Re: Memorandum of Understanding Between the City of Chicago and the Illinois
 Environmental Protection Agency

Dear Mr. Ames:

Enclosed please find the City's signed copy of the executed Memorandum of Understanding (MOU) between the City of Chicago and the Illinois EPA pursuant to 35 Ill. Adm. Code 742.1015. I congratulate the City on its efforts in entering this MOU and adopting the ordinances that provide the framework for the MOU. As you are aware Part 742 only became effective on July 1, 1997. The timely preparation efforts of both our organizations have resulted in an early execution of this very important MOU. In fact, it is the first one that the Illinois EPA has entered under Section 742.1015.

Please contact Mr. Mark Wight or me if you have any additional questions or comments.

Sincerely,

ORDINANCE AS AN ENVIRONMENTAL INSTITUTIONAL CONTROL AND

The Illinois EPA has reviewed Sections 11-8-385 and 11-8-390 of the Municipal Code of Chicago as amended by Ordinance Number 097990 ("Potable Water Supply Well Ordinance"), attached as Attachment A, and has determined that the Municipal Code of Chicago prohibits the installation and use of new potable water supply wells by private entities but will allow the installation of potable water supply wells by the City and other units of local government pursuant to intergovernmental agreements with the City. In such cases, 35 Ill. Adm. Code 742.1015(a) provides that the City may enter into an MOU with the Illinois EPA to allow the use of the ordinance as an institutional control.
- B. The intent of this Memorandum of Understanding is to (a) specify the responsibilities that must be assumed by the City to satisfy the requirements for MOUs as set forth at 35 Ill. Adm. Code 742.1015(i), and (b) require the Illinois EPA to provide the City with copies of all "No Further Remediation" letters or determinations that the Illinois EPA issues for sites located within the City of Chicago to enable the City to maintain a registry of sites pursuant to 35 Ill. Adm. Code 742.1015(i)(5).

II. DECLARATIONS AND ASSUMPTION OF RESPONSIBILITY
