If such agreement provides that an affiliate of Lender takes a share of the insurer's risk in exchange for a share of the premiums paid to the insurer, the arrangement is often termed "captive reinsurance." Further:

(a) Any such agreements will not affect the amounts that Borrower has agreed to pay for Mortgage Insurance, or any other terms of the Loan. Such agreements will not increase the amount

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the average of interbank offered rates for six-month U.S. dollar-denominated deposits in the London market ("LIBOR"), as published in *The Wall Street Journal*. The most recent Index figure available as of the first business day of the month immediately preceding the month in which the Change Date occurs is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index that is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Cornge Date, the Note Holder will calculate my new interest rate by adding FIVE ANO 800/1000THS percentage points (5.900 %) to the Current Index. The Note holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payment. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the 6 st Change Date will not be greater than 9.150 % or less than 6.150 %. Thereafter, my interest rate will never be increased or decreased on any single Change Date by more than one precentage point (1%) from the rate of interest I have been paying for the preceding six months. My interest rate will never be greater than 12.150 %, or less than 6.150 %.

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay he amount of my new monthly payment beginning on the first monthly payment date after the Change Date antil the amount of my monthly payment changes again.
