ARTICLE IV DEFAULTS AND REMEDIES

4.1 Absence of Default. Although this Assignment is intended to be a present assignment, Assignor shall have the right to collect at the time of, but not prior to, the payment dates provided in the Leases, all Rents, and to retain, use, and enjoy the same; provided that none of the following events shall occur, each of which shall constitute a default ("Default") hereunder:

(a) Assignor's failure to pay any amount due herein or secured hereby, which failure continues for more than five (5) days from the due date;

(b) Assignor's failure to timely perform or observe any other provision of this Assignment which remains uncured for twenty one (21) days after the earlier of Assignor's becoming aware of such failure or notice thereof given by Lender to Assignor;

(c) A default uncured within the applicable cure period, if any, in the payment or performance of the Liabilities;

(d) Lender's finding that any statement, representation or warranty made herein by Trustee or Beneficiary is untrue or incomplete in any material respect; or

(e) A default, "Event of Default" or "Default" pursuant to the Note or any of the other Loan Documents, subject to applicable cure periods, if any.

All Rents which accrue prior to a Default but are paid thereafter shall be paid to the Lender.

4.2 Exercise of Lender's Rights. Any time after the occurrence of a Default, Lender may, at its option, take the actions described below, without in any way waiving such Default, without notice and without regard to the adequacy of the security for the Liabilities. Lender may act either in person or by an agent or by a receiver appointed by a court. Lender may:

- (a) Take possession of all or any part of the Premises or any other property described in any or all of the Leases, the Mortgage and the other Loan Documents, to have, hold, manage, lease, sell, and operate the same on such terms and for such periods of time as Lender may deem proper;
- (b) Either with or without taking possession of such Premises, in Lender's own name, sue for or otherwise collect and receive all Rents, including those past due and unpaid, with full power to make, from time to time, all alterations, renovations, repairs or replacements to or of any part of the Premises as may seem proper to Lender and to apply such Rents, in payment of any or all of the following in such order and manner as Lender may in its sole discretion determine, any statute, law, custom, or use to the contrary notwithstanding:
- (i) All expenses of managing the Premises, including, without limitation, the salaries, fees, and wages of any managing agent and such other employees as Lender may deem necessary or desirable;
 - (ii) All expenses of operating and maintaining the Premises, including, without limitation, all taxes, charges, claims, assessments, water rents, sewer rents, any other liens, premiums for all insurance that Lender may deem necessary or desirable, and the cost of all alterations, renovations, repairs, or replacements;

 - (iv) The Liabilities, including, without limitation, all costs and attorneys' fees;

- (e) Perform any and all other acts necessary or proper to protect the security of this Assignment;
- (f) Apply for, and the Assignor hereby consents to, the appointment of a receiver of the Premises or any portion thereof, whether or not foreclosure proceedings have been commenced under the Mortgage, and if such proceedings have been commenced, whether or not a foreclosure sale has occurred; and
- (g) Avail itself of any rights, powers or remedies granted in the other Loan Documents, which remedies are cumulative to those granted herein.

The Assignor hereby appoints irrevocably the Lender its true and lawful attorney in its name and stead and authorizes Lender to take any or all of the actions described above. Powers of attorney conferred upon Lender pursuant to this Assignment are powers coupled with an interest and cannot be revoked, modified or altered without Lender's written consent. The exercise by Lender of the rights, powers and remedies granted it in this Paragraph 4.2, collection of the Rents and their application as provided herein, shall not be considered a waiver of any Default. Assignor's obligations hereunder shall survive foreclosure of the Mortgage, and Assignor covenants to observe and comply with all its obligations under this Assignment and the other Loan Documents throughout any period of redemption after foreclosure of the Mortgage.

4.3 Non-Liability of Lender and Indemnity. Lender shall not be liable for any loss sustained by Assignor resulting from Lender's failure to let the Premises after a Default or from any other act or omission of Lender in managing, using, occupying or maintaining the Premises after a Default unless such loss is directly and solely caused by the willful misconduct and bad faith of Lender. Lender shall not be obligated to perform or discharge, nor does Lender hereby undertake to perform or discharge, any obligation, duty, or liability of Assignor or any other party under any Assigned Security or under or by reason of this Assignment. This Assignment shall not operate to make Lender responsible for: (i) the control, care, management, or repair of the Premises; (ii) the carrying out of any of the terms and conditions of any Lease; (iii) any waste committed on the property by the lessees or by any other parties or for any dangerous or defective conditions of the Premises; or (iv) any negligence in the management, upkeep, repair, or control of the Premises resulting in loss or injury or death to any lessee, licensee, employee, or stranger. This Assignment shall not be construed as constituting the Lender a "mortgagee in possession" of the Premises. Lender has not received any security deposit with respect to any Lease, and assumes no responsibility for any such security deposit until such time such security deposit (specified as such with specific reference to the Lease pursuant to which deposited) may be transferred to Lender and accepted by Lender by notice to the tenant under such Lease.

Assignor shall, and does hereby agree to, protect, defend, indemnify, and hold Lender harmless from and against any and all claims, liability, loss, cost, damage or expense, including reasonable attorney's fees, which Lender may or might incur by reason of: (a) the Leases, Lessor's Rights or Guaranties; (b) this Assignment; (c) any alleged obligations or undertakings on Lender's part to perform or discharge any of the terms, covenants, or agreements contained in the Leases; or (d) any action taken or omitted by Lender or its agents under this Assignment, unless constituting willful misconduct or gross negligence. Should Lender incur any such liability, loss or damage, the amount thereof, including costs, expenses, and reasonable attorneys' fees, shall be paid by Assignor upon demand of Lender and shall constitute a part of the Liabilities.

4.4 Collection of Rent. Assignor hereby and irrevocably authorizes and directs the lessee named in any Lease, whether now or hereafter existing, the occupant of all or any part of the Premises, or the obligor named in any Guaranty, upon receipt from Lender of written notice to the effect that Lender is then the holder of the Note and that a Default exists, to pay over to Lender all Rents, arising or accruing under such Lease or from all or any part of the premises described therein and to continue so to do until otherwise notified by Lender. Assignor agrees that lessees shall have the right to rely upon such demand

and notice from Lender and shall pay such Rents to Lender without any obligation or right to determine the actual existence of any such Default or the Lender's right to receive such Rents, notwithstanding any notice from or claim of Assignor to the contrary, and without the need for a judicial determination that a Default has occurred. Assignor shall have no right or claim against such lessees for any such Rents so paid by tenants to Lender. Assignor agrees that it will at Lender's request take such action as Lender may from time to time request to assist Lender in exercising any rights hereunder, including joining in a written direction to lessees to pay Rents to Lender.

4.5 Other Security. Lender may take or release other security for the Liabilities, release any party primarily or secondarily liable therefor, apply any other security held by it to the satisfaction thereof; all without prejudice to any of its rights under this Assignment.

4.6 Waivers. Nothing contained in this Assignment and no act done or omitted by Lender pursuant to the rights, powers and remedies granted it shall be deemed to be a waiver by Lender of its rights, powers and remedies under the other Loan Documents. This Assignment is made and accepted without prejudice to any of the rights, powers and remedies possessed by Lender under any of the other Loan Documents. The right of Lender to collect the Liabilities and to enforce any other security held by it may be exercised by Lender either prior to, simultaneously with, or subsequent to any action taken by it hereunder.

4.7 Amounts Held in Trust for Lender. Any amounts received by Assignor or its agents for performance of any actions prohibited by the terms of this Assignment, including any amounts received in connection with any cancellation, modification or amendment of any of the Leases prohibited by the terms of this Assignment, and any amounts received by Assignor as Rents, from and after the date of any Default, shall be held by Assignor as trustee for Lender and all such amounts shall be accounted for to Lender and shall not be commingled with other funds of the Assignor. Any person acquiring or receiving all or any portion of such trust funds shall acquire or receive the same in trust for Lender as if such person had actual or constructive notice that such funds were impressed with a trust in accordance herewith. By way of example, such notice may be given by an instrument recorded with the Recorder of Deeds of the county in which the Premises are located stating that Assignor has received or will receive such amounts in trust for Lender.

ARTICLE V MISCELLANEOUS
