# UNOFFICIAL COPY

keep his Townhouse in good condition and repair. This obligation shall include the maintenance, repairs and replacements of all exterior surfaces of a Townhouse, including windows, doors, chimneys, decks and any other Improvements located on the Townhouse owned by an Owner. In the event any Townhouse is damaged or destroyed, the Owner shall replace, repair and/or restore the Townhouse to substantially the same condition and appearance as existed prior to such damage or destruction.

**4.02 Party Walls and Shared Facilities.** To the extent not inconsistent with the provisions of this Section 4.02, the general rules of law regarding party walls and of liability for property damage due to negligent or willful acts or omissions shall apply to all party walls and other shared facilities such as roofs, and stairways outside of any Townhouse or Townhome ("Shared Facilities"). The cost of reasonable repair and maintenance of a party wall or shared facility shall be shared by the owners who make use of the party wall or shared facility in proportion to such use. If a party wall or shared facility is destroyed or damaged by fire or other casualty any Owner who has used the party wall or shared facility may restore it, and if the other Owner thereafter makes use of the party wall or shared facility, the other owner shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of the Owner who restores such party wall or shared facility to call for a larger contribution from the other Owner under any rule of law regarding liability for negligent or willful acts or omissions. An Owner who, by his negligent or willful act, causes any party wall to be exposed to the elements, or any roof or ancillary structure to be damaged shall bear the entire cost of repair and restoration and of furnishing the necessary protection against such elements. The right of any Owner to contribution from any other Owner under this Section 4.02 shall be appurtenant to and run with the Townhouse owned by the Owner entitled to contribution and shall pass to the successors in title of such Owner entitled to such contribution. If either party sharing said party wall shall neglect or refuse to pay his share as aforesaid, the other party may have the party wall repaired or rebuilt and, in addition to any other remedy available to him by law, shall be entitled to have a mechanic's lien on the premises of the party so failing to pay in the amount of such defaulting party's share of the repair or rebuilding cost. Any repairing or rebuilding done hereunder shall be performed timely and in a good and workmanlike manner, and to the extent possible, accomplished without interruption to the normal usages of the Townhomes which share said party wall.

**4.03 Roofs.** If, in the opinion of the Architectural Control Committee, it becomes necessary to replace the roofs (other than as a result of damage or destruction from a casualty or similar occurrence), then the Association shall be responsible for such replacement. The Association shall, upon an appropriate vote of the Board and membership of the Association, levy such special assessments or allocate capital reserves for the purpose of such roof replacement.

**4.04 Architectural Control.** From and after the construction by Declarant of any Townhouse or other Improvements, no building, fence, wall or other structure shall be commenced, erected or maintained upon the Property, nor shall any exterior addition to or change or alteration to the exterior of a Townhouse be made (including, but not limited to, change of color, patios, windows, doors, storm doors and screens), until the plans and specifications showing the nature, kind, shape, height, materials, color and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Declarant. Notwithstanding the foregoing, no chain link fence of any kind shall be installed, erected or maintained upon the Property. In the event the Declarant fails to approve or disapprove such design and location within forty-five (45) days after said plans and specifications have been submitted to it, approval will not be required and this Section 4.04 will be deemed to have been fully complied with. All such plans shall be submitted to the Declarant prior to submitting same to the City of Chicago, if applicable.

**4.05 Extinguishment of Rights.** The rights set forth in Section 4.04 shall vest solely in the Declarant until such time as: (i) the Declarant voluntarily relinquishes such rights in favor of the Architectural Review Committee; or (ii) all Townhouses have been deeded to Owners other than the Declarant, whichever event shall first occur. After the Declarant no longer has such right, the powers and authority granted in Article Four shall vest in the Architectural Review Committee.

**4.06 Residential Use Only.** Townhouses shall be used only as a residence and no industry, business, trade, occupation or profession of any kind shall be conducted, maintained or permitted on any part of the Property except as permitted by law; provided, however, that no owner shall be precluded, with respect to his Townhouse from: (i)

maintaining a personal professional library; (ii) keeping his personal business records or accounts therein; or (iii) handling his personal business or professional calls or correspondence therefrom.

4.07 Decorating. Each Owner shall furnish and be responsible for, at his own expense, all of the decorating of the exterior (subject to the approvals required by Section 4.04) and interior of his own Townhouse from time to time, including painting, wallpapering, washing, cleaning, paneling, floor covering, draperies, window shades, curtains, lamps and other furnishings and interior decorating, and shall be responsible for doing all such work in accordance with all applicable codes, laws and regulations.

4.08 No Signs. Owners shall not cause or permit anything to be placed on the outside walls of a Townhouse and no sign, awning, canopy, shutter or antenna shall be affixed to or placed upon the exterior walls or roof or any part thereof without the prior consent of the Declarant or the Architectural Review Committee, as applicable.

4.09 Pets. No animals of any kind shall be raised, bred, or kept in any Townhouse, except that dogs, cats, or other household pets may be kept in Townhouses; provided, they are not kept, bred or maintained for any commercial purpose and provided such pets shall not be permitted to disturb the peaceful use and enjoyment of other Townhomes by Owners and Occupants in the development.

4.10 Proscribed Activities. No illegal, noxious or offensive activity shall be carried on in any Townhome nor shall anything be done therein, either willfully or negligently, which may be or become an annoyance or nuisance to the other Owners or occupants.

4.11 No Unsightly Uses. No clothes, sheets, blankets, laundry of any kind or other articles shall be hung out or exposed on any part of the Property. The Townhomes shall be kept free and clean of rubbish, debris, and other unsightly material. No temporary building, trailer, garage or building in the course of construction or other temporary structure situated on the Property shall be used, temporarily or permanently, as a residence.

4.12 Operation of Equipment. No owner shall overload the electrical wiring in any Townhome or operate any machines, appliances, accessories or equipment in such manner as to cause an unreasonable disturbance to others.

4.13 Trash. No lumber, metals, bulk materials, refuse or trash shall be kept, stored or allowed to accumulate, except building materials during the course of construction of any approved structure, on the Property. If trash or other refuse is to be disposed of by being picked up and carried away on a regular and recurring basis, containers shall be stored in such a manner so that they cannot be seen from adjacent and surrounding property.

4.14 Pipes. No water pipes, sewer pipes or drainage pipes shall be installed or maintained on the Property above the surface of the ground, except hoses and moveable pipes used for irrigation purposes and sump pump discharges.

4.15 Flagpoles. No flagpoles shall be installed upon any portion of any Townhome.

4.16 Recreational Vehicles. No trailers, boats, motor homes or other recreational vehicles shall be placed or parked upon any portion of any Townhouse. No commercial vehicles shall be permitted unless they may be and are parked in the garage of the Townhouse.

4.17 Advertising by Owner. No sign or other advertising device of any nature shall be placed upon any Townhouse except name and address plates or address plates, none of which shall exceed 120 square inches, without the prior written consent of the Declarant or the Architectural Review Committee. The Declarant may establish other criteria with respect to form and location of such signs. Notwithstanding the foregoing, the Declarant reserves the right to erect such signs, whose size and design shall not be subject to the foregoing restrictions, as it may deem necessary on Townhouses until all Townhouses proposed to be built on the Property are sold by the Declarant.

# UNOFFICIAL COPY

4.18 Drainage. No person shall obstruct, alter or in any way modify the established drainage pattern from on or over a Townhome, nor shall any person obstruct, alter or in any way modify any drainage devices and/or facilities now installed or to be installed by Declarant. Declarant reserves the right, but not the obligation, to enter upon any Townhouse to correct, as it may deem necessary, any drainage condition.

4.19 Parking Restrictions. No Owner shall permit vehicles to be parked in a manner which blocks or impedes pedestrian traffic along the sidewalk area fronting on Aberdeen Street, Rundell Street, the adjoining public alley or the Inner Drive. The Board is hereby granted authority to employ a towing company to remove vehicles violating the foregoing parking restriction at the expense of the Owner of the Townhome violating the parking restriction or the Owner of such vehicle.

4.20 Maintenance, Repair and Replacement of Landscaping. The Association shall furnish and be responsible for all necessary maintenance, repairs and replacements of all landscaping, roadways and sidewalks located on or within any of the Common Areas.

5.01 Association. The Association has been or will be formed as an Illinois not-for-profit corporation under the General Not-For-Profit Corporation Act of the State of Illinois having the name "The Arcadia Place Townhome Homeowners Association" (or one similar thereto) and shall, to the extent hereafter provided and subject to the limitations hereafter contained, be the governing body of the use, maintenance and repair of the Common Area. The Association shall not be deemed to be conducting a business of any kind, and all funds received by it shall be held and applied by it in trust for the use and benefit of owners in accordance with the provisions of this Declaration.

5.02 Membership. Every Owner of a Townhome shall be a member of the Association and such membership shall automatically terminate when he or she ceases to be an Owner. Membership is appurtenant to and shall not be separated from ownership of a Townhome. Each Owner by acceptance of a deed or other conveyance of a Townhome thereby becomes a member, whether or not this declaration of such membership is made a part of, incorporated by reference or expressed in said deed or conveyance. Continuing membership in the Association shall be compulsory and no owner of any interest in a Townhome shall have any right or power to disclaim, terminate, or withdraw from his or her membership in the Association or any of the obligations as such member, any such purported disclaimer, termination or withdrawal being null and void. There shall be one person with respect to every Townhome who shall be entitled to vote at any meeting of the Members. Such person shall be known as a "voting member." Such voting member may be the Owner or one of the group comprising Owner of a Townhome or may be some person designated by such Owner to act as proxy on his or her behalf and who need not be an Owner. Such designation shall be made in writing to the Board and shall be revocable at any time by notice to the Board by the Owner.

5.03 Voting Rights. The Association shall have two classes of voting members:

Class A: Class A voting members shall be all Owners with the exception of the Declarant and each Class A voting member shall be entitled to one vote for each Townhome owned by him or her;

Class B: The Class B voting member shall be the Declarant who shall at any given time be entitled to three (3) times the number of votes to which the Class A voting members shall be entitled at such time. The Declarant shall cease to be a Class B voting member and shall become a Class A voting member upon the first to occur of any of the following dates:

# UNOFFICIAL COPY

(b) The date upon which the Declarant elects to convert its Class B membership to Class A membership by written notice of such election to the Association.

**5.04 Qualifications of Board.** For a period commencing on the date this Declaration is executed and ending upon the qualification of the Board elected at the initial meeting of voting members, the Declarant shall have the right to designate and select the persons who shall serve as members of the Board or elect to exercise itself the powers of the Board as provided herein. Except for directors so designated by Declarant, each member of the Board shall be one of the Owners and shall reside in a Townhouse; provided, however, that in the event an Owner is a corporation, partnership, trust or other legal entity other than a natural person, then any designated agent of such corporation, trust, partnership or other legal entity, shall be eligible to serve as a member of the Board, so long as any such agent (other than a person designated by Declarant) resides in a Townhouse.

**5.05 Election of the Board.** The initial Board designated by the Declarant shall consist of three directors who shall serve without compensation. Such initial Board shall serve for a period commencing on the date the Association is formed by the filing of the Articles of Incorporation therefor in the office of the Secretary of State of Illinois and ending upon the qualification of the Board elected at the initial meeting of voting members held as provided in Section 5.06 hereof. At the initial meeting held as provided in Section 5.06 hereof, the voting members shall elect five (5) Board members who shall serve until the first annual meeting. In all elections for members of the Board, each voting member shall be entitled to vote on a non-cumulative voting basis and the candidates receiving the highest number of votes with respect to the number of offices to be filled shall be deemed to be elected except as otherwise provided herein. Each voting member shall be entitled to cast the number of votes equal to the positions on the Board being filled by such election. Members of the Board elected at the initial meeting shall serve until the first annual meeting. At the first annual meeting of the voting members, five (5) Board members shall be elected. The election as between candidates receiving the same number of votes shall be determined by lot. All Board members shall serve in office for a term of one (1) year and may be re-elected to office upon the expiration of their terms. The Board shall act by majority vote of those present at its meeting when a quorum exists. Meetings of the Board may be called, held and conducted in accordance with such regulations as the Board may adopt. Four (4) members of the Board shall constitute a quorum.

## **5.06 Meetings of Voting Members.**

(a) Meetings of voting members shall be held at such places and times as shall be designated in any notice of a meeting by the Board. The presence in person or by proxy at any meeting of the voting members having a majority of the total votes shall constitute a quorum. Unless otherwise expressly provided herein, any action may be taken at any meeting of the voting members at which a quorum is present upon the affirmative vote of the voting members having a majority of the total votes present at such meeting. In the event that a quorum is not present at any meeting of the voting members, another meeting may be called by notice from the Board and the required quorum at such subsequent meeting shall be one-half (2) of the required quorum of the preceding meeting; provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

(b) The initial meeting of voting members shall be held upon not less than twenty (20) days written notice from the Declarant. Such notice must be given no later than thirty (30) days after the sale and conveyance of title to ninety (90%) percent of the total number of Townhouses which may be constructed by Declarant on the Property, but such notice may, at the discretion of the Declarant, be given earlier. Thereafter, there shall be an annual meeting of the voting members on the second Tuesday of October of each succeeding year thereafter, or at such other reasonable date and at such time, and at such place, as may be designated by written notice from the Board.

(c) Special meetings of the voting members may be called at any time for any reasonable purpose on not less than ten (10) days notice from a majority of the Board or the voting members holding one-fourth (1/4) of the total votes.

(d) Notices of meetings may be delivered personally or by mail to the voting members, addressed to each such voting member at the address given by him to the Board, or if no address shall be given, addressed to such voting member to the address of his Townhouse.

All such officers shall be selected from members of the Board. The officers of the Association shall be elected annually by the Board at the regular annual meeting of the Board. ## ARTICLE SIX

### ASSESSMENTS

6.01 Personal Obligation. Each Owner (except for the Declarant), by acceptance of a deed for a Townhouse, whether or not it shall be so expressed in any such deed or other conveyance for such, Townhouse, hereby covenants and agrees to pay to the Association such assessments and fees as are levied pursuant to the provisions of this Declaration. Such assessments and fees, whether special or otherwise, not paid when due, together with interest thereon at the rate of ten (10%) percent per annum, late fees (as the Board shall, from time to time, determine), and costs of collection, including attorneys' fees incurred in respect thereto whether or not suit shall be instituted, shall be a charge and a continuing lien upon the Townhouse, against which such assessment is made. Furthermore, each such assessment, together with such interest costs, late fees and other fees, shall be the personal obligation of the person who was the Owner of such Townhouse on the date upon which such assessment became due. No Townhouse or any interest therein may be transferred, sold or beneficial interest transferred (where title is held in land trust) by its Owner until such time as all outstanding assessments, together with any interest costs, late fees and other fees, are paid to the Association and any such transfer or sale in violation of this restriction shall be subject to the provisions hereof. The Declarant, to the extent that it shall be an Owner of any Townhouses which are leased to any person, shall, as to each such leased Townhouse, be subject to the provisions of this Article from and after the first day of the month in which the Declarant first receives rent for such Townhouse. Except as provided in the preceding sentence, the Declarant shall not be liable for the payment of assessments hereunder, and portions of the Property owned by the Declarant or Declarant shall not be subject to liens hereunder; provided, however, that the Declarant shall pay the actual costs incurred by the Association attributable to the maintenance and repair of those portions of the Property owned by the Declarant.

# UNOFFICIAL COPY

**6.02 Purpose of Assessment.** The assessments and fees levied by the Association shall be used for the following purposes: (a) paying the cost of maintenance, repair and insurance of the Common Area, including the cost of labor, equipment, services (including utilities and security services, accountants, attorneys and other professional fees, licenses and permits) and the materials in connection therewith; (b) the establishment of such reasonable reserves, if any, as the Board deems appropriate; (c) the performance of the duties of the Board as set forth in this Declaration, including the enforcement of the provisions thereof; and (d) in general, carrying out the purposes of the Association as stated in this Declaration.

**6.03 Annual Assessments.** Each year, on or before December 1, the Board shall estimate the total amount (the "Aggregate Annual Assessment") necessary to provide the materials and services which will be required for the ensuing calendar year in the operation of the Association and shall notify each owner in writing as to the amount of the Aggregate Annual Assessment with a reasonable intention thereof and of the amount thereof allocable to such Owner. Except as provided in this Declaration, each Owner (with the exception of the Declarant unless otherwise hereunder provided) shall be allocated that portion of the Aggregate Annual Assessment as shall be determined by dividing the Aggregate Annual Assessment by the total number of Townhouses on the Property. On or before January 1 of the ensuing year, and on the first day of each and every month of said year, each Owner shall be personally liable for and obligated to pay one twelfth (1/12) of the portion of the Aggregate Annual Assessment allocated to such owner unless it is determined by the Board that such payments shall be made on a different basis during the calendar year. Upon the creation of the Association, the Board shall determine an initial Aggregate Annual Assessment for the period commencing with the incorporation date of the Association and the end of the calendar year in which it is incorporated.

**6.04 Special Assessments.** In addition to the annual assessments authorized pursuant to Section 6.03, the Board may at any time or from time to time levy special assessments. Special assessments shall be levied for the purpose of defraying, in whole or in part, the cost incurred by the Association for any repair, replacement maintenance, service, labor, materials or capital improvement not provided for in the Aggregate Annual Assessment for the then current calendar year. Except for special assessments which in the aggregate shall not exceed in any one twelve-month period the sum of \$250.00 per assessed Townhouse, any special assessment shall first be approved by the affirmative votes of not less than one-half (2) of the votes cast at the annual or a special meeting of the Members called and held in accordance with the provisions hereof. Special assessments shall be allocated to each owner in the same manner as such Owner's respective share of the Aggregate Annual Assessment unless the Board shall determine that the benefits of any expense or any part thereof accrue to fewer than all of the Townhouses or to certain Townhouses in a greater degree than to other Townhouses, in which case the Board shall serve notice on the responsible parties of any such special assessment or part thereof, which notice shall consist of a written statement setting forth the reason therefor, the amount and date on which such assessment (or installment thereof) shall become due and payable. The Declarant shall be liable for the payment of special assessments on only those Townhouses for which the Declarant is obligated to pay a regular assessment.

**6.05 Notice and Quorum.** Written notice of any meeting called for the purpose of authorizing any special assessment requiring approval pursuant to Section 6.04 hereof shall be sent to all members not less than ten (10) days nor more than thirty (30) days in advance of the meeting. At such meeting, the presence in person or by proxy of Members entitled to cast at least one-half (2) of all the votes shall constitute a quorum.

**6.06 Proof of Payment.** Upon written demand of an Owner or mortgagee at any time, the Association shall furnish such owner or mortgagee a written certificate signed by an officer of the Association setting forth whether there are any unpaid annual or special assessments, interest, costs, late fees or other fees levied against such Owner's Townhouse. Such certificate shall be conclusive evidence of payment of any annual or special assessments interest, costs, late fees or other fees not stated therein as unpaid.

**6.07 Nonpayment of Assessments.** Any assessment which is not paid when due shall be deemed delinquent. If an assessment is not paid within ten (10) days after the delinquency date, such assessments shall bear interest at the rate provided in Section 6.01 from the delinquency date until paid, and the Board may impose a late fee as provided in Section 6.01. In the event of the failure of any Owner to pay any assessment, maintenance charge, interest charge, late fee or other fees or costs of collection, when due, the amount thereof shall constitute a lien on the Townhouse of such Owner. The Board shall, in the name of and on behalf of the Association have all rights and remedies to enforce such collections

# UNOFFICIAL COPY

as shall from time to time be permitted by law, including bringing an action at law or in equity against such Owner and foreclosing the aforesaid lien. All expenses of the Association in connection with such action or proceedings, whether or not suit shall be instituted, including attorneys' fees and court costs and other fees and expenses shall be charged to and assessed against such Owner (and shall constitute a personal liability of such Owner) and shall be added to and deemed part of his assessments, and the Association shall have a lien for all of the same upon the Townhouse of such Owner.

6.08 Subordination of Lien to Taxes and Mortgage. The lien of the assessments provided for herein shall be subordinate to: (a) taxes special assessments and special taxes theretofore or thereafter levied by any political subdivision or municipal corporation of this state and other state or federal taxes which by law are a lien on such Townhouse prior to preexisting recorded encumbrances thereof; and (b) the lien of any prior, recorded mortgage or trust deed on a Townhouse.

6.09 Exemption from Assessment on Townhomes Owned by Declarant. In order that those Townhouses which are improved and conveyed or leased by Declarant or its agents may, with reasonable promptness, receive the benefits of maintenance by the Association for the enjoyment of the residents of the Property, and also be subject to assessments therefor, and so as not to discourage the Declarant from voting for such assessments at such times as the Declarant may still own a substantial number of unoccupied Townhouses, and inasmuch as assessments levied against such Townhouses impose a burden on the Declarant without the Declarant desiring, or receiving the benefits of maintenance upon such Townhouses as may from time to time be provided by the Association, it is therefore expressly provided that no Townhouses owned by the Declarant shall be subject to the assessments, charges and liens provided for herein until the date upon which such Townhouse shall be conveyed to a bona fide purchaser or leased to any person who shall have commenced to pay rental therefor or sold pursuant to an installment contract or articles of agreement for deed; provided, however, that each year, until the initial meeting of the elected Board pursuant hereto, the Declarant shall contribute to the Association the amount, if any, by which the operating expenses of the Association incurred or paid during such year (exclusive of any amounts allocated to reserves) exceed the gross revenues of the Association during such year.

Upon the conveyance or leasing by Declarant of a Townhouse which was theretofore entitled to the foregoing exemption from assessments, such Townhouse and the Owner thereof shall immediately become subject to the payment of all assessments and other charges and the liens provided for herein.

6.10 Initial Assessments. The Declarant shall collect from each purchaser of a Townhouse, at the time of closing of the purchase thereof, the sum of Three Hundred and Fifty and No/100 Dollars (\$350.00), which shall be utilized to fund the operating reserve for the Association.

6.11 Delay. The failure or delay of the Board to prepare or transmit to any owner an Aggregate Annual Assessment in respect of any calendar year shall not constitute a waiver or release in any manner of such Owner's obligation to pay the monthly assessments or special assessments whenever assessed, and in the absence of any Aggregate Annual Assessment, unless otherwise determined by the Board, such Owner shall continue to pay to the Board the monthly assessments in the installments in force and effect as of the most recent Aggregate Annual Assessment until a new Aggregate Annual Assessment shall become effective.

6.12 Use of Funds. All funds collected by the Board hereunder shall be held and expended for the benefit of the Owners and the Association and for the purposes designated herein.

(b) whether the Architectural Control Committee requires additional information, plans or other materials to render a decision, in which case such additional items shall be furnished as expeditiously as possible.

If additional items shall be required pursuant to subsection (b) above, within a reasonable period of time not exceeding ten (10) days from the date of receipt of all such items, the Architectural Control Committee shall advise such Owner and the Board in writing whether such Owner's request has been approved or denied and if denied, the specific reasons therefor. If such Owner request for approval shall have been denied, such Owner shall have the right to appeal the decision of the Architectural Control Committee to the Board pursuant to Section 7.04 hereof.

**7.04 Right of Appeal.** Any adverse decision of the Architectural Control Committee may be appealed to the Board, which shall render a final decision as to the matter in question. An Owner desiring to appeal shall so advise the Board in writing. The Board shall consult with the Architectural Control Committee and such Owner, shall review the plans and other materials submitted by such Owner, and shall render a written decision as to the matter under consideration as expeditiously as practical. In rendering its decision, the Board shall take into consideration the criteria set forth in Section 7.05, the manner in which the Architectural Control Committee has applied such criteria to the matter under review, and such other factors as the Board deems relevant in respect to the overall enhancement and presentation of the value and desirability of the Property.

**7.05 Review Criteria.** In evaluating requests by Owners for approvals required of the Architectural Control Committee hereunder, the factors to be considered by the Architectural Control Committee shall include the following:

(a) the architectural integrity and compatibility of any proposed exterior modification to a Townhouse with the design, color scheme and materials of such Townhouse as originally constructed;

(b) the aesthetic effect of any proposed modification to exterior fences or exterior lighting; and

(c) the Architectural Control Committee shall also consider such other factors as it deems relevant in assessing the overall effect of the Owner's request upon the maintenance and operation of the Property.

Such amendment shall become effective upon recording in the office of the Recorder of Deeds of Cook County, Illinois. The right of Declarant to act pursuant to rights reserved or granted under this Section shall terminate at such time as the Declarant no longer holds or controls title to a Townhouse at the Property.

8.03 Amendment. After the initial meeting of the voting members, the provisions of this Declaration may be amended by an instrument executed and acknowledged by the Board and approved by the Owners of not less than two-thirds (2/3) of the Townhouses which are subject to the provisions of this Declaration. An Amendment shall not be effective until it is recorded in the office of the Recorder of Deeds of Cook County, Illinois.

After the expiration of said forty (40) year period, all of such covenants, restrictions, conditions, reservations, liens and charges shall continue to run with and bind the land for successive periods of ten (10) years each unless revoked, changed or amended in whole or in part, by an instrument in writing which is executed by the Owners of not less than two-thirds of the Townhouses and recorded in the office of the Recorder of Deeds of Cook County, Illinois.
