Insurance, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the Mortgage Insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the Mortgage Insurance previously in effect, from an alternate mortgage insurer selected by Lender. If substantially equivalent Mortgage Insurance coverage is not available, Borrower shall continue to pay to Lender the amount of the separately designated payments that were due when the insurance coverage ceased to be in affect. Lender will accept, use and retain these payments as a non-refundable loss reserve in lieu of Mortgage Insural ce. Such loss reserve shall be non-refundable. norwithstanding the fact that the Loan is ultimately paid in full, and Linder shall not be required to pay Borrower my interest or earnings on such loss reserve. Lender can no longer require loss reserve payments if Mortgage Insurance coverage (in the amount and for the period that Lender requires) provided by an insurer selected by Lender again becomes available, is obtained, and Lender requires separately disignated payments thward the premiums for Mortgage Insurance. If Lender required Mortgage Insurance as a candition of making the Loan and Borrower was required to make separately designated payments toward the premiun s for Mortgage Insurance, Borrower shall ay the premiums required to maintain Mortgage Insurance in effect, or to provide a non-refundable loss reserve, until Lender's requirement for Mortgage Insurance ends in accordance with any written agreement between Borrower and Lender providing for such termination or until termination is required by Applicable Law. Nothing in this Section 10 affects Borrower's or in ation to pay interest at the rate provided in the Note.

Mortgage Insurance rene burses Lender (or any entity that purchases the Note) for certain losses it may incur if Borrower does not repay the Loan as agreed. Borrower is not a party to the Mortgage Insurance.

Mortgage insurers evaluate their total risk on all such insurance in force from time to time, and may enter into agreements with other parties that shar, or modify their risk, or reduce losses. These agreements are on terms and conditions that are satisfactory to the mortgage insurer and the other party (or parties) to these agreements. These agreements may require the mortgage insurer to make payments using any source of funds that the mortgage insurer may have available (which may include funcs obtained from Mortgage Insurance premiums).

As a result of these agreements, Lender, my parchaser of the lote, another insurer any reinsurer, any other entity, or any affiliate of any of the foregoing, may receive (directly of indirectly) amounts that derive from (or might be characterized as) a portion of Borrower's payments for Mortgage I surance, in exchange for sharing or modifying the mortgage insurer's risk, or reducing losses. If such agreement provides that an affiliate of Lender takes a share of the insurer's risk in exchange for a share of the premium, paid to the insurer, the arrangement is often termed "captive reinsurance." Further:

- (a) Any such agreements will not affect the amounts the Forrower has agreed to pay for Mortgage Insurance, or any other terms of the Loan. Such agreements will not increase the amount Borrower will owe for Mortgage Insurance, and they will not entitle Borrower to any re und.
- (b) Any such agreements will not affect the rights Borrower has 't my with respect to the Mortgage Insurance under the Homeowners Protection Act of 1998 or any o her law. The rights may include the right to receive certain disclosures, to request and obtain cancellation of the Mor gage Insurance, to have he Mortgage Insurance terminated automatically, and/or to receive a refund of any Mortgage Insurance premiums that were unearned at the time of such cancellation or termination.
- 11. Assignment of Miscellaneous Proceeds; Forfeiture. All Miscellaneous Proceeds are nevely assigned to and shall be paid to Lender.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such restoration period, Lender shall have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been consuch inspection shall be undertaken promptly. Lender may pay for the or in a series of progress payments as the work is completed. Unless Law requires interest to be paid on such Miscellaneous Proceeds, Le interest or earnings on such Miscellaneous Proceeds. If the restors tion or repair is not economically feasible or Lender's security would be lessened, the Miscellaneous Proceeds shall instrument, whether or not then due, with the excess, if any, paid to be applied in the order provided for in Section 2.
