ADDITIONAL TERMS OF MORTGAGE

A. IMPOUND ACCOUNTS. So long as Borrower pays, prior to delinquency, all yearly taxes and assessments (including condominium and planned unit development assessments, if any) which may attain priority over the Mortgage and ground rents on the Property, if any, plus all premiums for hazard insurance and mortgage insurance, if any, Lender waives the requirements of the following. Thereafter, until the Agreement is paid in full, Borrower will pay to Lender when monthly payments are due under the Agreement, a sum ("Funds") for: (a) one-twelfth yearly taxes and assessments which may attain priority over this Mortgage as a lien on the Property; (b) one-twelfth yearly leasehold payments or ground rents on the Property, if any; (c) one-twelfth yearly hazard or property insurance premiums; (d) one-twelfth yearly flood insurance premiums, if any; (e) one-twelfth yearly mortgage insurance premiums, if any; and (f) any sums payable by Borrower to Lender, in lieu of the payment of mortgage insurance premiums. These items are called "Escrow Items." Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount allowed by law. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless applicable law requires interest to be paid, Lender is not required to pay Borrower any interest or earnings on the Funds. Lender will give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for all sums secured by this Mortgage.

If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may so notify Borrower in writing, and, in such case Borrower will pay to Lender the amount necessary to make up the deficiency. Borrower will make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums and closing of the account secured by this Mortgage, Lender will promptly refund to Borrower any Funds held by Lender. If Lender acquires or sells the Property, Lender, prior to the acquisition or sale of the Property, will apply any Funds held by Lender at the time of acquisition or sale as a credit against the sum secured by this Mortgage.

B. LIENS; PRESERVATION OF PROPERTY. Borrower will perform all of its obligations under any security agreement with a lien which has priority over this Mortgage, including making payments when due. Borrower will pay all taxes, assessments and other charges, fines and impositions attributable to the Property which may attain a priority over this Mortgage, and leasehold payments, or ground rents, if any. Borrower will keep the Property in good condition and repair and will not commit waste or permit impairment, or deterioration of the Property or use it in a destructive manner and shall comply with any lease provisions if this Mortgage is a leasehold. Borrower shall comply with all laws, ordinances, regulations and requirements of any governmental body applicable to the Property. Lender may make or cause to be made reasonable entries upon and inspection of the Property, including, without limitation, for the purpose of conducting environmental inspections and audits. If Borrower is in default, or if any proceeding is commenced which materially affects Lender's interest in the Property, or the Property is damaged, Lender may without notice to or demand on Borrower make such appearances, advance such sums, and take such actions as Lender deems necessary or advisable to protect Lender's interest. Any amounts which Lender advances on Borrower's behalf will be added to Borrower's indebtedness and this Mortgage shall from the date thereof secure the repayment of such advances with interest.

C. INSURANCE. Borrower will maintain and pay for property damage and flood (if required) insurance on the improvements now existing or hereafter erected on the Property as required by the Agreement. In the event of loss, Borrower will give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. Unless Lender and Borrower otherwise agree in writing, insurance proceeds will be applied to restore or repair the Property damaged if economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the

The environmental degradation associated with the production of energy and materials can lead to the release of pollutants into the air, water, and soil, which can then contribute to further environmental degradation and health problems.

Insurance proceeds will be applied to the sums accrued by this Mortgage, whether or not then due, with any excess paid to Borrower and such application will not extend or postpone the due date of the monthly payments due under the Agreement or change the amount of the payments. If Borrower abandons the Property, or does not answer within 30 days after the date the notice is given by Lender to Borrower that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Mortgage, whether or not the sums are then due and such application will not extend or postpone the due date of the monthly payments due under the Agreement or change the amount of the payments. If Lender acquires the Property, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition will pass to Lender to the extent of the sums secured by this Mortgage immediately prior to the acquisition.

D. CONDEMNATION. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and will be paid to Lender and will be applied to the sums secured by this Mortgage whether or not the sums are then due and such application will not extend or postpone the due date of any payments under the Agreement. If Borrower abandons the Property, or does not answer within 30 days after the date notice is given by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, then Lender can collect and apply the proceeds, at its option, either to restore or repair the Property or to the sums secured by this Mortgage, whether or not the sums are then due and such application will not extend or postpone the due date of any payments under the Agreement.

E. DEFAULT: Borrower will be in default hereunder if Borrower fails to meet the repayment terms in the Agreement or Borrower's action or inaction adversely affects the Property or Lender's rights in the Property, including, but not limited to:

- (a) failure to maintain required insurance on the Property;
- (b) Borrower's transfer of the Property;
- (c) failure to maintain the Property, or use of it in a destructive manner;
- (d) commission of waste;
- (e) failure to pay taxes on the Property or otherwise fail to act and thereby cause a lien to be filed against the Property that is senior to this lien;
- (f) death of all Borrowers;
- (g) the Property is taken through eminent domain;
- (h) a judgment is filed against Borrower and subjects Borrower and the Property to action that adversely affects Lender's interest;
- (i) a prior lienholder forecloses on the Property and as a result, Lender's interest is adversely affected; or
- (j) Borrower engages in fraud or material misrepresentation, in connection with any phase of this home equity line of credit.

If Borrower is in default, Lender has all the remedies provided under the Agreement and this Mortgage and by law, including, without limitation, terminating the Select Equity Account, requiring Borrower to pay the entire outstanding balance in one payment, charging Borrower any fees related to the collection of the amount owing, and for protection of the Property including, without limitation, costs and expenses incurred in connection with environmental inspections and audits or in enforcing the remedies provided for in this Mortgage.

F.

1. FORECLOSURE. In the event of a default, Lender may immediately commence foreclosure proceedings against the Property through judicial proceeding, pursuant to applicable law and proceed to sell the Property or to cause the sums to be sold in accordance with said statutes in a single parcel or in several parcels at Lender's option. Lender will apply sale proceeds derived from a foreclosure sale, first, to all reasonable costs; then to sums secured by the Mortgage; and then to the persons legally entitled to it. "Costs" includes attorneys' fees (including fees for attorneys employed by us or our agents), Mortgagee's fees, expenses of attempted collection, protecting the Property, including, without limitation, costs and expenses incurred in connection with environmental inspections and audits, providing insurable title to a purchaser, and other expenses Lender incurs to enforce its rights under the Agreement or the Mortgage. If Lender has not acted under this section, Lender may be required to advance funds to cover Borrower's transactions even if Borrower is in default.

2. BORROWER'S RIGHT TO REINSTATE. Notwithstanding Lender's acceleration of the sums secured by this Mortgage, Borrower shall have the right to have any proceedings begun by Lender to enforce this Mortgage discontinued within ninety (90) days following the service of a summons on Borrower if: (a) Borrower pays Lender all sums which would be then due under this Mortgage, and the Agreement which it recites including all advances, had no acceleration occurred; (b) Borrower cures all breaches of any other covenants or agreements of Borrower contained in this Mortgage; (c) Borrower pays all reasonable expenses incurred by Lender in enforcing the covenants and agreements of Borrower contained in this Mortgage, and in enforcing Lender's remedies as provided in Paragraph B hereof, including, but not limited to, reasonable attorneys' fees; and (d) Borrower takes such action as Lender may reasonably require to assure that the lien of this Mortgage, Lender's interest in the Property and Borrower's obligation to pay the sums secured by this Mortgage shall continue unimpaired. Upon such payment and cure by Borrower, this Mortgage and the obligations secured hereby shall remain in full force and effect as if no acceleration had occurred. However, this right to reinstate may only be exercised by Borrower once every five years and shall not apply in the case of acceleration under Paragraph I.

G. LIEN ON RENTS. To the extent allowed under applicable law, as additional security hereunder, Borrower hereby grants to Lender a lien on the rents of the Property, provided that prior to acceleration of the Mortgage or abandonment of the Property, Borrower can collect and retain such rents as they become due and payable. Upon acceleration of the Mortgage or abandonment of the Property, Lender, in person, by agent or by judicially appointed receiver will be entitled to enter upon, take possession of and manage the Property and to collect the rents of the Property including those past due. All rents collected by Lender or the receiver will be applied first to payment of the costs of management of the Property and collection of rents, including, but not limited to, receiver's fees, any premium on receiver's bonds and reasonable attorneys' fees, and then to the sums secured by this Mortgage. Lender and the receiver are liable to account only for those rents actually received.

H. SUCCESSORS AND ASSIGNS BOUND; JOINT AND SEVERAL LIABILITY. The covenants and agreements of this Mortgage shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of Paragraph K. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Mortgage but does not execute the Agreement: (a) is co-signing this Mortgage only to mortgage and warrant such Borrower's interest in the Property under the terms of this Mortgage; (b) is not personally obligated to pay the sums secured by this Mortgage; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Mortgage or the Agreement without that Borrower's consent.

I. NOTICES. Except as required by applicable law, notices to Lender or Borrower shall be given in the manner provided in the Agreement.

J. GOVERNING LAW, SEVERABILITY. Subject to principles governing choice of law, this Mortgage is made pursuant to, and shall be construed and governed by, the laws of the United States and the ~~in rem~~ rights, remedies and procedures of the state in which the Property is located and by the rules and regulations promulgated thereunder. If any paragraph, clause or provision of this Mortgage or the Agreement or any other obligation secured by this Mortgage is construed or interpreted by a court of competent jurisdiction to be void, invalid or unenforceable, such decision shall affect only those paragraphs, clauses or provisions so construed or interpreted and shall not affect the remaining paragraphs, clauses and provisions of this Mortgage or the Agreement or other obligation secured by this Mortgage.

K. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Mortgage. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Mortgage. If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Mortgage. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Mortgage without further notice or demand on Borrower.

and the resulting energy source. The first part of the study involved the collection of data on the physical properties of the soil and the characteristics of the plants growing on it. This was followed by a detailed analysis of the data to determine the relationship between the physical properties of the soil and the growth of the plants. The results showed that the physical properties of the soil had a significant impact on the growth of the plants, particularly the root system. The results also indicated that the plants were able to adapt to different soil conditions, but that they were more likely to grow well in soils with higher water-holding capacity and better drainage.
