any dispute, claim or controversy arising under this Agreement involving an amount not exceeding one hundred fifty thousand dollars and 00/100 (\$150,000.00); and

(b) All other matters which are required under this Agreement to be submitted for, or determined by, arbitration. Any such dispute, claim, controversy or matter is referred to herein as a "Matter". Arbitration of any Matter shall be initiated by any Owner making a written demand therefor by giving written notice thereof to the other Owner and by filing a copy of such demand with the AAA. The AAA shall have jurisdiction upon the giving of such notice and the filing of such demand. Any such arbitration shall be held in Chicago, Illinois, and shall be conducted and completed in an expeditious manner and without delay. Each Mortgagee shall be a party to any arbitration of a Matter involving a matter which requires the consent or approval of the Mortgagee hereunder.

12.2 Unless otherwise agreed to in writing by the parties to the arbitration, within twenty (20) business days after the notice demanding arbitration has been given, the parties shall jointly designate one (1) AAA arbitrator to resolve the Matter. If the parties fail to designate the arbitrators within such time period, the arbitrator shall be appointed in accordance with the procedures set forth in the applicable AAA rules, provided, however, that in any event such arbitrator shall be experienced as to the design, construction and/or operation, as the Matter requires, of first-class buildings similar to the Building. The AAA Commercial Arbitration Rules then in effect shall apply to the arbitration of any Matter, unless the parties mutually agree in writing otherwise.

12.3 The arbitrator shall commence hearings within sixty (60) days of selection, unless the Owners and the arbitrator agree upon an expedited or delayed schedule of hearings. Not less than fourteen (14) days prior to the hearings each Owner involved in the dispute shall provide to the other parties involved in the dispute (including the arbitrator) in writing its claims in detail, which shall reference the agreements or portions thereof allegedly violated, all allegations, pertinent facts, documents, evidence and other information relating to the Matter and any Owner may send out requests to compel document production from the Owners. Disputes concerning the scope of document production and enforcement of the document requests shall be subject to agreement by such Owners or may be ordered by the arbitrators to the extent reasonable. The arbitrator in rendering a decision may base such decision only on the facts presented in the course of arbitration and shall not modify or amend the provisions of this Agreement. Subject to the other terms hereof, if any Owner fails or refuses to appear at and participate in an arbitration hearing after due notice, the arbitration panel may hear and determine the Matter upon evidence at hand or produced by the appearing Owners. The arbitration costs shall be borne equally by each Owner, except that each Owner shall be responsible for its own expenses, unless one Owner clearly prevails, in which event such Owner shall be entitled to reimbursement of all of its costs and expenses incurred in connection with the dispute, as confirmed by the arbitrator.

12.4 Unless otherwise agreed in writing, the Owners shall continue to perform all obligations and make all payments due under this Agreement in accordance with this Agreement during the course of any arbitration constituted or conducted under the provisions of this Article

UNOFFICIAL COPY

12. The obligation of the Owners to continue performance and make payments despite the existence of an arbitration hereunder shall be enforceable by any party to the Matter by application to any court of competent jurisdiction for an injunctive order requiring the immediate performance of such obligations as provided in the preceding sentence until such times as any Matter is resolved as provided in this Article 12.

11.5 With respect to any Matter subject to arbitration under this Article 12, it is agreed that the arbitration provision of this Article 12 shall be the sole remedy of the Owners under this Agreement. Arbitration awards shall be limited solely to actual damages incurred (plus costs and expenses of enforcement, as provided in Section 12.3 hereof) and no award or compensation shall include or be based on consequential or punitive damages. Notwithstanding any other provisions of this Agreement, the foregoing agreement to arbitrate shall be specifically enforceable under prevailing arbitration law. Any award of the arbitrator shall be final and binding upon the Owners and each Mortgagee and judgment thereon shall be entered by any court having jurisdiction. All proceedings pursuant to this Article 12 shall be confidential.

ARTICLE 13 CONDEMNATION

13.1 In the event of a taking by the exercise of the power of eminent domain or deed in lieu of condemnation of all or any part of the Total Property by any competent authority for any public or quasi-public use, the award, damages or just compensation (hereinafter in this Article 13, the "Award") resulting from any such taking shall be allocated and disbursed, and any repair and/or restoration of the Improvements shall be performed in accordance with the requirements of this Article 13.

13.2 In the event of a taking (whether or not a temporary taking) of a part of the Total Property, the Owner of the portion of the Total Property taken shall repair and restore the remainder of such Owner's Improvements to form an architectural and functional whole. Such repair and restoration shall be commenced and pursued to completion in as timely a manner as practicable under the circumstances and shall be at the sole cost and expense of the Owner whose portion of the Total Property is taken. The Owner of the portion of the Total Property taken shall be entitled to receive directly from the taking authority any Award resulting from such taking within such Owner's portion of the Total Property for application to the cost of said repair and restoration and to retain any excess not required for such repair and restoration.

13.3 Notwithstanding any other provision of this Agreement to the contrary, it as a result of a taking (other than a temporary taking), an Owner Reasonably determines that such Owner's portion of the Total Property no longer can be operated on an economically feasible basis, then such Owner shall not be obligated to repair or restore the such Owner's Improvements as may otherwise be required by this Agreement. However, in such case, such Owner shall demolish, repair or restore such Owner's Improvements to the extent, if any, as may be necessary to provide essential services or structural support for the other portions of the Total Property, but only if the Owner of the other portion of the Total Property affected thereby request that it perform such demolition, repair or restoration. Furthermore, such Owner shall weatherproof any exposed portions of such Owner's portion of the Total Property and shall

UNOFFICIAL COPY

restore such Owner's portion of the Total Property to a sightly and safe condition and in such a manner as to safeguard the other Owner's portion of the Total Property, and to preserve the use of the Easements granted hereunder.

13.4 In the event of a taking of all or substantially all of the Total Property, the Award for such taking shall be allocated to the Owners in accordance with the apportionment made in any final judicial or administrative proceedings in connection with the taking and paid to the Owners in accordance with said apportionment. Absent such an apportionment, the Owner of the Commercial Property shall receive seventeen percent (17.00%), and the Owner of the Residential Property shall receive eighty-three percent (83.00%), of the total Award.

ARTICLE 14 ESTOPPEL CERTIFICATES

14.1 Each Owner shall, from time to time, within ten (10) days after receipt of written request from another Owner, execute, acknowledge and deliver to the requesting Owner or to any existing or prospective purchaser or mortgagee designated by the requesting Owner, a certificate (each, an "Estoppel Certificate") in such Form as may be Reasonably requested. The Owner of the Commercial Property, if requested to issue an Estoppel Certificate in connection with the purchase and sale or financing of a Unit Ownership, may limit the statements made in the Estoppel Certificate to (i) the existence of any defaults hereunder and (ii) the amount of any liens capable of being asserted hereunder.

14.2 So long as the Residential Property remains subject to the provisions of the Act, an Estoppel Certificate requested from the Owner of the Residential Property shall be issued by the Condominium Association on behalf of the Unit Owners and the Condominium Association and any Estoppel Certificate so issued shall be binding on the Unit Owners and such Condominium Association and an Estoppel Certificate requested by the Owner of the Residential Property from the Owner of the Commercial Property may only be requested by the Condominium Association on behalf of the Owner of the Residential Property.

ARTICLE 15 ALTERATIONS

15.1 (a) No changes, modifications, alterations, or improvements to the Commercial Property ("Alterations") shall be made without the prior written consent of the Owner of the Residential Property if such Alterations will:

- (i) adversely affect the benefits afforded to the Owner of the Residential Property by any Easement or unreasonably interrupt the Owner of the Residential Property's use or enjoyment of any Easement;
- (ii) adversely affect Facilities benefiting the Residential Property;
- (iii) modify the exterior of the Building, including without limitation, awnings;
or

UNOFFICIAL COPY

(iv) affect the zoning status of the Building or Total Property.

(b) If, at any time, the Owner of the Commercial Property proposes to make any Alterations which require or could possibly require the consent of the Owner of the Residential Property, then before commencing or proceeding with such Alterations, the Owner of the Commercial Property shall deliver to the Owner of the Residential Property, a copy of the plans and specifications showing the proposed Alterations and a reference to this Section 15.1. If the Owner of the Residential Property consents in writing to such Alterations, the Owner of the Commercial Property may proceed to make its Alterations in accordance with said plans and specifications. The Owner of the Residential Property shall make a good faith effort to respond to the Owner of the Commercial Property within twenty-one (21) days after its receipt of said plans and specifications from the Owner of the Commercial Property showing proposed Alterations. If the Owner of the Residential Property shall not have responded within such twenty-one (21) day period, the Owner of the Commercial Property shall deliver to the Owner of the Residential Property an additional request for a response. If the Owner of the Residential Property fails to respond within thirty (30) days from receipt of the additional request, the plans and specifications for such Alterations shall be deemed approved. If the Owner of the Commercial Property has not requested the Owner of the Residential Property's consent to the proposed Alterations, and if, in the good faith opinion of the Owner of The Residential Property, the Owner of the Commercial Property has violated or will violate the provisions of this Section 15.1, the Owner of the Residential Property shall notify the Owner of the Commercial Property of its opinion that the Alterations or proposed Alterations violate or will violate the provisions of this Section 15.1 hereof, and shall specify the respect or respects in which its provisions are or will be violated. If the Owner of the Residential Property in good faith asserts a violation of this Section 15.1, then the Owner of the Commercial Property shall not commence with the Alterations or proceed with the Alterations, if already commenced, until the matter has been resolved. In addition to any other legal or equitable rights or remedies to which the Owner of the Residential Property may be entitled by reason of the Owner of the Commercial Property's violation or likely violation of the provisions of this Section 15.1, the Owner of the Residential Property shall be entitled to seek and obtain injunctive relief to enjoin any such violation. Failure of a Mortgagee to approve such plans and specifications, if such consent is required pursuant to a Mortgage, shall be grounds for the Owner of the Residential Property to reject such request.

(c) Each Owner, in making Alterations, shall (i) cause all work to be performed in a good and workmanlike manner and in accordance with good construction practices, (ii) comply with all applicable federal, state and local laws, statutes, ordinances, codes, rules, regulations and orders, including, without limitation, the City of Chicago Building Code, (iii) comply with all of the applicable provisions of this Agreement, including, without limitation, the provisions regarding insurance coverage, (iv) cause all work to be performed with as minimal amount of disruption to the other Owners as is reasonably possible, and (v) keep the areas of the Total Property not involved in the Alterations free of construction debris. Each Owner shall, to the extent reasonably practicable, make Alterations within the portion of the Total Property owned by such Owner, in such a manner as to minimize any noise, vibration, particulate and dust infiltration or other interference or disturbance which would interfere with or disturb any occupant or occupants of the portion of the Total Property of the other Owner.

15.2 Applications for building permits to make Alterations shall be filed and processed by each Owner without the joinder of the other Owner in such application, unless the City of Chicago or other government agency having jurisdiction thereof requires joinder of the Owner. If joinder by such Owner is so required, said Owner shall cooperate in executing such application or other instruments as may be necessary to obtain the building permit; provided however, each Owner shall indemnify and hold harmless the other Owner from and against any and all loss, liability, claims, judgments, costs and expenses arising out of the other Owner's execution of the application, permit or other instrument.

15.3 The Owner of the Commercial Property and Owner of the Residential Property each shall include in any construction contract a provision pursuant to which the contractor (i) recognizes the separate ownership of the Total Property and agrees that any lien rights which the contractor or subcontractors have under the Mechanics Lien Act shall only be enforceable against the portion of the Total Property owned by the Owner who employs such contractor, or (ii) agrees that no lien or claim may be filed or maintained by such contractor or any subcontractors against the portion of the Total Property owned by the other Owner and agrees to comply with the provisions of Section 21 of the Illinois Mechanics Lien Act in connection with giving notice of such "no lien" provision.

15.4 Without the written consent of the Owner of the Commercial Property, no Alterations shall be made to the Residential Property which will: (i) adversely affect the benefit afforded to the Owner of the Commercial Property by any Easement; (ii) adversely affect Facilities benefiting the Commercial Property; (iii) increase the total square footage of the Improvements; (iv) alter the Building facade or its appearance; or (v) disturb the use and quiet enjoyment of the Commercial Property.

DEPOSITORY

19.1 A depository (the "Depository") shall be appointed to receive the insurance proceeds and condemnation awards described above, to disburse such proceeds and awards and to act otherwise in accordance with this Agreement. Except as otherwise provided hereunder, and subject to the rights of Mortgagees, all insurance proceeds under Articles 9 and 10 and condemnation awards under Article 13 shall be paid to the Depository. The Depository shall be selected by the Owners jointly and shall be a title insurance company, trust company or bank with offices in the City of Chicago. If the Owners cannot agree on the Depository within thirty (30) days after a casualty or final agreement as to the amount of a condemnation award, one shall be selected pursuant to Article 12 hereof. If the Depository resigns, a substitute Depository shall be selected in the same manner as set forth in this Section 19.1 within thirty (30) days after the resigning Depository notifies the Owner or Owners affected in writing.

19.2 Each Owner whose portion of the Total Property is the subject of any such casualty or condemnation shall be obligated to pay the reasonable fees and expenses of the Depository in proportion to the proceeds from the applicable insurance policies or condemnation awards. Each such Owner and the Depository shall execute an agreement (the "Escrow Agreement") regarding the Depository's rights and obligations and the conditions pursuant to which the Depository shall act, such agreement in form and content acceptable to the parties thereto and in accordance with the provisions of this Agreement. The Escrow Agreement may be in the form of the customary construction escrow then in use by the Depository in Chicago, Illinois, with such changes as may be required to conform to this Agreement.

19.3 All fines held by the Depository shall be held in trust and deposited in an interest bearing account (the "Escrow") for the benefit of the Owner or Owners whose insurance proceeds or condemnation awards are so deposited. Notwithstanding anything contained herein to the contrary, any insurance proceeds or condemnation awards claimed by a Mortgagee shall be paid to such Mortgagee and any proceeds or condemnation awards of less than fifty thousand dollars and 00/100 (\$50,000.00) shall be paid directly to the party so entitled rather than to the Depository unless the proceeds or condemnation awards are paid to more than one Owner.

19.4 Each request by an Owner or its agent (including its contractor) acting pursuant to this Agreement or the Escrow Agreement for disbursement of funds held in the Escrow shall be accompanied by a customary owner's sworn statement, a contractor's sworn statement, supporting lien waivers, together with an architect's (or, if the Depository shall accept, an Owner's) certification that (a) the sum requested has been paid by or on behalf of the Owner or Owners requesting such funds, (b) the sum is justly due to the Owner, Owners, contractors, subcontractors and other parties set forth in said owner's sworn statement, (c) briefly describes the work completed, services rendered and materials supplied and the amounts due for such work, services and materials, (d) states that the sum requested plus sums previously disbursed do not exceed the cost of the work in place, the services rendered and materials supplied and stored at the Total Property to date, (e) states that no part of the cost of work, services or materials requested have been the basis of a previous or pending withdrawal from the Escrow, and (f) states that the cost to complete the unfinished work will not exceed the funds held by the Depository after payment of the current request. If the architect (or Owner) cannot or will not

certify (f) above, the Owner or Owners who are party to the Escrow Agreement and who accordingly have caused the budget for the repairs and restoration to become out of balance shall first pay or provide a source of payment of such funds in order to bring the budget back in balance again before the Depository shall be obligated to pay funds from the Escrow pursuant to Section 19.5 hereof.

19.5 Upon satisfaction of the requirements of Section 19.4 (but not more frequently than once in each calendar month) and upon approval of the Owners, any Mortgagees holding approval rights concerning the repairs or restoration and the title insurer providing title coverage over the work being performed at the Total Property, the Depository shall, out of the Escrow and subject to such retention as set forth in the Escrow Agreement, pay or cause to be paid to the owners, contractors, subcontractors, materialmen, service providers and other parties named in the owner's and contractor's sworn statements the respective amounts stated in said statements due such parties. The Depository may rely conclusively, with respect to the information contained therein, on any certificate, authorization or statement furnished the Depository by an Owner in accordance with this Article 19 and the Depository shall not be liable or accountable for any disbursement of funds from the Escrow made by it in reliance upon such certificate, authorization or statement.

ARTICLE 20

GENERAL

20.1 In fulfilling obligations and exercising rights under this Agreement, each Owner shall cooperate with the other Owner to promote the efficient operation of each respective portion of the Total Property and the harmonious relationship between the Owners and to protect the value of each Owner's respective portion, estate or interest in the Total Property. To that end, each Owner shall share information which it possesses relating to matters which are the subject of this Agreement, except such information as such Owner may reasonably deem confidential or which may be the subject of litigation and which such Owners prohibited from revealing pursuant to court order. From time to time after the date hereof, each Owner shall furnish, execute and acknowledge, without charge (except where elsewhere provided herein) (i) such other instruments, documents, materials and information as any other Owner hereto may reasonably request in order to confirm to such requesting Owner the benefits contemplated hereby, but only so long as any such request does not restrict or abridge the benefits granted the other Owner hereunder or increase such Owner's burdens hereunder; and (ii) such grants of Easements to and agreements with utility companies as any other Owner hereto may reasonably request in order to enable such utility company to furnish utility services as required by such Owner, provided that any Mortgagee which holds any Mortgage on the portions of the Total Property on which such Easements granted have first consented in writing to such Easements.

20.2 The illegality, invalidity or unenforceability under law of any covenant, restriction or condition or any other provision of this Agreement shall not impair or affect in any manner the validity, enforceability or effect of the remaining provisions of this Agreement.

20.3 The headings of Articles in this Agreement are for convenience of reference only and shall not in any way limit or define the content, substance or effect of the Articles.

20.4(a) Except as otherwise provided herein, this Agreement may be amended or terminated only by an instrument signed by the Owners and the Mortgagee. Any amendment to or termination of this Agreement shall be recorded with the Recorder.

(b) Declarant reserves the right and power to record a special amendment (a "Special Amendment") to this Agreement at any time and from time to time which amends this Agreement to correct clerical or typographical errors in this Agreement. A Special Amendment may also contain such complementary and supplemental grants and reservations of Easements as may be necessary in order so effectuate the Maintenance, operation and administration of the Total Property. Declarant also reserves the right to include, within a Special Amendment, revisions to the legal descriptions of the Residential Property and Commercial Property. In furtherance of the foregoing, a power coupled with an interest is hereby reserved and granted to Declarant to vote in favor of, make, or consent to a Special Amendment on behalf of the other Owner as proxy or attorney-in-fact, as the case may be. Each deed, mortgage, trust deed, other evidence of obligation, or other instrument affecting any portion of the Total Property, and the acceptance thereof shall be deemed to be a grant and acknowledgment of, and a consent to the reservation of, the power to Declarant to vote in favor of, make, execute and record Special Amendments. The right of Declarant to act pursuant to rights reserved or granted under this Section shall terminate at such time as Declarant no longer holds or controls title to any portion of the Total Property.

20.5 The covenants, conditions and restrictions contained in this Agreement shall be enforceable by the Owners and their respective successors and assigns for a term of forty (40) years from the date this Agreement is recorded, after which time said covenants, conditions and restrictions shall be automatically extended without further act or deed of the Owners, except as may be required by law and as provided below, for successive periods of then (10) years, subject to amendment or termination as hereinabove set forth in Sect on 20.4; provided, however, that this Agreement, and all Easements, covenants, conditions and restrictions contained herein, shall terminate and be deemed abrogated (i) as may be provided in Section 10.5 or (ii) upon the demolition or destruction of all of the Improvements and the failure to restore or rebuild the same within five (5) years after such demolition or destruction. If and to the extent that any of the covenants would otherwise be unlawful or void for violation of (a) the rule against perpetuities, (b) the rule restricting restraints on alienation, or (c) any other applicable statute or common law rule analogous thereto or otherwise imposing limitations upon the time for which such covenants may be valid, then the provision concerned shall continue and endure only until the expiration of a period of twenty-one (21) years after the date of the last to survive of the class of persons consisting of all of the lawful descendants of George W. Bush, President of the United States of America, living at the date of this Agreement.

20.6 If the Owner of the Commercial Property is required to obtain the consent of the Owner of the Residential Property for any matter hereunder, the Owner of the Commercial Property shall deliver to the Owner of the Residential Property a written request for such consent together with all information and documentation necessary for the Owner of the Residential Property to evaluate such request. If the Owner of the Residential Property shall not have responded to such request within twenty-one (21) days from the date of receipt of such request

and all such information and documentation, the Owner of the Commercial Property shall deliver to the Owner of the Residential Property an additional request for a response. If the Owner of the Residential Property fails to respond within twenty-one (21) days from receipt of the additional request, the matter on which the request was sought shall be deemed approved. In all events, the Owner of the Residential Property shall give or withhold its consent reasonably, and shall provide the Owner of the Commercial Property with a reasonable explanation or withholding its consent, if such consent is withheld.

20.7 The provisions of this Agreement shall be construed to the end that the Total Property shall remain a first-class property.

20.8 All the Easements, covenants, restrictions and conditions herein contained shall run with the land and shall inure to the benefit of and be binding upon Declarant and each subsequent holder of any interest in any portion of the Total Property and their grantees, mortgagees, heirs, successors, personal representatives and assigns with the same full force and effect for all purposes as though set forth at length in each and every conveyance of the Total Property or any part thereof.

20.9 Easements created hereunder shall not be presumed abandoned by nonuse or the occurrence of damage or destruction of a portion of the Improvements subject to an Easement unless the Owner benefited by such Easement states in writing its intention to abandon the Easement or unless the Easement has been abandoned for a period in excess of ten (10) years and no response to a notice inquiring about the apparent abandonment is received within ninety (90) days after the delivery of such notice.

20.10 The parties hereto acknowledge that this Agreement and all other instruments in connection herewith, have been negotiated, executed and delivered in the City of Chicago, County of Cook and State of Illinois. This Agreement and said other instruments shall, in all respects be governed, construed, applied and enforced in accordance with the laws of Illinois including, without limitation, matters affecting title to all real property described herein.

20.11 This Agreement is not intended to give or confer any benefits, rights, privileges, claims, actions or remedies to any person or entity as a third-party beneficiary (except any Mortgagee) under any statutes, laws, codes, ordinances, rules, regulations, orders, decrees or otherwise.

20.12 Each provision of the Recitals to this Agreement and each Exhibit attached hereto is hereby incorporated in this Agreement and is an integral part hereof.

20.13 No charges shall be made for any Easements or rights granted hereunder unless otherwise provided or permitted under the terms of this Agreement.
