This Memorandum of

Environmental Settlement Agreement is entered into as of the 30th day of September, 2003, by and between THE CITY OF CHICAGO, an Illinois home rule municipal corporation, 121 N. LaSalle St., Chicago, Illinois 60602, (Grantor), and THE PEOPLES GAS LIGHT AND COKE COMPANY, 130 E. Randolph Drive, Chicago, Illinois 60601 (Grantee).

Recitals

Grantee's records indicate that the property legally described on Exhibit A attached hereto (the "Property") was formerly used for coal storage purposes associated with a former manufactured gas plant ("MGP").

Grantor indicated to Grantee that it planned to purchase the Property, provided that the Grantor and Grantee reached agreement regarding certain issues related to the environmental condition of the Property.

Grantor demanded that Grantee pay all costs and expenses incurred as a result of the need to conduct an environmental remediation of the Property. Grantee denied liability for any and all costs arising from the contamination which may exist on the Property.

Grantor and Grantee have consequently entered into that certain "Settlement Agreement" dated September 30, 2003 and "Three Way Release Agreement" dated September 30, 2003 to settle certain disputes relating to the environmental condition of the Property, while reserving all rights with respect to any other disputes associated with any portion of the Property.

The Grantor has purchased the Property and is the current fee owner of the Property.
